by Mark R. Anderson

Kohalpur, Nepal Report

In **Kohalpur, Nepal** from April 3-5, 2011, despite political instability and a political rally drawing away many of the towns people each night, we saw approximately 4,700 salvations. Our biggest expense was renting ten buses that went to the surrounding villages. Each day many were brought from the villages. At least 3/4s of the crowd came from the villages. Miracles flowed as blind eyes and deaf ears opened, cancers, tumors, goiters, cripples, wombs, hernias, gall bladders, etc were healed.

Revelation 19:10 says *“...For the testimony of Jesus is the spirit of prophecy.”* Whenever you and I share the miracle testimonies of Jesus we prophecy that He will repeat those testimonies. Each day I shared of many powerful miracles Jesus has done in our meetings around the world. Each testimony I shared, I noticed no matter how different or strange brought about the same healings and miracles during mass prayer, along with many other powerful miracles. All I can stay is

don't stop bragging on Jesus and His awesome deeds!

During the last night of the Kohalpur campaign with an estimated crowd of 3,800, during mass prayer for healing, we saw the most healings. We waited on the Holy Spirit and let Him sweep through the crowd with no hands being laid on anyone. Many undeniable miracles took place this night. The most of any night! At the same time bizarre witchcraft activity occurred, unlike anything I have seen before in my travels. All sudden while the Holy Spirit was healing many, strong winds and dark clouds came out of nowhere. It looked like it was going to pour rain but I rebuked it and it stayed dry. Because of the strong winds dust began to cover the area where we were praying a mass prayer and waiting on the Holy Spirit. That is when many were instantly healed by Jesus. At the same time in the distance three girls in the choir were attacked by demons all of a sudden. After the service was over they were still manifesting with demons and fearful. We took them to the church to pray, but saw little relief. After we left

many pastors and leaders continued praying. Then I was told that other girls became demonized. In all about 10 girls were attacked. Later on with the pastors continuing to pray all the girls eventually found freedom late into the night.

We have heard that each of the 30 participating churches in the Kohalpur campaign (mostly village churches) have added anywhere from 15 up to 50 new members in their churches since the campaign.

3 Key Leadership Conferences

We held 3 leadership conferences with about 360 leaders attending. One in Shimla, New Delhi, and the other in Kohalpur, Nepal. There were wonderful miracles in every conference and a great time of activating the leaders for healing

ministry. During the last ministry conference in New Delhi, Robert Devens one of my assistants prayed a mass impartation prayer while the rest of us laid hands on the leaders. The leaders were falling all over and we could not catch them fast enough. Many had strong manifestations of God's presence all over them. The host pastor while being prayed over

came to HP there were only a handful believers. As the Lord impressed on our hearts to press on we have seen much fruit and many churches planted. The Lord called us to train and disciple local indigenous people so they can reach their own people. We were so blessed to have brother Mark and his team for one of the trainings this year. I was personally very blessed to see his passion and zeal for the people in this region.

I have spoken to some of the leaders who attended Brother Marks' meetings and they were very encouraged through the teaching and looking forward to the next meeting with Brother Mark. I was personally very touched and challenged with the Word as we learned some of the most important keys for ministry. We want to thank Brother Mark and his supporters for coming to help us reach the most unreached people in India. We could go on and on bragging on Jesus and what He did in Shimla, Agra, the Delhi area, and Kohalpur, Nepal. He is an awesome Boss to work for, as He shows up on our job site each time in powerful displays of His majesty and glory.

Doors Open July 24-31, 2011 In Latvia For Us

We have been receiving words that the Lord will be opening other countries for us. While in India we were contacted by **Pastor Raitus Evamois from Latvia** (acquaintance) inviting us to Latvia July 24-31st. He would like to see my book ***Humility The Hidden Key to Walking in Signs and Wonders*** translated so he can use it in Latvia. We are still working on the details of this upcoming trip. We will be in various churches close to Riga. They also are planning some prison and youth ministry for us.

While in Redding, California last week for the Global Legacy Advance at Bethel, Bill Johnson's church I met seven other key leaders from Latvia and plan to connect and work with as many of them as we can. This trip will be at our ministry expense to travel there but once we are there they will take care of all our expenses. 🍎

Our Authority and the Ability of the Holy Spirit

- Excerpt from *You Can Tap into Christ's Healing Power* © 2004 - Chapter 1

Jesus said in Mark 16:17-18, *"And these signs shall follow them that believe; in my name they shall cast out devils; they shall speak with new tongues; they shall take up serpents; and if they drink any deadly thing, it shall not hurt them; they shall lay hands on the sick, and they shall recover."* This is part of the Great Commission that Jesus entrusted us (believers) to fulfill in order to reach a lost and dying world. Signs and wonders are to follow believers. Today in much of Christianity believers are following the signs, instead of the signs following them. It is God's desire to see people raised up, with signs following them. In order for this to happen on a consistent basis Christians need to understand the authority God has given us.

I wish to share with you what we have taught ministers and church leaders throughout the world regarding our God given authority. As they acted upon this teaching, we have received reports of miracles and salvations as villages and cities see Jesus alive. Once we comprehend our God-given authority and work with the Holy Spirit to ensure its application in the physical realm, we too can experience miracles, signs and wonders on a regular basis.

Commencing in 1991- 1993 I was one of the main speakers at the Sowers Ministry annual minister's conference held in Kathmandu, Nepal. Leaders from India, Nepal, Bhutan and other

countries attended the conference. I taught on the subject of authority. During this time only 1/5 or 1% of Nepal's population was considered Christian. Many undeniable miracles happened from the first day of the conference and continued each night. I shared with these leaders how they could exercise authority over sickness and demons. They put this into practice at the conference and

“Once we comprehend our God-given authority and work with the Holy Spirit to ensure its application in the physical realm, we too can experience miracles, signs and wonders on a regular basis.”

continued to do so in their villages and towns seeing a tremendous outpouring of the Holy Spirit as they put God's word into practice. Miracles, signs and wonders were happening all over Nepal as Jesus was preached.

When I traveled back there years later to speak at a conference in 1999, I found that the statistics had changed.

— continued on page 6

Now 3% of Nepal was considered Christian. I asked how this change came about. I was told it is because of all the miracles that Jesus is doing in Nepal. Miracles have become a regular occurrence in Nepal. John 6:2 says, *“Then a great multitude followed Him (Jesus), because they saw His signs which He performed on those who were diseased.”* Jesus’ miracles drew many people to Himself. It is no different today. Hebrews 13:8 says, *“Jesus Christ is the same yesterday, today and forever.”*

Man’s God Given Authority

Genesis 1:26-28 says, *“And God said, let us make **man in our image**, after **our likeness**: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth **and over every creeping thing that creeps** upon the earth. So God created He Him; male and female He created them. And God blessed them, and God said unto them, be fruitful, and multiply, and replenish the earth, and subdue it: and have dominion over the fish of the sea, over the fowl of the air, and over every living thing that moves upon the earth.”*

The word likeness in the Hebrew means an exact duplication in kind. Here it states that man was made in God’s image to have dominion, to rule, to be the ruler and reign over the earth, over every living thing. Psalm 115:16 says, *“the heavens, even the heavens are the Lord’s: **but the earth hath He given to the children of men.**”* In the beginning God gave man the authority to rule over the earth. Many humanists would like to say the earth and animals have dominion and priority over mankind. They say save

the whales and kill the unborn. That is not what God said in the beginning. Mankind was given dominion over everything on this earth. God will never retract His word or His covenant with man. *He has magnified HIS WORD ABOVE HIS NAME* (see Psalm 138:2). In Psalm 89:34 God says, *“My covenant I will not break, **nor alter the thing that is gone out of my lips.**”* He gave the earth to mankind.

Some Christians take the sovereignty of God too far and feel that they are to just sit back let God do it all. They also think that whatever happens in life, good or bad, is God’s will, since He is sovereign. This reduces Christianity to the same level as Islam or Hinduism, believing that whatever happens in this life good or bad is Allah’s will or your karma in life. The Bible clearly shows us God’s will and how God has always worked through a person to get His job done. God is looking for people who will do their part and rise up and

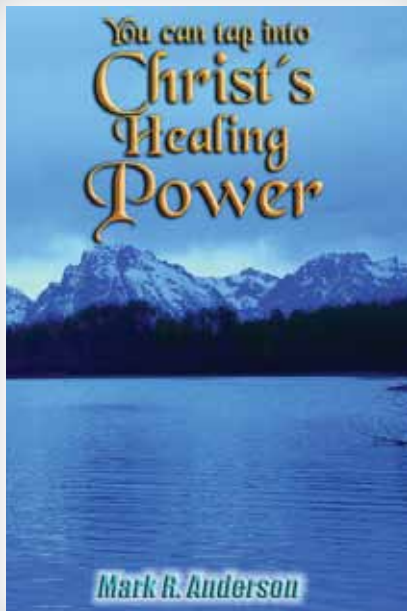

“ God is looking for people who will do their part and rise up and walk in the authority He has given them.

walk in the authority He has given them.

Some might say, “If God is really in control, why is there so much poverty, murder, death, famine, and a multitude of other morbid happenings in the world? Surely if God is in control, or real, He would stop this.” He will only take control if we give

Him the right to! **He gave earth to mankind!** If the earth is in the throes of disaster, **it is not God's fault. It is mankind's!** The earth was given to mankind along with the authority to bring good or evil into this world. Despite possessing this authority, evil men give place to and have the aid of demon spirits (to do evil), just as Christians have the Holy Spirit/ God (to do good) to carry out their God given authority.

One needs to realize the earth was given to mankind and if good things are to happen we need to do our part to work in partnership with God the Holy Spirit to bring about good. When one realizes he has his part to do and God will work with him to change things then one will quit getting beat up in this life with everything the enemy throws their way.

God is not the author of evil occurrences done in this world. He gave the earth to mankind to do good or evil. It's man's choice! Many in this world, are being used by the enemy like puppets to carry out evil on the earth (see Ephesians 2:1-3). God is not doing this evil, nor is it His will for these things to happen.

In Matthew 16:19 Jesus says, *"And I will give you the keys to of the kingdom of heaven, and whatever you **bind** (Greek-forbid) **on earth will be bound (Forbidden) in heaven, and whatever you **loose** (Greek-allow) **on earth will be loosed (allowed) in heaven.**"*** If negative things are happening on earth, Christians have the authority to bring about positive change. In this verse Jesus is talking of changing the spiritual atmosphere to see permanent

change in the physical realm. If we can affect the Spiritual realm we can see numerous miracles in the physical realm. Spirit filled Christians have the authority and the power of the Holy Spirit to change circumstances. We will deal with this concept, which is called 'mirror imagining' at length in my new book **OVERCOMING ROADBLOCKS TO HEALING** in chapter 2.

Jesus Restored Our Authority

1 John 3:8 (amp.) states, *"...the reason the Son of God WAS MADE MANIFEST (VISIBLE) WAS TO UNDO (DESTROY, LOOSEN AND DISSOLVE) THE WORKS THE DEVIL (HAS DONE)."* Jesus is called the second Adam. Everything the first Adam lost when he gave his authority to Satan in the beginning was restored when Jesus defeated Satan at the cross and rose victoriously. After being raised from the dead, Jesus said, *"All authority has been given to Me in heaven and on earth."* Then He restored to us our inherent authority. (see Mark 16:15-18, Matthew 28:18-20).

Many claim that Jesus performed miracles, cast out demons because He was God in the flesh, or that He was the divine Son of God, thereby exonerating themselves from the need of walking in the power He did. This is partially true. He was God in the flesh, He was the Son of God, but He did not perform these great miracles as a result of those reasons. That would have been contrary to His word in Genesis 1:26-28. Every person born on Earth was given authority. That is why Jesus had to be born on this Earth to have authority. He performed these miracles because of two reasons; firstly, **He was born on this planet.** Secondly, He was **anointed by the Holy Spirit** to

use that authority. We will touch on the second reason some more.

First of all the scripture shows us plainly that He did not operate as God in the flesh while on the earth. Phil. 2:5-7 says, *“let this mind be in you, which was also in Christ Jesus: who, being in the form of God, thought it not robbery to be equal with God: but made Himself of no reputation and took upon Him the form of a servant, and was made in the likeness of men.”* Here it states He had no problem being God but **made Himself of no reputation with God.** The word **reputation** in the Greek is the word **Kenoo**. It means: Make void, of none effect, laid aside equality with or the form of God, deprive of force, render vain, useless, of no effect, cause a thing to be seen to be empty, hollow. The American Standard Bible says **He laid aside His privileges** as being God. Jesus referred to Himself as the Son of man more than He referred to Himself as the Son of God. The sons and daughters of man are the ones who have authority on this earth according to Genesis 1:26-28 and Psalms 115:16. That is one reason Jesus laid aside His privileges of being God.

Jesus needed more than just being born on the earth to use His authority over the works of the devil. Matthew 3:16-17 shows us the turning point in Jesus' ministry where the power of God was unleashed upon Him. It says, *“and Jesus, when He was baptized, went up straightway out of the water: and, lo the heavens were opened unto Him, and He saw the **Spirit of God** descending like a dove, and lighting upon Him: and a voice from heaven, saying, this is my beloved Son, in whom I am well pleased.”* Until the Holy Spirit descended on Jesus in Mt. 3:16, there is not one recorded miracle performed by Him.

His miracle working power came after the Holy Spirit came upon Him, when He was 30 years old.

If Jesus performed miracles because He was God in the flesh or the Divine Son of God as tradition teaches us, why did He not do miracles before the Holy Spirit descended on Him in Matthew 3:16-17? Surely He was just as much God in the flesh and the Divine Son of God before this event took place. It is because He laid His deity aside when He came to earth as a man, operated in the authority of a man born here, and was anointed by the Holy Spirit to perform miracles. This is the pattern He set for each one of us to follow.

“ It is because He (Jesus) laid His deity aside when He came to earth as a man, operated in the authority of a man born here, and was anointed by the Holy Spirit to perform miracles.

It was at the Jordan River where the Spirit of the Lord came on Jesus and anointed Him to preach and do miracles. After Jesus was baptized in the Holy Spirit and was in the desert for 40 days He returned in the power of the Spirit to Galilee (ref. Luke 4:14). This was when His miracle ministry began. Jesus stood up and said at this time: *“The Spirit of the Lord is upon Me, Because He has anointed Me To preach the gospel to the poor; He has sent Me to heal the brokenhearted, To proclaim*

— continued on page 10

liberty to the captives And recovery of sight to the blind, To set at liberty those who are oppressed; To proclaim the acceptable year of the Lord...Today this scripture is fulfilled in your hearing” (Luke 4:18-20).

Acts 10: 38 shows us how this power came into operation in Jesus’ life and ministry. It says, *“how God anointed Jesus of Nazareth with the **Holy Spirit** and with **power**, who went about doing good and **healing all who were oppressed** by the devil, for God was with Him.”* A study of the scriptures clearly show Jesus needed to be born on earth and baptized in the Holy Spirit to legally take back our authority, lost to Satan and in order for miracles to flow through Him.

The same miracle working power Jesus operated in is available to every person born on earth who has made Jesus Lord of their lives. It is not just for Jesus and a few selected followers. 1 John 2:6 says, *“He who says he abides in Him ought himself also to walk just as He walked.”* Jesus also said in John 14:12 *“most assuredly, I say to you, he who believes in Me, the works that I do he will do also, and greater works than these he will do, because I go to My Father.”* What happened when Jesus went to the Father? He sent the same Holy Spirit to earth so we can perform the same miracles today and even greater ones through His name, in order to fulfill the Great Commission.

Our Authority In Three Realms

Jesus gave us the use of His name after ascending from Hell. We read in Mark 16:17-18 that we have the use of His name to cast out demons and

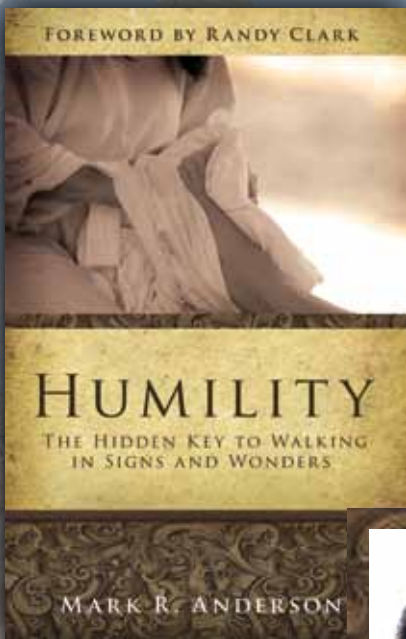

to heal the sick. Through His name we literally have authority in three realms. Philippians 2:9-11 says about Jesus and His name *“Therefore God has highly exalted Him and given Him the name which is above every name, that at the name of Jesus **every knee should bow**, of those **in heaven**, and of those on **earth**, and of those **under the earth**, and that every tongue should confess that Jesus is Lord, to the glory of God the Father.”* The name of Jesus is higher than demons of cancer, blindness, deafness, paralysis, or any other sickness or bondage. We have the use of the name of Jesus and the power of the Holy Spirit to carry out our God given authority.

Jesus was one who walked in authority. Many when praying for the sick or demonized do not comprehend how to use their authority and the name of Jesus. Many while ministering to the sick have turned it into a prayer meeting thinking praying louder or longer will cause God to answer them. Some who pray are very insecure or lack confidence and because of this see no real results. All we need to do is look at how Jesus prayed for the sick and demonized. He did not lay hands and pray over someone until he wore every hair off the top of their head. He spoke to the sickness and/or demon with authority commanding it to leave. Sickness and/or demons obeyed His command! We can do the same, since we have the same Holy Spirit and the use of the name that is above all names, the name of Jesus. 🌸

Girls Home Update

Karishma Girl's Home has 15 wonderful little girls, ranging from the ages of 4 to 13 years. Most of them are children of persecuted Christians and have lived very difficult lives; on the run from militants for the past 2 years. They were extremely malnourished when we received them. One little girl was suffering with tuberculosis of the intestines. Today by the grace of God she is completely healed. The children are eating well and gradually putting on weight.

Just thinking of the lives they led prior to coming to Karishma Girl's Home sends shivers down my spine. Many of these girls have witnessed great brutality by Hindu militants. Yet today they are happy and full of joy. They love to pray. They even cast up prayers for safe travels for truck drivers. (To date I have never thought to pray for truck/Semi drivers.). They are attending school for the first time in their lives now; as a result they love to study and learn. Any opportunity they get they sit down to read. They literally have to be forced to go out and play.

When they came to the girl's home they could only speak their vernacular, which made communication very hard. Our workers diligently tutored them and now they speak both Hindi and English. Hats off to the dedication of our workers and the girls thirst for learning.

Charisma and I had a wonderful time visiting them in April. We shared a meal with them and played games with them. The girls also sang and prayed for us. It was such a blessing to

Karishma Girls Home 2nd Floor Construction - Agra, India.

hang out with them. They are so innocent and shy, but also full of joy

In April 2012 our girl's ministered to unsaved children in a village where Christians have an outreach. They sang and prayed for the village children. They are quick to pray for each other too. On one occasion they conducted the entire church service at a church of about 100 people; Praise and Worship, Message and prayer, much to the delight of the congregation.

We are trusting the Lord for provision to complete the second floor of the Karishma Girls Home in Agra. We have to raise about \$19,000 more to complete it. At present we have constructed the outside and put on the roof. Once completed this will allow us to take in 20 more girls from Orissa and also have a room for missionaries to stay who would like work with these girls. 🍷

Schools Continue to Open Their Doors to the Gospel

We were presented with the opportunity of ministering in music at 2 large and prestigious schools in the Delhi area. **Mark's 80's style classic rock** (fused together with East Indian Classical music) is greatly appreciated and popular in India. Teens and adults alike gravitate to this style of music in India.

Mark and his "no name" band from India were invited to perform in concerts in the **Ryan International School in New Delhi and Faridabad**. Unfortunately it was raining heavily the morning of the concert in Delhi, hence we had to perform indoors to a small group of about 250 children. However Mark did sing and share the Gospel with them. The music director invited Mark back whenever convenient to perform at the school's open-air amphitheater to the older students which numbers about 2,500. The entire schools runs about 6,000 students.

The weather was beautiful on the day of the concert in Faridabad. About 500 children attended. Mark sang and shared the gospel message between songs. The band members lead the children in some popular Hindi Christian songs. The children participated enthusiastically.

The Principal requested Mark to meet with the Student Body Council (40 students) and teach them on prayer after the concert. We were not expecting this...the Lord opens all the doors. We spent at least an hour teaching the students, who were very engaged. The teaching was from the Bible and all about

Jesus. We interacted with the students and spent time answering their many questions on prayer and Mark's music. When asked if they would like to begin a relationship with Jesus all 40 students raised their hands and accepted Him as Lord and Savior. We also prayed for their needs physical and emotional. Many of the students had either lost a parent or were suffering from family problems. The manifestation of the Holy Spirit was tangible as many children openly cried during prayer. Many testified to feeling better after prayer.

We let the children know about the New Life Church that had recently been planted in Faridabad. Later in the evening we ministered at the New Life Church. It was a small church meeting, with about 65-70 people in attendance. 30 people accepted Jesus as Lord and Savior. Many were healed during prayer. 🌹

Outreach and Training Report - New Delhi, India

On April 12, 2012 we conducted a one day open air outreach and the next day a one day leadership training in New Delhi for the New Life Church. About 450 people attended the open air campaign. Approximately 150 prayed to receive Christ as Lord after a salvation message. Afterwards we prayed a mass prayer for healing. Many blind or partially blind were healed along with many other undeniable miracles. Since we held this one-day outreach, the church has grown significantly.

The next day we did a leadership training as reported on page 4. It was powerful! See Pastor Rajiv's testimony! After training, people laid hands on those needing healing. One lady who had been beaten up by her husband that week had her broken arm in a sling. After Robert Devens encouraged a young boy to pray over her, she was instantly healed. The young man was extremely excited to see God use him.

This young man was coming home from work when he heard our meeting going on and came in to see what was happening. He did not know what drew him there. He stayed and was healed of a serious heart condition and asthma - **New Delhi, India April 12, 2012.**

A Report from Paul Rapley

Paul Rapley joined us recently on our trip to India and Nepal. He recently graduated from **Bethel School**

of the Supernatural Ministry in Redding, California. After school he interned with **Kevin Dedmon**, author of the popular book **THE ULTIMATE TREASURE HUNT**. He was greatly anointed for activating people from any background in the healing ministry. Just like his ministry in the USA and Mexico he saw many miracles, healings, signs and wonders as he helped with ministry whenever called on in India and Nepal. I shared one of those powerful stories (see page 3 - 3 Key Leadership Conferences). Now in his words what he observed on this trip.

"Mark Anderson Ministries is doing a powerful work in India and Nepal! As I went on this trip to India with the Andersons, it was amazing what God did in northern India and Nepal. Our trip had three pastor's conferences in which these pastors were trained in ministering healing, in character, as well as with simply learning the Bible better – which is really a big need as well as these men can often be uneducated.

Perhaps the most fruitful part of the trip was the campaign in Nepal. It was amazing to see thousands of Hindus choose to put their faith in Jesus Christ. The blind were seeing, the deaf hearing, and crippled people began to walk. For

me this trip was a blessing to do ministry with Mark, but also to learn from him as he is training me to do the ministry he is doing overseas (much of the healing services and conferences I had done were in North America). While there, there were many things that I learned from him, perhaps one of the biggest takeaways I had from the campaign was to see how Mark does follow-up with the people.

Miracles will quickly attract a crowd in India and Nepal. All of us will agree that discipleship and further evangelism is vital for the region. So Mark had the campaign last until the day before their regular church day (in Nepal, this was Saturday instead of Sunday). Then, the last day of the campaign, after the pastors have been trained in ministering healing, Mark announced that the next day for miracles and to hear more about Jesus, that everyone should go to the local pastor's churches instead of to the campaign. This helps so that the fruit of what occurred is not lost!

Overall, this trip was an incredible trip to reach what is perhaps the largest population of unreached people on earth. Northern India has more than twice the population of America, but is a fraction of 1% saved. Your support of Mark is what made this vital ministry possible!"
