Mahendranagar, NEPAL

June 1-3 Leadership Conference
Chamba, Himachal Pradesh, INDIA

October 2 River of Life Ministries
Casper, WY 10am (307)267-1566

October Conferences and Campaign
**Jaipur, Rajasthan & Ghaziabad,
Uttar Pradesh State, India**

We are continuing to hear reports of numerous undeniable miracles, signs and wonders occurring in North India. Along with these reports many souls are turning to Christ and the church of North India is growing, since conducting the training conference with Randy Clark.

In the next 2 months we have a number of outreaches, campaigns and conferences scheduled. The first is on **St. Lawrence Island, to the Siberian Yupik Eskimos (April 25-29, 2011)**. The budget for this Alaska trip is running about \$1,500. Sexual abuse on this Island runs over 95% for both boys and girls. The need is great, that is why I'm going. I was told by YWAM Arctic Mercy's leader if I had to postpone this trip there would be great disappointment with these people as they are really looking forward to this event. I will be conducting training sessions for healing ministry each afternoon and then conducting an evangelistic outreach nightly by ministering in word, music and healing ministry (along with the trainees), April 26-29th. From there I head to Homer for ministry.

Then it is on to **Mahendranagar, Nepal (May 25-27, 2011)**. The Nepalese pastors are excited and preparing for this first ever citywide open air campaign and leadership conference. Our budget for this runs \$5,000 plus airfare (\$4,790usd) to India and Nepal.

From Nepal it is on to **Chamba, Himachal Pradesh, India (June 1-3, 2011)** where we are conducting a leadership conference for the many pastors laboring in remote **Jammu and Kashmir and this part of Himachal Pradesh state**. Many of these pastors wanted to attend the Randy Clark conference in January but because of militant agitations could not attend. So we are going to them. The budget for this conference is about \$2,500usd. Your ongoing prayers and financial support is

what makes all this possible. We appreciate you standing with us as we reach out these very unreached areas in the world. It all adds up to SOULS! Right now to conduct these outreaches and conferences we need to raise at least \$12,500usd more than what has come in so far.

Eleven girls from Orissa were delayed in arriving in Karishma Girls Home in Agra, India. They arrive next week.

Their trip was delayed because we had to fill out more paperwork. The money has been wired to the Orissa workers bringing them to Agra. Some of these young girls have witnessed their parents murdered by Hindu extremists in the Fall of 2008. One seven year old girl watched as Hindu extremists ran a sword through her parents. We believe these children of Martyrs deserve the best. We sent \$6,000usd to begin construction on the 2nd floor of **Karishma Girls Home** so we can take in more girls from Orissa. Construction starts next week. We and our India workers realize we have no time to delay as some of these children have no home and are living in the jungles and under trees. Once the 2nd floor is finished we can handle 25 to 30 girls in the Home. In order to finish the 2nd floor \$21,000usd more is needed. As you can see your ongoing prayers and financial support are so greatly needed at this time to keep up with all we have going on. Can you go the extra mile this month to help us meet these needs? There is a great need at this time! We really need some who will trust God and give sacrificially this month. 🍎
