# Upcoming National Elections, Which Way Will America Go?

**PART I — By Mark R. Anderson**

If you care about this great country I pray you will read this and take it to heart. President Thomas Jefferson said “*all tyranny needs to gain foothold is for people of good conscience to remain silent.*” I want to share from my heart about the future of this great nation. It is in our hands, the free citizens of the USA. What will we do with it? *The heaven, even the heavens, are the LORD's; But the earth He has given to the children of men* (Psalms 115:16). We are to be good stewards of this earth. Even God Himself set it up that only mankind had authority on this earth to bring about good or bad.. That is why He had to be born on this earth to get back that authority lost in the beginning of time (Genesis 1:26-28). Don't be deceived or blame God if things are not going well in this country. It is mankind's fault and our responsibility to team up with the Holy Spirit to bring about good just as the ungodly team up with demons to bring about bad or evil. ***Do not be deceived, my beloved brethren. Every good gift and every perfect gift is from above, and comes down from the Father of lights, with whom there is no variation or shadow of turning*** (James 1:16-17). Do not be deceived, rape, incest, sex slave trade, excessive debt, racial division, murder, sickness, demonic torment is

not GOOD nor is it from our GOOD GOD. The problems in the country are not ordained by God, nor are they His will or His work. It is the work of mankind and or demons. Jesus was *manifested to destroy the works of the evil one* (See 1 John 3:8). So if that is the case WE HAVE A CHOICE IN THE MATTER WHERE THIS COUNTRY GOES, ESPECIALLY WITH THE PEOPLE WE PUT IN PUBLIC OFFICE.

## Four things to keep in Mind Regarding the Upcoming Elections in this Country

**1 - We need to search our hearts and to posture ourselves in humility.** (see Psalms 139:23-24).

2 Chronicles 7:14 says *“If My people who are called by My name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land.”* Notice the word IF at the beginning. If God's people humble themselves, things change. If God's people do not, things do not change. It has everything to do with what His followers do or don't do. Notice the first thing He tells us to do ‘humble ourselves’. He did not say if the unsaved, the witches, the homosexuals, the God haters, etc., humble themselves. He said IF HIS PEOPLE

HUMBLE THEMSELVES. Pretty big IF! Because if we do not, our prayers, our seeking His face, and turning from our wicked ways does not work out very well either. It starts in humility and needs to finish in humility. Then comes the healing of the land.

**2 - Pray!** Pray for our leaders (see 1 Timothy 2:1-5). Pray the right leaders are placed into office so we can live a quiet and peaceable life in all godliness.

**3 - Register to vote and vote!** You might say how is that so important? It is a God given right set up by the godly founders of this great country who shed their blood so we would have that right. Do not ever take it for granted or we will become like the countries whose citizens wish they had that right. In the 2008 election 30 million Evangelicals did NOT vote. Barack Obama won by 10 million votes.

If you did not vote you have no right at all to complain about the government. You got **exactly what you did not vote for, 'A Government of the people, for the people and by the people.'** Pastor Dietrich Bonhoeffer, a courageous Lutheran pastor executed by the Nazis during World war II because he did take a stand worded it very well. He said *"Silence in the face of evil is itself evil. God will not hold us guiltless. Not to speak is to speak and not act is to act."* Once again do not blame God. We have a choice in the matter of where this country goes! God says *"I call heaven and earth as witnesses today against you, that I have set before you*

*life and death, blessing and cursing; therefore choose life, that both you and your descendants may live."* (Deuteronomy 30:19).

Proverbs 14:34 says *"Righteousness exalts a nation, but sin is a reproach to any people."* Christian Historian David Barton ([Wallbuilders](#)) says that if a candidate chooses a pro-life stance (chooses life Deut 30:19) statistics show at least 95% of their voting record will line up with Biblical or Christian values. Vote pro-life and for righteousness (on moral issues). I never thought I would ask a question like this. When did God's view in the Bible change from defining a marriage as between one man and one woman? NEVER! Why is that even coming into question? Because Christians remain silent! They do not take a stand. President John Adams said *"Our Constitution was made only for a moral and religious people. It is wholly inadequate to the government of any other."* If that is the case we need to vote for true God fearing leaders who embrace righteousness, morality and pro-life beliefs.

**4 - Do your homework for the sake of the country and future generations.** If we do not stand for something we will fall for nothing. It is time to know what you stand for and why. Hosea 4:6 says *"My people are destroyed for lack of knowledge..."* I watched the Republican and Democratic conventions recently. I like what Former Congressman Artur Davis

– continued on page 4

– continued from page 3

(D) Alabama said. He spoke at the DNC in 2008 and at the RNC in 2012. He said listen to what a politician stands for and “*see if you hear your voice in what they say.*” Senator Marco Rubio (R-FL) said at the RNC “*Do we want our children to inherit our hopes and dreams or do we want them to inherit our problems.*” Ask yourself this question when you vote because our children will reap the fruit of our vote (or non-vote) good or bad.

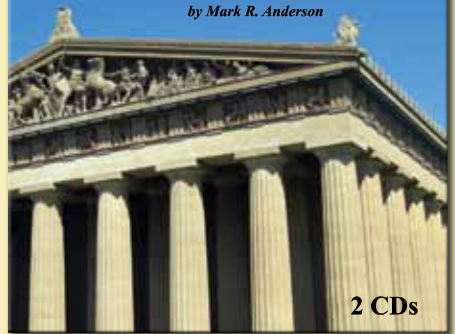

*A prudent man foresees evil and hides himself, But the **simple pass on and are punished*** (Proverbs 22:3). Not only are the simple minded punished but their children and children’s children will be punished. We and our children reap the harvest of what we sow good or bad in the voting booth. When it comes to the election is our faith in the government or in God? President Gerald Ford said “*A government big enough to give you everything you want is a government big enough to take from you everything you have.*” I have seen this all over the world as I travel to former communist countries. People wanted a quick fix for their problems and voted in someone who would bring more government control and handouts. But in the long run the people and their children suffered and ended up paying the price. They ended up living in misery because of this deception. That is what makes this USA unique in the way our founders set up this country with faith and dependence on God to

help them excel, with the giftings He placed in each individual. America is one place where if you were born into poor circumstances you can still rise above that and succeed in life with your God given potential. 🍎

## Latvia, Norway and Canada Report

*By Mark R. Anderson*

**W**e just finished an extremely busy summer of ministry. Prior to leaving for Norway and Latvia we ministered in Minnesota, Wyoming and South Dakota. We spent the last week of July ministering in Latvia. It turned out to be a very fruitful trip. Plans are in the making to return in 2013. Sharmila and I started by ministering in a church that meets in Rick Renner's church building in Riga. We saw many healings. A lady who suffered with breast cancer felt Jesus touch her in a powerful way. One man who fractured his foot after falling off a roof was healed. We also saw many with back and neck problems healed throughout the trip.

Sharmila and I also ministered in the main prisons in Riga to both the men and women on different days. About 5 men received Christ as Lord. One of the most powerful meetings we held was at the ladies prison. About 70 women attended. I played some music and then Sharmila shared a powerful message on the salvation Jesus purchased for these women. I could see the Holy Spirit had their attention while she spoke a very relevant message. After that she asked how many wanted to receive Christ approximately 65 ladies raised their hands to receive Christ. It was estimated by the prison chaplains that about 50 were first time salvations.

— continued on page 6

– continued from page 5

Afterwards we stayed around to pray for those wanting prayer. Many received prayer. One lady who was a repeat offender testified of being healed by Jesus. It was very moving experience ministering to these broken women. In Sharmila's words *"I was a little apprehensive initially at the thought of ministering to these hardened women. That feeling quickly subsided as I interacted with them. All the ladies I spoke to were broken, very remorseful of what they had done and desired to make things right with Jesus. They were eager to be hugged and appeared to tear up easily as I loved on them and just listened to them share their hearts. They were so many young and really beautiful women there!!!"*

On one of our days off we went into the countryside to meet Robert Vaitkus,

**This woman received healing of severe back problems during visit to her village - Latvia July 2012.**

**Anita - suffered with breast cancer and also had severe neck pain. After prayer was on fire. Her neck was instantly healed - Riga, Latvia July 29, 2012.**

part our prayer team while in Latvia. I met him at a conference in May in Redding, California. On our way there we stopped to take a break and walk up a hill in a vineyard to catch a glimpse of the village from the hillside. When we came back down we visited with the lady at the entrance. I felt led to ask if she needed healing in her body. She had severe back problems. We prayed over her and tears began to flow as she felt Jesus heal her body. Later that week while ministering in Riga we heard that a Tornado hit that village killing two people.

We also ministered in Riga at a Salvation Army Church during a feeding outreach, to many recovering addicts and alcoholics. Many testified of instant healings during the ministry time and about 30 received Christ.

We held an open-air meeting in **Engure**, by the seaside for the Lutheran Pastor, Raitus Evamois, who invited us to Latvia and hosted us. Three of his small churches participated along with people from other towns. About 15 people

Many hungry believers attended from various churches as we ministered on a Sunday afternoon at **Vineyard Church Oslo, Norway August 5, 2012.**

received Christ as Lord and a number of people were healed including a pastor who was partially blind in one eye.

Our last meeting was at God's River Church in Riga, which is closely tied to Pastor John Arnott. We saw the most healings during this closing meeting. Many were healed during mass prayer and then through laying on of hands. One of the last ladies we prayed over suffered with breast cancer and had a severely injured neck. She felt God's presence all over while her body was on fire. Her neck was instantly healed. In all we saw about 100 first time salvations.

After Latvia we traveled to Norway and ministered at the Vineyard Church in Oslo. I Shared on Humility, which was well received. We heard the next day a lady had brought a Muslim woman (who knew very little about Jesus) to the service. She had severe allergies, causing major digestive problems. She had been to the hospital a lot. After prayer Sharmila told her go test it out and she found she was completely healed. We also established some great ministry relationships. One couple (elders in the church) are part of the team that is

joining us in India this fall and one of the Vineyard pastors wants to join us in February in India and Nepal.

We were barely home and I took off to minister in Alberta, Canada. It was a powerful time of ministry in both Coronation and Medicine Hat as Jesus healed many people. I ran into a number of people who were part of a church I pioneered in Bow Island in 1984. I am making plans to return to Alberta soon for additional ministry. In all it turned out to be our busiest summer ever in ministry and a very fruitful summer. ●

**Bob Nieman** was severely injured in a car accident. Many broken bones and one leg much shorter than other leg. Jesus grew out his leg and his walk became much better. Each day it has been improving since receiving prayer in **Medicine Hat, Alberta, Canada August 21, 2012.**

# Upcoming National Elections, Which Way Will America Go? Traits to Look for in A Political Leader

**PART II — By Mark R. Anderson**

## 1 - Walks in Christ-like humility

and the bi-product of Christ-like humility boldness and courage. Keep in mind the early church had to make a choice to obey God or to obey man when it came to sharing Jesus Christ. They said *"We ought to obey God rather than men"* (Acts 5:29). When a leader lives his or her life for the Audience of ONE they do not care about how good they look politically to get more votes, but rather how they can impact the nation in the best way possible, to live a life of honor and be a person of godly character.

*Though the LORD is on high, Yet He regards the lowly; But the proud He knows from afar* (Psalms 138:6).

James 4:6 says *He resists the proud but give His grace to the humble*. The word resists in the Greek means HE RANGES IN BATTLE AGAINST THE PROUD. If God ranges in battle against the arrogant do you not think He endorses the truly humble (see Psalms 75:5-7)? President Ronald Reagan, a very humble, confident and bold leader, had this plaque on his desk. It read: *"There is no limit to what a man can do or where he can go if he doesn't mind who gets the credit."* Look at his success with this humble attitude. Ronald Reagan was not a president who led from behind,

apologizing for our country and at the same time was a humble and a gracious leader.

Does a leader always blame others or take responsibility for their own actions? Reagan had an attitude the buck stops here. If a leader always out of pride blames others you know **that person will never change**, because they are to be blinded by their own arrogance. Obadiah vs 3 says *The pride of your heart has DECEIVED YOU*. King Nebuchadnezzar's pride led him into great humiliation. After he humbled himself he was restored to his right mind. Here is his conclusion: *Now I, Nebuchadnezzar, praise and extol and honor the King of heaven, all of whose works are truth, and His ways justice. And those who walk in pride He is able to put down* (Daniel 4:37). Political and church leaders need to learn this important principle. Also keep in mind. Just because one starts out humble does not mean they will finish the race with humility. A humble leader is one who will listen to those he serves.

## 2 - Walks in integrity!

*The righteous man walks in his integrity; His children are blessed after him* (Proverbs 20:7).

People follow leaders. If a leader leads with integrity, like President Abraham Lincoln (honest Abe) then the masses will follow in their footsteps and be

blessed. They bring lasting changes that impact and bless generations to come.

### 3 - **Responsible Economic Leader**

Deuteronomy 28:12 tells us if we follow the Lord whole-heartedly *You shall lend to many nations, but you shall not borrow.* If as a nation we do not follow the Lord it is just the opposite. We will be in debt. Our country just reached \$16 trillion in debt. That is more debt than all of Europe put together. Printing more money is not the answer. We need leaders from both parties that will be financially disciplined, working to balance the budget and get our country's financial house in order. We need a government that lives within its means. Not one that tells the people to live within their means and does not itself. Otherwise this is a recipe for disaster, especially on future generations. President Abraham Lincoln said *"America will never be destroyed from the outside. If we falter and lose our freedoms, it will be because we destroyed ourselves."* How true today! With debt out of hand and division we will destroy ourselves if we do not change course.

We also need leaders who do not demonize success but encourage it, not just with words but actions. Psalms 35:27 says *"Let the LORD be magnified, who has pleasure in the prosperity of His servant."* If the Lord DELIGHTS IN OUR PROSPERITY shouldn't we have leaders who also delight in it? Proverbs 22:4 says *By humility and the fear of the LORD Are*

*riches and honor and life.* Our founders prospered and grew this nation by humility, reverence to God and hard work, not government handouts. President John F. Kennedy said *"ask not what your country can do for you but what you can do for your country."* It is time to roll up our sleeves and get to work.

### 4 - **Not a leader who enables people to continue living in poverty or on welfare, rather one who helps lift them up out of poverty.**

Some things have been set up by our political leaders to help people come out of welfare and poverty. On the other hand there have been programs

“There is no limit to what a man can do or where he can go if he doesn't mind who gets the credit.”

— President Ronald Reagan

and politicians that enable and control people to remain in their poverty and dependent on government and other's taxes to take care of them. At present over 46 million people are on food stamps (1 in 7 Americans). This is the most ever in the history of this country. The USDA came under fire recently for a program called **Hope Park** that encouraged more people to get on food stamps. I realize there

— continued on page 10

– continued from page 9

are people that need help but many do not and are taking advantage of the system at the expense (\$80 billion per year) of taking this nation down.

There is much talk today of social justice or redistribution of wealth. Many believers say that is what the early church did (see Acts 4:34-37). There is a major difference between the believers in the early church giving of their own free will verses

“America will never be destroyed from the outside. If we falter and lose our freedoms, it will be because we destroyed ourselves.”

— **President Abraham Lincoln**

the government forcing you to give. That is how countries many times progress (or regress) into communism where the state forces you to live a certain way. Giving always needs to be something that comes from the heart not because we are forced into giving (see 2 Cor. 9:6-8, Proverbs 22:9). America has always been the most generous country in the world. Americans give freely and willingly. The government does not have to force Americans to be generous.

**5 - A leader who treats all equally**

**regardless of race, gender, party affiliation or religious beliefs.** We need a leader who can work across party lines as we have so much division in politics today. I do not like seeing the class warfare that is going on in our nation's capitol. Since the 1990's division in politics has progressed and gotten the worse it has ever been in this day and age. Abraham Lincoln also said, quoting from Matthew 12:25 *“A nation divided against itself will not stand.”*

I am a strong believer of equal rights for all regardless of where a person is in life. I am not into giving selective groups special rights, unless it is our military, that lays it's life on the line for this nation. Galatians 2:6 says *God shows personal favoritism to no man.* At present half of our country pays no federal income tax. Is that equal rights?

We need to treat those who do not believe like we do equally. I am one like Jesus, who loves the sinner but hates the sin and the consequences of sin in a person's life (see John 8:1-11). To many times believers come across with arrogance, no patience or love for the ungodly. That is not the sign of a true leader who represents our humble, bold and courageous Lord (see Matthew 11:29). We need to separate the sin from the sinner to bring lasting change.

**6 - Don't expect a politician to be a pastor or evangelist with perfect theology.** That is not their job. That is the job of the 5 fold ministry gifts (Eph 4:11-13). I recently heard of an

evangelist getting people to commit to vote for Jesus in the upcoming presidential election because neither candidate was worth voting for in his opinion. I have news for you. Jesus is not coming down to earth to run for president. To vote for Jesus and neither candidate is a wasted vote and is like a half a vote for each candidate. It accomplishes nothing that will help impact this nation in a better way. Take a stand or fall for nothing. Our country has drifted very far from our founding principles of **'In God we trust.'** That does not mean we do nothing and throw in the towel and watch this nation go down the tube. Sometimes with some political leaders it comes down to voting for the lesser of two evils or which leader is the closest to Kingdom principles?

Which candidate has a true servants heart not by words to obtain votes but by action? Do they do their service to be seen by men or because of a genuine servants heart when nobody was watching long before they sought public office? (see Matthew 25:31-46). Politicians are our public servants, not for controlling us. That is why the founders set it up that if they are not doing their job we remove them and get someone in who will serve the people. That is how they are held accountable.

**7 - We need a leader who stands behind the Constitution and does not try to change it. The Constitution was written mostly by members of the Black Robe Regiment, ordained ministers.**

I am a member of the [Black Robe Regiment](#). They were bold, humble, courageous and full of wisdom. They gave us this republic. We need a leader who understands the 1st amendment which reads *"Congress shall make no law respecting an establishment of religion or **prohibiting the free exercise thereof.**"* Notice there are no words 'separation of church and state' in this amendment. It is not freedom from religion but the **freedom of religion to believe and worship any way you desire to.** That is what President Jefferson wrote about to the Danbury Baptists. There has been a great deception and

“Congress shall make no law respecting an establishment of religion or prohibiting the free exercise thereof.”

— U.S. Constitution

twisting of these words to bring about a separation of church and state in our country. There is no such thing as separation of church and state in our founding documents. It was a lie started in 1947 that has brought major problems to our shores because of liberal politicians and God haters who wanted government to be in control instead of God. For more on this check out an article I wrote in our

— continued on page 10

### Spring 2011 Good News Magazine.

Separation of church and state and freedom from religion has progressed so far in this nation that recently in the DNC platform two things were removed. GOD and JERSALEM AS ISRAEL'S CAPITOL. The president of an Atheists movement in the USA praised the DNC for removing these things from their platform. President Obama came under such great flack by black pastors who said they would not vote for him if that was his stance. Because of that, during the convention he asked for an amendment of the platform to include GOD and JERSALEM. It was

“A nation divided against itself will not stand.”

— Matthew 12:25

captured by some news stations when they took a vote on putting GOD and JERSALEM back in the DNC platform that the nays were as loud as the yeas. Mayor Antonio Villaraigosa had to ask for a vote 3 times to decide to amend this. It was a huge embarrassment that brought great division to reinstall GOD and JERSALEM back into the DNC platform. It is sad but this what our nation is turning to unless the righteous stand up and let their voice be heard especially on election day.

On October 7, 2012 there is a large movement to take back our pulpits and bring restoration to America. Pastors and leaders please check out [PULPIT FREEDOM SUNDAY 2012](#) to be active in taking our country back for Jesus Christ. It is time to take a stand like the [Black Robe Regiment](#) who gave us this great country and it's freedom.

I wrote a song more than 25 years ago about America and this day we live in the USA, entitled [LOOK WHERE YOU ARE #12](#). You can download it for free. Please check it out and pass it on.

8 - Last and very important: **A leader who stands behind our ally Israel, not by empty words (to gain votes) but by actions. This one is crucial.** Let me tell you why!

First of all Genesis 12:3 says *“I will bless those who bless you, and whoever curses you I will curse; and all peoples on earth will be blessed through you.”*

God never changed His mind on this one, contrary to any other theology out there. If we do not stand behind this trusted ally Israel, the USA will pay a great price. All you have to do is look at history to see this one. Israel can stand on it's own with God's intervention. They are a sign and wonder to the world and I do not have time to show you all the prophecies that have been fulfilled by Israel in these last days.

**I will fill you in on a prophecy that is about to take place soon.**

America better be on the right side of this one. There are many political

leaders, their advisors and many in the media that would love to see Israel destroyed. Many lies and/or facts have been covered up about Israel to point them out as aggressors. Do not buy into these lies. Most Palestinians welcome Israel and want to live in peace with Israel.

As a young minister I memorized Ezekiel 38- 39:16 because I felt very strongly in my lifetime I would see this prophecy unfold. Read and study this prophecy. It was given long before the time of Christ. With the recent Arab Spring and pressure on Israel from Iran building it's nuclear arsenal (despite meaningless sanctions) to 'wipe Israel off the map' things have been lining for this prophecy to be fulfilled. God says He will wipe out a huge invading army that moves in to wipe out Israel in the last days with great hailstones , fire and brimstone. As a result He will be magnified in the eyes of many nations (Ezekiel 38:22-23 KJV). Imagine being Ezekiel seeing these things in the last days, things he had never seen before. How would you describe them back then? They probably thought he was a little strange. Ezekiel 39:2 (KJV) says God will wipe out 5/6ths of this invading army. This is not the battle of Armageddon (Ezekiel 39:17-20 & Revelation 19:17-21) where all the wicked are wiped out. This is the Battle of Gog of Magog. I believe it will lead to the greatest awakening ever up to this time (see Joel 2:18-32 especially verse 20), which some say in turn could help usher in or

speed up the rapture of the church. Ezekiel 38:13 mentions nations who will stand neutral during this time wondering what is happening. This could be where the USA finds itself. Either way the USA must remain an ally of Israel and whatever leaders we elect we need to make sure they stand

 *God says He will wipe out a huge invading army that moves in to wipe out Israel in the last days with great hailstones , fire and brimstone.*

behind Israel so our country remains blessed by God.

If you have not registered to vote do so and then vote for righteousness on November 6, 2012. Make your voice for Jesus Christ be heard on election day. 🍎

# Karishma Girl's Home

*September 2012 Update by Sharmila Anderson*

**Karishma Girl's Home** is flourishing! Two more girls have come to the home from **Orissa**. We now have 12 girls from Orissa and a total of 17 girls. When we had about 12 girls we were sort of full... then when it went up to 15 we knew that we could not take any more children...but when the need is so great we have to make concessions. Now we have no more room on the first floor.

The house parents, **Robin and Shobha** work diligently taking care of all the children. **Pastor Hanok and his wife Nisha** invest a lot of time in the children, helping them in their studies and teaching them the Bible. The children are in good health and happy.

At this point we cannot accommodate anymore children unless the second floor is completed. They are quite cramped right now, but do not mind. In fact they are quite happy to live in such close proximity to each other.

The second floor has been enclosed. We now have to complete the interior. With construction prices soaring in India each time we are financially ready to begin construction the costs have gone up. We are trusting the Lord that He will provide the approximately \$20,000 required to

Sharmila with our girls from Karishma Girls Home - Agra, Uttar Pradesh, India.

complete the second floor.

Heartfelt thanks to all of you who have helped make this outreach a possibility over the years. Great is your reward for caring for the 'least of these' They may have been forsaken by their own, but never abandoned by the Lord.
