# Experiencing Jesus!

By Mark R. Anderson

**This is a continuation of the article “How Big is Your Jesus” that appeared in the summer issue of our Goodnews Magazine.**

**W**ould you like to experience Jesus in a much more powerful and meaningful way? This message was triggered by what Sharmila and I experienced during our recent trip to **Moradabad, India.** During the campaign many people who were healed testified of either seeing, hearing or being touched by Jesus. Never before have so many people testified of

**Gungun** (small child) - had a hole in her heart. Felt a hand touch her and felt lightness.

seeing, hearing or feeling Jesus touch them in our campaigns. Some felt His hand caress them, others experienced a current flow through their body, falling to the ground healed or changed.

## A Fresh Touch From Christ

This is an exciting time to be living and serving Christ. Those who choose to be hungry, passionate, humble and pliable will experience Jesus as He shows Himself in greater ways to reap the end time harvest of souls. This will all come by His grace alone. We cannot work it up or earn it. James 4:6 tells us who gets the grace, *“But He gives MORE GRACE. Therefore he says: God resists the proud, but gives GRACE TO HE HUMBLE.”* The more we understand humility, that it is not about us or our accomplishments, but it’s ALL ABOUT JESUS AND HOW BIG HE CAN BE IN OUR LIVES, the more we will experience Jesus in our personal affairs and ministry. Psalm 138:6 says *though the LORD is on high, yet He regards the lowly; But the proud He knows from*

*afar.* One way we draw near to the living Christ is with humility (see James 4:6-8).

Notice what Jesus says in regard to **experiencing Him** in Matthew 11:28-30 *“Come to Me, all you who labor and are heavy laden, and I will give you rest. Take My yoke upon you and learn from Me, for I am gentle and lowly in heart, and you will find rest for your souls. For My yoke is easy and My burden is light.”* Sharmila and I cried out to experience the living Christ as we were preparing for our campaign in India. We realized that we were at a standstill in ministry and desired a greater measure of His manifested presence in our lives and ministry. We all need to recognize the times of spiritual stagnation in our lives and ask God for a fresh and greater **experience with Christ**, if we are

**Preety** - had pain in eyes and family problems. Lord spoke to her **“all your problems are gone.”**

to see greater miracles along with signs and wonders.

In the above verse Jesus invites all those who are **heavy laden** (Greek: overburdened with religious ceremony) to come unto Him. Our walk with the Lord can many times become that way. All we are doing each day is going through our religious ceremonies. We need a fresh touch from a living and active Christ. It will bring rest and success in life and ministry.

In verse 29 Jesus encourages us to take HIS YOKE (Greek: obligation) upon ourselves. What is that obligation? It is to learn from or to experience

HIM. What will we experience or learn from Him? His life and nature: **lowliness and humility.** Humility is recognizing everyday in and of ourselves we don't have **IT**; but HE DOES and we can tap into His joy, peace, love, faith, life and so much more, by placing our dependence on Him. Jesus says in John 15:5, **“apart from Me you can do nothing.”** That is why John the Baptist, said, **“He must increase, but I must decrease”**, when he saw Jesus.

The more our lives are centered on Jesus, the more we will experience the living Christ in our midst. It is not about chasing or seeking **“IT”**: a feeling, manifestation or personal recognition. It is all in chasing and seeking after HIM.

**Vandana** - Jesus appeared to her saying **“you will be OK.”** She had suffered with asthma and epilepsy.

Jesus said in Matthew 6:33 **But seek first the kingdom of God and**

**“The more our lives are centered on Jesus, the more we will experience the living Christ in our midst.”**

**His righteousness, and all these things shall be added to you.** The feelings, manifestations, blessings and honor will come when we decrease and allow the nature of Jesus Christ to come forth in us. Proverbs 22:4 says **By humility and the fear of the LORD Are riches and honor and life. The fear of the Lord is reverence for His presence.** Is there a reverence, hunger and awe for His presence in your life?

### **True Transformation**

Many Christians desire to be used by God and want to experience His presence in a greater way, but instead have

- continued on pg. 4

**Experiencing Jesus**  
- continued from pg. 3

learned to cope and barely make it. This is not God's desire. They would love to see their circumstances changed. Romans 12:2 says, *"and do not be conformed (Greek: fashioned after or patterned after) this world, but be **TRANSFORMED** (Greek: change or metamorphosis) **BY THE RENEWING OF YOUR MIND**, that you may prove what is that good and acceptable and perfect will of God."*

One reason many have learned to cope and barely make it in life

**Neelam** - Suffered with Jaundice (swollen liver) and was bedridden. Jesus appeared to her and caressed her while in bed telling her to go the campaign to be healed! Testifies of her healing!

**Vimla** - Head had not healed after a brain operation. There was a gap in her head and a bone was out of place. She felt the presence of the Lord; was completely healed. Could hit her head with no pain.

has been because they do not understand true transformation. True transformation does not come by merely studying God's word and religious works. It comes by renewing your mind to God's word, knowing who you are in Christ, by acting upon His word and experiencing HIS word firsthand.

Much of the New Testament from Romans onwards talks about the resurrected Christ in you and what you can accomplish with Christ active and alive in you. He is the living word of God. John 1:1-4,14 says, *In the beginning was the Word, and the Word was with God, and **the Word***

*was God. He was in the beginning with God. All things were made through Him, and without Him nothing was made that was made. **In Him was life**, and the life was the light of men...And **the Word became flesh and dwelt among us, and we beheld His glory, the glory as of the only begotten of the Father, full of grace and truth.***

To experience Jesus we need to hunger for Him and His word. We need to put His words into action in order to experience His power that can change our life and the lives of those around us. Jesus said in John 8:31-32, *"If you **abide** (Greek: continue or reside in) **MY WORD** you are my disciples indeed.*

**“ It comes by renewing your mind to God's word, knowing who you are in Christ, by acting upon His word and experiencing HIS word firsthand. ”**

# “Which form of truth are you adhering to, the natural truth, or spiritual truth (God’s word) that has the power to make you free?”

*And you shall know the truth and the truth shall make you free.”* His word is truth. (see John 17:17) To continue in God’s word means we have to **DO IT** and when we do it we can experience HIM (Jesus) transforming our circumstances. The facts or truth in the natural

**Victor** - Was very sick, unable to walk, had family problems and was depressed. He believed he would be healed at the campaign. His family mocked him for wanting to go and would not take him to campaign. Jesus healed him of everything.

might say, ‘you are too broke’ or ‘you’ve been sick too long and you’ll always be sick’, or ‘you are a failure, you won’t make it’: but the truth: God’s living word says He will meet all your needs, by His stripes you were healed 2,000 years ago, you can do all things through Christ who strengthens you. Reading, meditating and **doing His word** leads to true transformation and experiencing Jesus in our midst. Which form of truth are you adhering to, the natural truth, or spiritual truth (God’s word) that has the power to make you free?

Joshua 1:8 says *This Book of the Law shall not depart from your mouth, but you shall meditate in it day and night, that you may **observe to do** according to all that is written in it. For then you will make your way **prosperous**, and then you will have **good success**.* Notice the prosperity and good success come only when we **“DO IT”** not just talk about it or read it.

Psalms 1:3 *He shall be like a tree planted by the rivers of water, that brings forth its fruit in its season, whose leaf also shall not wither; And **whatever he does shall prosper**.*

**Rajendra Prasad** - Had 3 broken bones in arm! Healed by Jesus!

Notice once again whatever **HE DOES** will prosper. We have to do His word to experience Christ and His word transforming our everyday circumstances.

James 1:22-25 *But be **doers of the word**, and not hearers only, **deceiving yourselves**. For if anyone is a hearer of the word and not a doer, he is like a man observing his natural face in a mirror; for he observes himself, goes away, and immediately forgets what kind of man he was. But he who looks into the perfect law of liberty and continues in it, and is not a forgetful hearer but a **doer of the work**, **this one will be blessed in what he does**.* If all we do is read God’s word and listen to teachings,

- continued on pg. 6

**Prabha** - Came to the stage in tears! Was blind! Saw a bright light and her eyes were opened!

but don't put them into practice, then our walk with Christ will stagnate. Verse 22 says you deceive yourself. When we deceive ourselves we are deceiving our hearts, which leads to apathy and hardness of heart

“**Many Christians know about Jesus and His word, but are not really knowing or experiencing Jesus personally for themselves.**”

to the Gospel. Soon our senses are dulled and we no longer hear God's rhema (spoken) word for our circumstances.

“Christ in you” desires to become active, alive and so much more real to you. He wants to transform you into His very image and let you be a partaker of His nature (see 2 Corinthians 3:18). *By which have been given to us **exceedingly great and precious promises, that through these you may be partakers of the divine nature, having escaped the corruption that is in the world through lust*** (2 Peter 1:4).

Just filling ourselves with God's word, but not putting it into action can lead to pride and spiritual dryness that has no power to change the spiritual atmosphere around us. It is one thing to know about Jesus and His words, quite another to experience Him and His word. Many Christians know about Jesus and His word, but are not really knowing or experiencing Jesus personally for themselves. 1Corinthians 8:1 says, *“Knowledge **PUFFS UP, but love edifies*** (Greek: builds up). In Christian circles many

have become content attending conferences and hearing God's word but not doing it! All that does is puff one up with knowledge, but does not transform us. We need to go from head knowledge of God's word to practical experience of it on a regular basis.

Begin hungering for Jesus' manifested presence. Then allow His word to stir and transform your life and those you come into contact with. The less the focus is on you and the more it is on Christ in you and His word, the greater your experience of Jesus. 🍌

**12 year old Vineet** - Had pain in lungs! Holy Spirit touched him and Jesus said *“son you are healed, go up and testify!”* He immediately came and started boldly testifying what Jesus had done.

# Hindus and Muslims See and Hear Jesus!

By *Sharmila Anderson*

**M**any times I find it extremely difficult to express in words the power, compassion and mercy of Jesus Christ. Our outreach in **Moradabad, India** was one such time. I will try my best to describe what happened there as Jesus tangibly revealed Himself to many Hindus and Muslims.

Prior to our departure for this outreach Mark had mentioned that he sensed that this trip would be a turning point for the ministry in India, that something powerful was about to break forth!

We conducted a 5-day city wide, open-air

campaign in Moradabad October 23rd- 27th. During this period approximately 11,500 people decided to become Jesus' followers, by surrendering to His Lordship, and many hundreds were healed of all kinds of ailments. Most of the people who testified of being healed said they either audibly heard Jesus' voice, or saw a vision of Him, or saw angels. One gentleman said he saw thousands of angels all over the campaign grounds.

From the first night we knew that the Holy Spirit was pouring Himself out on hungry Hindus

and Muslims, as many testified of being healed. Most did not get the opportunity to testify of their healing as it was getting very late and the meeting had to be closed down. By the final night, over 9,000 people had gathered, hungry to hear the Word of God. Mark shared that both the Koran and Rig Veda clearly mention Jesus Christ.

On the first night

testified that during prayer for healing he told Jesus “if you are real I want to experience you.” Immediately he felt warmth in his body followed by coolness, and then a strong current went through him, after which he was fell to the ground. He arose knowing that Jesus was the true God and decided to follow Him.

**Momine**, a young Muslim boy had no blood circulation on one side of his face, as a result of which he could not blink his eye.

The Lord touched him and he was able to blink his eye and speak clearly.

**Vandana** sat alone at the far end of the grounds. She suffered with seizures and asthma. During the mass prayer, Jesus appeared to her and told her that she was healed. **Sunil Massih** saw Jesus in the midst of the crowd along with thousands of angels. He said that one of the angels touched him.

**Vineet Kumar**, 12 years old, suffered with severe pain in his lungs. He testified that something touched him and he heard an audible voice say to him, “*son you are healed! Go up and testify.*” This young boy was extremely charged. He began to boldly praise Jesus in front of the huge crowd.

These are just a few of the healings that occurred. The blind saw, the deaf heard, cripples danced for joy, tumors dissolved, the demonized were set free, and individuals on their death beds were healed. **THE POWER OF GOD WAS PRESENT TO HEAL.** Many people testified that they literally **felt a presence reach into their bodies and pull the sickness out of them.**

The news of the campaign spread to surrounding towns and by the final night people had come from great distances to receive healing from Christ. The local television station covered the campaign, which was good publicity for us. Articles about the campaign, Jesus healing people and Mark’s message appeared in newspapers too. We

heard that the people of Moradabad were happy in the non-offensive way we presented Jesus Christ.

We have heard that on the Sunday after the campaign every church added at least 5-6 new families. Healing testimonies continue to flow in. The pastors are determined to disciple all the souls harvested during this campaign. Please pray for them as they begin to follow up on all those who filled out decision cards. We are purchasing New Testaments for all those who came to Christ. People in Moradabad are saying that THE TRUE GOD REALLY VISITED THEIR TOWN AND HAS SHAKEN IT!

During the campaign one young man was

so convicted of his sin and the importance of following Jesus that he went to the government to obtain permission to be baptized. (In India one needs the government's permission to be baptized as a Christian, if converting from another religion).

We also ministered in three schools doing concerts and gave a short teaching while in Moradabad. This was well-received by the students in all schools.

We also ministered in a special healing service and youth concert for the New Life Churches in Gurgoan, a suburb of New Delhi. Many turned to Christ and many testified of being healed by Him. Even after we left, the miracles continued. Now the churches want to sponsor us to do large multi-church campaigns and conferences in the Delhi area.

My mother (Renuka Frank) has said we have enough invitations in India now to keep us busy for the next ten years. As a result we are soon taking on another fulltime campaign coordinator (from India) in 2008 so we can do more in

India. This will also help with coordinating other campaigns for those evangelists we are training and/ or working with.

Thank you so much for standing with us financially and prayerfully. For every \$1 invested in this outreach we had one soul come to Christ. Thank you for sending us to this needy area. John 21:25 *And there are also many other things that Jesus did, which if they were written one by one, I suppose that even the world itself could not contain the books that would be written. Amen.* 🙏

# Aligning Our Ministry with World Shakers

**S**harmila and I have been looking for the right ministries or organization to network with over the years. We realize that with whom we network can have a great impact in our life and ministry, especially if it is a God ordained relationship. We did not want to be part of something that is regressing but something that is progressing in the move

of God. We have aligned ourselves with **Randy Clark, Bill Johnson** and **Peter Youngren** for the following reasons.

This past summer my former pastor, **J.R. Polhemus** from **The Rock** church in Castle Rock, Colorado invited me to a conference they were hosting with Bill Johnson and Randy Clark. I was in need of a good faith building conference to be

recharged. It had been a while since I had attended a good conference. I was really blessed by the ministry of these two humble men of God who are world shakers and are really down to earth in their approach of shaking this world for Christ. That week the messages really hit home. I witnessed over 1,000 healings take place during the conference along with many other signs and

wonders, as the people there were simply hungry for a closer walk with Jesus.

One of the things Randy Clark mentioned at the conference was that

the greatest miracles he has ever witnessed in his ministry did not take place when he was praying for an individual; they took place with those he prayed over and imparted to. I could see that clearly. I have never witnessed so many healings in North America in a meeting as I did that week. I have seen the effect on those Randy Clark has prayed over; people like **Heidi Baker**

and Evangelist **Lief Hetland**

to mention a couple. A once burned-out missionary Hiedi Baker has gone on to plant 1,000's of churches in Africa since then and seen people raised from the dead in her ministry.

Another relationship that Sharmila and I have greatly benefited from is the ministry of **Evangelist/Pastor Peter Youngren**. Peter has been a friend for many years and had a great influence on our ministry. Peter has led many millions to Jesus Christ over the years. What has really drawn us to be

in relationship with him is the revelation of Jesus and grace that God has imparted to Peter. We know we are greatly benefited from this teaching and revelation he is sharing (and walking in) with the Body of Christ. We look forward to upcoming years of partnering with Peter Youngren, another one of those shaking this world for Jesus Christ. He also understands it is not about him and his

of the **Apostolic Network of Global Awakening**. What drew us to joining Randy Clark's network was the humility I saw in this man of God. We have longed to be part of a network that walks in the humility of Jesus Christ and we thank God for this network that we can be a part of and have fellowship with. God had been preparing us for years to join a network like this.

ministry; it's all about Jesus.

I believe our recent ministry time in India and the turning point we witnessed there is a result of aligning with Randy Clark, Peter Youngren, and Bill Johnson's ministry and receiving an impartation from Randy. Sharmila and I have become a part

# Presenting the Good News of Jesus: Key to Experiencing Christ!

By Mark R. Anderson

**M**any wonder what is the key in the New Testament to experiencing Jesus Christ. All we have to do is look at the early church to find that answer. Paul said in Romans 1:16 *For I am not ashamed of the **gospel of Christ**, for it is the **power of God to salvation** for everyone who believes, for the Jew first and also for the Greek.* The Greek word for salvation means **forgiveness, healing, deliverance, protection, prosperity** and much more. If irrespective of the circumstances we keep presenting the Gospel

(Good News) of Jesus Christ it will be the Power of God in our midst to experience whatever is needed. Paul also said in 1 Thessalonians 2:2 *But even after we had suffered before and were spitefully treated at Philippi, as you know, we were **bold in our God to speak to you the gospel of God in much conflict.*** Nothing can prevent Jesus from manifesting His power in our midst unless we cease presenting the Gospel or good news of Jesus Christ. Isaiah knew what he was talking about. *I have set watchmen on your walls, O Jerusalem; They shall **never hold their peace** day or night. You who **make mention of the LORD, do not keep silent*** (Isaiah 62:6).

While in India the Lord spoke to me about sharing on successful spiritual warfare from our position IN CHRIST that produces lasting results. We put this into practice whenever we travel to India. Overemphasis on spiritual warfare

**Shankar** - Felt a hand pull the sickness out of his body.

and demons can lead to weariness and keep us from seeing Christ in our midst. It is not about the enemy and what he can do, it is all about Jesus and what He accomplished 2,000 years ago at Calvary. Jesus did say though in Mark 3:27 *No one can enter a strong man's house and plunder his goods, unless he first binds the strong man. And then he will plunder his house.* He also mentioned in Matthew 16:19 *And I will give you **the keys of the kingdom** of heaven, and whatever you bind on earth will be bound in heaven, and whatever you loose on earth will be loosed in heaven.* Binding and loosing

**Reshab** - Hears and speaks for the first time in his life after healed by Christ.

**Arvind Kumar** - Was deaf!

opens his ears!

is a scriptural way to change the spiritual atmosphere. Some believe that we need to bind and focus on the enemy (demon) over an area, while others just ignore the enemy. Both these ways can lead to ineffectiveness in kingdom work for Christ. 2 Corinthians 2:11 says *lest Satan should take advantage of us; for we are not ignorant of his devices*. On one hand we are not to be ignorant of demonic devices and schemes. What is the key to effective spiritual warfare and advancing God's Kingdom? Just take a look at the early church and we will find the key. They did not focus much on the demons over a particular area nor did they ignore the demonic realm. Paul said in 2 Thessalonians

2:18 *Therefore we wanted to come to you—even I, Paul, time and again—but Satan (demons) hindered us.*

Where is the balance? Where is the key to advancing the kingdom of God on this earth? It is in presenting Jesus and His Gospel (Good News). If the Gospel goes forth it is the power of God unto salvation and strongholds will be broken. I believe in using authority over demonic forces in an area. I would say about 1% to 2% of my prayer time is focused on taking authority over the enemy. The remaining 98% of my prayer time is focused on Jesus, worship to Him, His power, complete victory over every demonic power, and praying that His Gospel (Good News) will go forth in an area.

### **Paul's advice in combating demonic powers**

Ephesians 6:10-20 gives effective direction on spiritual warfare and how to advance the

kingdom of God *Finally, my brethren, be strong in the Lord and in the power of His might. Put on the whole armor of God, that you may be able to stand against the wiles (Greek: lies and strategies) of the devil. For we do not wrestle against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this age, against spiritual hosts of wickedness in the heavenly places. Therefore take up the whole armor of God, that you may be able to withstand in the evil day, and having done all, to stand. Stand therefore, having girded your waist with truth, having put on the breastplate of*

**Guddi** - Had a blind eye and tumor on elbow! Healed by Jesus!

*righteousness, and having shod your feet with the preparation of the gospel of peace; above all, taking the shield of*

- continued on pg. 14

*faith with which you will be able to **quench all the fiery darts of the wicked one.** And take the helmet of **salvation**, and the sword of the Spirit, which is the **word of God**; **praying** always with all prayer and supplication **in the Spirit**, being watchful to this end with all perseverance and supplication for all the saints and for me, that **utterance may be given to me**, that I may open my mouth boldly to **make known the mystery of the gospel**, for which I am an ambassador in chains; that in it **I may speak boldly**, as I ought to speak.* First our strength needs to come by our position IN CHRIST. Putting on the armor of God is simply putting on what we have IN

**Mrs. Kaddy** - Suffered with cataracts, diabetes and was crippled. Healed by Jesus!

CHRIST and what He can do through you and me. Notice our weapons in verse 14-17. These have been given to us as Jesus won the victory 2,000 years ago.

I am to stand in Him, walking in the victory. He already won the battle. Colossians 2:15 says *Having **disarmed principalities and powers**, He made a **public spectacle** of them, triumphing over them in it.* We just enforce the enemy's defeat.

Verse 12 talks about the enemy we are fighting. We cannot ignore demons. However notice it says nothing about binding demons. Paul tells us to stand against his lies, strategies and methods. We do that by applying the truth of God's word. It wins each time. In verse 18 & 19 Paul talks about prayer in the spirit and that **UTTERANCE WOULD BE GIVEN**. Given for what? That he could boldly open his mouth to present one thing: to **make known** the mystery of **the Gospel**, good news of Jesus Christ, which

**Alice** - Blind and body racked with pain! Healed by Jesus!

is the power of God to Salvation. Whenever the Gospel goes forth in power, it is because of the manifested presence of Jesus. When the Gospel goes forth demonic strongholds come down. That is why my focus is not on demonic forces and what they are doing. My focus is Jesus and what He has already done 2,000 years ago. This is how one experiences Jesus, and cities like Moradabad, India are shaken for Christ.

When the early church experienced setbacks, they did not spend more time binding the demons. Rather they increased their focus on Jesus, what He accomplished and who they were in Christ. After being beaten for their faith, and told to cease talking about Jesus, look at their response in Acts 5:40-42 *And they agreed with him, and when they*

**Ganbahadur** - Was paralyzed! Now dances for joy after Jesus healed him!

*had called for the apostles and beaten them, they **commanded that they should not speak in the name of Jesus**, and let them go. So they departed from the presence of the council, rejoicing that they were counted worthy to suffer shame for His name. And **daily** in the temple, and in every house, they **did not cease teaching and preaching Jesus as the Christ**. Read Acts 4,5 and 16. You will see how the early church furthered the Gospel in spite of tremendous opposition. They just kept speaking of the Good News of Jesus.*

Jesus tells us in Matthew 16:19 *And I will give you **the keys of the kingdom of heaven, and whatever you bind** (Greek: forbid) on earth will be **bound** in heaven, and whatever you **loose** (Greek: allow) on earth will be **loosed** in heaven. This is the*

key to unlocking the kingdom of heaven. It has **more to do with loosing and allowing** then it does with binding and forbidding. In the original Greek it refers to a principle called '**mirror imaging**'. In other words, reflecting heaven on earth. There are things we can do from our position of being IN CHRIST that affect and can literally change the spiritual atmosphere on earth. Ephesians 2:6 says God *raised us up together, and made us sit together in the heavenly places IN CHRIST JESUS*. Why not do spiritual warfare from our position of being in Christ? Notice Ephesians 1:22 *And He put **all things under His feet**, and gave Him to*

are under Christ's feet and I am seated with Him then all things are under my feet as well. If I am operating from my position in Christ with the enemy under my feet I do not give demons a whole lot of attention. I do not ignore them but they are not my focus as they have been defeated. My focus is Jesus Christ, what He accomplished and proclaiming the gospel of Jesus Christ. Operating from this perspective literally brings Christ's manifested presence in our midst, which is reflecting heaven on earth. Thus we experience Jesus Christ just like the early church did in the book of Acts! 🌟
