## **Ghaziabad, Uttar Pradesh, India Campaign - November 1-5, 2011**

***“Please do not stop telling people about Jesus. Go all over and tell people about Him.”***

**T**his urgent plea was given to us by **Ram Pyari**, a 65-70 year old women who attended the campaign in **Ghaziabad**. Standing on the stage she boldly took the microphone from Mark and testified in front of thousands, *“I have just heard about Jesus. What a lovely name! He has healed my body and I am experiencing such peace and joy. **I wonder what my life and the life of my children would have been like if I had heard about Him earlier.**”* In one sense these are chilling words to hear. Are we doing enough to reach out to the unreached? **Will we reach them before it’s eternally too late?** We can always do more and our desire is to do more.....!

**Ram Pyari - Testifies of her healing. Urges us to tell everyone about Jesus - Ghaziabad November 4, 2011.**

However as we consider the fruit of this outreach and the number of lives that were touched, healed and changed Mark and I know that we are exactly where God desires us to be at this time and also that our heart in reaching out to the remote areas is on target.

Ghaziabad, Uttar Pradesh, India campaign November 5, 2011.

**Shivam** - Born cripple! So happy to walk for the first time in his life right after Jesus heals him - **Ghaziabad November 1, 2011.**

Upon arrival in Ghaziabad we learned that this city is a major crime capital in India. For this reason the advertising for the campaign was very low key. Mark and I have discovered that we don't really need any major advertising. Once Jesus arrives on the scene, begins to perform miracles the word spreads like wild fire and people attend from all over. The spiritual condition of the area does not stop Him. This is exactly what happened in Ghaziabad November 1-5, 2011. We truly experienced an open heaven.

On the first night an 11-year-old boy, **Shivam** who was crippled from birth walked for the first time in his life. Yeah Jesus! This set the atmosphere for the miraculous. **Bala** a 50-year-old lady suffered with severe pain as her uterus has shifted and was protruding out of her body. She could not sit and had great difficulty in going to the toilet. She had suffered with this for a very long time. Being a poor woman she could not afford medical treatment. During mass prayer she felt an invisible hand push her uterus back in place. After testifying she

remained on the stage. We continued to interview other people of their healings. I noticed Bala raise her hands and begin to worship Jesus with tears streaming down her cheek; pretty soon she was speaking in tongues. A few minutes later Mark shouts out that he could understand her as she was speaking in English. There is no way this illiterate villager could speak in English. It was the Holy Spirit all over her. She was praising and thanking Jesus in English.

Every night several testified that they received instant healings as they either saw angels, lightening, felt electric currents or felt an invisible hand touch them. **Riya** a 12 year old girl testified in tears that she heard the audible voice of Jesus tell her that one day she would preach the Gospel to multitudes like Mark.

**Monica** testified on the final night of the campaign of the healing she received the night before. She had a huge cyst in her stomach. During mass prayer she began to bleed severely. She thought she was going die. Later at

home as she changed her blood soaked clothes she found the cyst in her undergarments. She felt wonderful the next day and testified of her miracle.

The list of people who found freedom from demonic torment, healed of cancers, asthma, epilepsy, polio, deafness, blindness goes on and on... Jesus is truly unstoppable!

We estimate that approximately 6,000 people made a first time decision for Jesus in Ghaziabad. We have been in touch with pastors from Ghaziabad

**Tajveer Singh** - had bone cancer 8 years. Healed by Jesus! - **Ghaziabad November 4, 2011.**

who have been telling us that almost every participating church has grown after the campaign. Our main contact, Pastor Das says that a stronghold has been broken in Ghaziabad as a result of this outreach and people are flocking into the Kingdom. We also learned that prominent businessmen and leading pastors in Delhi (about 50kms away) heard about and were discussing the miracles that were occurring in Ghaziabad in Delhi. Mark mentions ever since 2007, when he was prayed for by **Randy Clark** for impartation, the anointing for miracles, signs and wonders continues to increase.

As our custom during the day we conducted a Leadsip Training Seminar and ministered to the youth also. It was well received. **Robert Devens** taught a session each day in both of our conferences. The presence of God was very strong during his ministry time. Many pastors and leaders indicated that their lives have been radically changed by the teachings and from the ministry during the entire conference. 🍎

This man was in a severe motorcycle accident. He could only lift 5 lbs. Healed by Jesus! Lifts his son - **Ghaziabad November 3, 2011.**

**Many either saw Jesus, heard His audible voice, felt an invisible hand put body parts back into place, saw light or lightning flashes and were instantly healed in the Ghaziabad, Uttar Pradesh, India campaign November 1-5, 2011.**

**Saroj** - saw bright lightning in sky. Knee healed!

Felt an electric current and was healed.

Saw light and Jesus. Knees healed!

**Riya** (left) - Heard the audible voice of Jesus - Ghaziabad November 3, 2011.

**Usha** - Felt hand heal her heart, BP and severe headache.

**Bala** - Illiterate village woman! Overcome with tears after she felt an invisible hand during mass prayer put her uterus back into place in body. Afterwards while standing on the stage she was baptized in the Holy Spirit and began speaking tongues in English - Ghaziabad, Uttar Pradesh, India November 2, 2011.

## Overcoming the Negative Influence of Greek Philosophy On Western Christianity

The following is excerpts from Chapter 2 in Mark's new book **Overcoming Roadblocks to Healing**. To be released January 2012 by Global Awakening.

### The Natural / Spiritual Division

**W**hy do many struggle with divine healings and miracles in North America? Part of the reason is much of Christianity in the West has been influenced by Greek philosophy and gnosticism in one form or another. One example was Augustine (a great man of God), who had a major influence in the Roman Catholic Church and European Government during the middle

ages. He was greatly influenced by Greek philosophy before coming to Christ. When he came to Christ he mingled Greek philosophy with his understanding of the Scriptures. His teachings are laced with overtones of Greek philosophy as he was trained in Neoplatonism, which was a reworking of Platos ideas. His teachings greatly influenced other leaders such as Martin Luther (Lutheran Church) and John Calvin (Calvinism). These three great men alone have greatly

### Jaipur, Rajasthan, India Leadership Conference

On October 26-28, 2011 we had the opportunity of bringing 220 pastors, ministry leaders and Bible college students to Jaipur for leadership training. We worked closely with the Assembly of God Church and Bible School. This is the largest church in Rajasthan state. They have planted 40 churches in this very unreached state. The conference was well-received as the people attending had such a hunger for

more of Jesus. We heard there have already been tremendous testimonies of what the Lord has done through the teaching, time of impartation and healings that took place. Thanks to all who helped invest in putting on this strategic conference for such a needy area.

We look forward to working and serving more in the future with Pastor Rajnish Jacob and his many churches in Rajasthan. Pastor Rajnish Jacob sent us the following email *"Truly its a new beginning with the sharing of the good news with the unreached cities of North India. The Lord is confirming that He is in control and using you to perform signs wonders and miracles. I am hearing a lot of stories of miracles that took place in Gaziabad and in Jaipur... Keep preaching the Gospel to unreached people of North India."*

influenced western Christianity as we know it. They brought much good to Christianity but at the same time took Christianity off the course of the ancient Hebrew and early Christian worldview in some areas.

The Greek philosopher Plato taught that there was a distinct separation between the spirit world and the physical world. Most Jews during biblical times did not believe this way. In fact there is no separation between the spiritual and physical realm. Cultures not influenced by Plato's philosophy have a much easier time receiving miracles and healings from Jesus because to them there is no separation between the spiritual and physical world like we do in the West.

**When and Where Did Things Change In Christianity?**

During the Middle ages some church leaders took oaths of poverty and chastity because they believed and still believe today they had to separate the spiritual from the physical world. Some believed in asceticism or a form of gnosticism that said if it felt good it could not be of God. That is the reason for oaths of poverty, chastity (permanent abstinence from sex) and asceticism, a belief in physical suffering.

During the enlightenment era other gnostics or agnostics began primarily focusing on the physical world because they were turned off by "The Church or spiritual gnostics" who had focused only on the spiritual realm, basically said they were the ultimate truth and not to be questioned. They believed that God was so far away and that man could never get close to Him, or He did not exist hence just go ahead eat, drink and be merry. If it feels good do it!

Neither thought was balanced. **God is a God of balance both spiritually and naturally.** In creation God made it all good - spiritually and naturally or invisible and visible. For the early church and ancient Jews there was no separation of the spirit and physical realms. The early Jews were not like the Greeks who believed that only the spiritual was good. **Notice that influence in our Western Christianity! Many times as Christians who want to please God we draw a line and think only the spiritual is good.** If we are not focused on the spiritual we get easily condemned. That is not true with God!

Thomas Jefferson (to me a great president), was a Christian who was mostly in tune to mental reason and the physical realm. He was greatly influenced by both Christ as well as enlightenment thought. Though believing in God he greatly divided the natural and spiritual realm. He rewrote the New Testament taking out all the miraculous things out like the virgin birth and the resurrection of Jesus. He entitled the book ***The Life and Morals of Jesus of Nazareth***. I believed He loved Christ, but reduced the Bible to a book of morals only because of the influence of enlightenment thought and Greek Philosophy.

**Was Jesus or the Bible Into A Natural / Spiritual Division?**

Let's take a look at what Jesus and the Bible has to say about the natural/ spiritual division. We will see clearly through the scriptures the ancient Jews and Jesus did not divide these two realms but operated with both the spiritual and natural or

– continued on page 8

invisible and visible realms being fully integrated or as one. This is important to understand if you want to see heaven invade this earth with Christ's miracles, healings, signs and wonders. Here is my thoughts on the matter with what I see in the Bible and Jesus' life.

First off I want to say **I believe Jesus is perfect theology.** You can not have better theology than what He taught. Here is why I believe this. In John 14:9 Jesus said to him, *"Have I been with you so long, and yet you have not known Me, Philip? **He who has seen Me has seen the Father**; so how can you say, 'Show us the Father'?"* He also said in John 6:38 *For I have come down from heaven, not to do My own will, but **the will of Him who sent Me.*** Hebrews 1:3 says *who being the brightness of His glory and the **express image of His person**, and upholding all things by the word of His power...* John 1:14 says *And the Word became flesh and dwelt among us...* I do not think you can get better theology than Jesus, the Living Word made manifest. As followers of Christ we need to **filter all our theology through Jesus and what He accomplished at Calvary.** What did Jesus accomplish 2,000 years ago at the cross? It is important as believers to **live our lives on the right side of the cross.** What do I mean by this? Many Christians live their life as is if Jesus never went to the cross. A lot was accomplished on that cross of Calvary. We are living under a New Covenant, which is much better than any previous covenant because Jesus laid down His life and was raised from the dead.

Let's look at Jesus' worldview. He said in Matthew 16:19 *And I will give you the **keys of the kingdom of heaven**, and whatever you **bind** (Greek- forbid) on earth will be bound in heaven, and whatever you loose (Greek- allow) on earth will be loosed in heaven.* Notice Jesus said He will give us the Keys to the greatest Kingdom in the Universe. The Kingdom of Heaven! To understand this better let me quote from my book **YOU CAN TAP INTO CHRIST'S HEALING POWER published by Mark Anderson Ministries (c) 2004**, chapter 6 on **Setting the Spiritual Atmosphere for the Miraculous.**

*"Matthew 16:19, is based on the Greek concept of **mirror imaging**. This implies affecting the spiritual realm for success in the physical realm. Everything that happens in the physical realm, such as miracles or a move of the Holy Spirit came as a result of affecting the spiritual realm first. We need to affect the spiritual realm to see results in the physical realm. The Israelites understood this concept and were in tune to the spiritual realm. They knew that if they could affect the spiritual realm they would see great success in the physical realm. They thus called upon the living God with fasting and prayer to affect the spiritual and the natural realm as King Jehoshaphat did when the combined armies of Moab, Ammon and others besieged Judah and there appeared no way out for Judah (Ref. 2 Chronicles 20:1-30). They were greatly outnumbered!*

*After praying, fasting and affecting the spiritual realm God spoke through a prophet. 2 Chronicles 20:15, "**And he (the prophet Jahaziel) said, Listen, all you of Judah and you inhabitants of Jerusalem, and you, King Jehoshaphat! Thus says the Lord to you: Do not be***

*afraid nor dismayed because of this great multitude, for the battle is not yours, but God's."* King Jehoshaphat understood that God was going to deliver Judah from the vast enemy army and instead of sending soldiers out to face the enemy, he sent the praise and worship teams to worship God before the enemy. As they were praising God, the Lord sent ambushments against the enemy, and the enemy was defeated.

*In Isaiah 37:36, the Lord sent one angel who killed 185,000 Assyrians, once again protecting Judah from the enemy. King Hezekiah prayed to the Lord, affecting the spiritual realm, and saw the results in the physical realm. Many nominal Christians think angels are just fat little naked babies as portrayed on their glass stained windows. I guarantee you a fat little naked baby could not kill 185,000 people. Angels are powerful. Hebrews 1:14 says, "Are they not all ministering spirits sent forth to minister for those who will inherit salvation?" Angels move on our behalf when we affect the spiritual realm.*

*Jesus said in Luke 12:8-9 "Also I say unto you, whoever confesses Me before men, Him the Son of Man will confess before the angels of God. But He who denies Me before men will be denied before the angels of God."* When we are confessing Christ before men we are setting a spiritual force into motion. God's angels are going out to minister to the heirs of Salvation.

*The Babylonians understood and acted upon this principle of mirror imaging as well. The difference lay in the fact that they called upon evil powers for victory. They built a city and buried it underground. Then they built the replica of that city above the ground in order to call upon the powers of the underworld.*

*They affected the spiritual realm and as a result won great battles and conquered many in their time."*

What we are basically doing according to this principal of **mirror imagining** in Matthew 16:19 is **reflecting heaven onto the earth by not separating the spiritual and natural or invisible and visible realms**. With the keys Jesus gave us we can use our authority in the physical realm to affect the spiritual realm and thus see the manifestation of that in this physical realm. So as you can see for Jesus there was no separating these two realms. They are both one and fully integrated. That is why Jesus prayed in Matthew 6:10 *Your kingdom come. Your will be done On earth* (physical realm) *as it is in heaven* (spiritual realm). Is there any evil, sickness or torment in heaven? We are to reflect God's Kingdom here on planet Earth. Why would Jesus pray *your will be done* if like Augustine and Calvin believed everything good and bad that happens in life is God's will? It is clear there are many things happening on this earth that are not God's will. That is why Jesus came to do the will of the Father (see John 6:38) and destroy the works (will) of the Devil (see 1 John 3:8).

Paul said *For we walk by faith, not by sight* (2 Corinthians 5:7). Many in Christian circles are doing everything they can in the natural or physical realm to bring about the answers to their prayers. Their faith is totally dependent on what can be worked up in the natural realm, what they feel, see, hear, etc. Faith in God moves beyond this physical realm or what can be worked up in the physical realm

– continued on page 10

into affecting the spiritual realm and bringing the manifestation into the physical realm.

The Body of Christ as a whole has become very good at just coping, being overcome and barely making it by because of the influence of Greek Philosophy in our western form of Christianity. Much of Western Christianity is where the supernatural has been removed and reduced to what can be worked up in the natural realm because of the natural/ spiritual division. Many Western influenced Christians do not even realize **they are more influenced by Greek Philosophy than by the Bible.**

Hebrews 11:1-3 says *Now faith is the substance of things hoped for, the evidence of things not seen. For by it the elders obtained a good testimony. By faith we understand that the worlds were framed by the word of God, so that the things which are seen were not made of things which are visible.*

Faith is what can actually bring about something (physical) out of nothing (invisible). **Faith** activates the miracle working power of God the same way **fear** activates Satan's destructive power.

John 8:31-32 says *Then Jesus said to those Jews who believed Him, "If you abide (Greek- continue) in My word, you are My disciples indeed. And you shall know the truth, and the truth shall make you free.* It is one thing to know scriptures like many Christians do and quite another thing to continue in the Word, know and experience the Word working in your life. Many

Christians know the truth of God's Word but are still bound. What is the difference here? Mental ascent to the Word of God will not cut it. First off all the Bible is spiritual truth. Secondly if someone is sick or diseased the fact is they are sick or diseased. This is not mind over matter or ignore it and it will go away. Jesus did not tell us to ignore the mountain but instead face the mountain and speak to it in faith believing and it will be removed (see Mark 11:22-23). The mountain before you, you could say is the truth (fact) in the physical realm. Here is the difference with those who do not separate the two realms as Augustine and Calvin did. **You can take spiritual truth (the Word of God) which supersedes physical facts and apply with faith and watch the spiritual truth do away with the physical facts (physical realm truth) by creating something (physical) out of nothing (invisible).** That is how faith in God's Word works. A lot of fun!

My friend, Pastor Steve C. Shank shares **"what Augustine taught was that everything that happens in a person's life is the direct will of God. We should not even attribute what appears to be evil to the will of demons or wicked people, but consider all things to be the direct will of God.** This viewpoint was taught to Christians for hundreds and hundreds of years and is still believed by a surprising number of people today.

All of this type of reasoning leaves out a major factor - we have an enemy, an adversary, who is continually looking for an opportunity to devour and destroy us! *Be sober, be vigilant; because your adversary the devil walks about like a roaring lion, seeking whom he may*

*devour. Resist him, steadfast in the faith ... (1 Peter 5:8-9). ...Nor give place to the devil (Ephesians 4:27). Therefore take up the whole armor of God, that you may be able to withstand in the evil day, and having done all, to stand. Stand therefore...* (Ephesians 6:13-14). Augustine disagreed with that Bible viewpoint and instead taught that all things, even evil things, come directly from God and therefore are the will of God."

Augustine's (as well as John Calvin's) worldview was contrary to the Bible and many early church leaders. **They have reduced Christianity to some of the same beliefs as Islam and Hinduism.** The Muslims believe that whatever happens in this life good or bad is **Allah's** (God the Creator to Muslim people) will for the person. The Muslim concept of who and what God the Creator is like is not similar to what I hold to be true.

Hindus believe that whatever good or bad happens in this life is the will of the Hindu gods (demons) and this is your Karma in life. Karma is the Hindu's version of sowing and reaping. No grace involved. That is one belief also purposed by Augustine and John Calvin, Steve and I strongly disagree with.

Those who believe that God is behind both good and bad occurrences, say everything good or bad (evil) works together for the good of all people in this world. One place they get this is from taking Romans 8:28 out of context which says **AND we know that all things work together for good to those who love God, to those who are the called according to His purpose.** Do all things good and bad automatically work together for good like Augustine

and Calvin believed? It is very important not to pull things out of context to make it fit our beliefs. **I do not believe ALL THINGS necessarily work for the good of every person on this planet.** Notice how that verse starts, with an **AND**. That means there is something tied to that verse before that. Look at Romans 8:26-27 just before verse 28. *Likewise the Spirit also helps in our weaknesses. For we do not know what we should pray for as we ought, but the Spirit Himself makes intercession for us with groanings which cannot be uttered* (Greek says groanings which can not be uttered in articulate speech or known speech). *Now He who searches the hearts knows what the mind of the Spirit is, because He makes intercession for the saints according to the will of God.*

Notice the prior verses are talking about the Holy Spirit making intercession through us **according to the will of God.** The way He does this is when we are praying in the Spirit or tongues just like Jesus prayed before raising Lazarus from the dead (see 1 Corinthians 14: 13-15, 18, John 11: 33 & 38). Praying like this is what helps us flow in the power of the Holy Spirit especially in an environment where the miracles of Jesus are needed. My testimony of how I was called into ministry revolves around these verses. The purpose of praying in the Spirit is to allow the Holy Spirit to pray through us for God's will to be done. He, Jesus makes intercession for us (see also Hebrews 7:25). The Holy Spirit helps pray through us according to His will. He does this by praying through us in the Spirit or tongues.

– continued on page 12

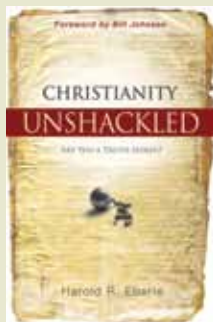

Notice what 1 John 5:14-15 says if we pray for something according to His will. *Now this is **the confidence that we have in Him, that if we ask anything according to His will, He hears us.** And if we know that He hears us, whatever we ask, we know that **we have the petitions that we have asked of Him.*** If the Holy Spirit is praying through us for God's will to be done don't you think all things will work together for your good? I have seen both good and bad things work together for my good when I have allowed the Holy Spirit to pray through me. There is no such thing as all things just automatically working together for the good of every person on this planet contrary to Augustine and Calvin's belief and teachings. I could give you hundreds of stories of things NOT WORKING TOGETHER FOR THE GOOD OF PEOPLE IN THIS WORLD.

Notice in Romans 8:28 *...all things work together for good to those who love God, to those who are the called according to His purpose.* Let's say for example as a Christian I am **not fitting into the purpose and plan** that God has for my life. Could things end up not working together for my good? I have seen this all over the world, Christians not fitting in God's plan and purpose for their life and they end up living a miserable and defeated life. All things do not work together for the good if we understand these verses and live in reality. All things can work together for the good if we are doing what Romans 8:26 - 28 says to do. 🍎

## Reaching India's Next Generation

Singing at Ingraham School in Ghaziabad.

**O**n our recent trip to northern India we performed music in 4 public schools (one in Agra 3 in Ghaziabad) to 5,300 kids. The Principal, **Anju Sharma** was healed of severe migraine headaches in the **Ghaziabad Ryan International School**. After praying for her, 40 members of the student body council interviewed me. Most of the conversation led to Jesus. Ms. Sharma shared about the severe migraines she

suffered with, something everyone at school knew. She told them how Jesus had just healed her. After sharing about the difference between religion and relationship, all 40 members prayed to receive Christ as their Lord and Savior.

We now have invitations to sing in 3 Ryan International Schools in the Delhi area in April 2012. These schools are very prestigious. They were founded by **Dr. Augustine Pinto**. His vision for transforming India is powerful. Please pray for him and his wife Grace. He was formerly the mayor of Mumbai and was instrumental in bringing in **Benny Hinn** to conduct the largest city-wide evangelistic campaign in the history of the world. The campaign shook the entire nation of India. Right after that campaign, to

the nation's surprise the BJP (militant Hindu Govt) fell from power in the center and have been losing ground ever since.

## **Jesus Heals Many At A Deaf and Dumb School**

After singing one day at the Ingraham

After praying over deaf and dumb students many testified they could hear! Ingraham Deaf and Dumb School - Ghaziabad, Uttar Pradesh, India November 4, 2011.

School Ground, where we were conducting our evening campaign I was asked if I would share at the Deaf and Dumb School on the same grounds, to about 70 students. This was a the first time I have preached through someone using sign language. I shared how much Jesus loved these students and how He treats all equally. I shared testimonies of the healings Jesus was doing in the evening and that He could open their deaf ears. I asked how many wanted prayer to have their ears open. All raised their hands. I went through the line and prayed over each student commanding a deaf spirit to go in Jesus' name. Afterwards I asked how many could hear. Half of the students raised their hands. Check it out on YouTube: [Jesus heals at Deaf & Dumb School Ghaziabad, India.](#) The principal of the deaf and dumb school said she would verify the healings for us and will be getting back to us shortly with a report. That evening in the campaign a number of these students demonstrated their healing they received from Christ. ●

**Joe Lucero** (left) was poor, drunk and severely crippled. After Mark prayed a mass prayer for healing, Joe was instantly healed by Jesus. He testified in tears to a friend of what Jesus had done. Very touching moment - **Denver City Hall November 12, 2011.**

## **16th Annual Feeding of the poor and homeless- Denver, Colorado**

On November 12, 2011, I was invited to sing, serve and pray for the sick at the 16th Annual feeding of the poor and homeless- Denver, Colorado sponsored by David Clifton Ministries. That day over 10,000 people were feed and shown the love of Jesus by the Christian community. You can catch me signing on YOUTUBE: [Mark Anderson -what will you do with Jesus.](#)

# Karishma Girl's Home-Update

by *Sharmila Anderson*

Sharmila with our girls from Karishma Girls Home - Agra, Uttar Pradesh, India.

It was a real blessing for me to finally meet our girls in Agra. I have been eagerly waiting to meet them since their arrival at the girl's home in March 2011. They are wonderful little girls, ranging from the ages of 4 to 13 years. Most of them are children of persecuted Christians and have lived very difficult lives on the run from militants for the past 2 years. They were extremely malnourished when we got them. One little girl was suffering with tuberculosis of the intestines. Today by the grace of God she is completely healed. The children are eating well and gradually putting on weight.

Just thinking of the lives they led prior to coming to Karishma Girl's Home sends shivers down my spine. Many of these girls have witnessed great brutality by Hindu militants. Yet today they are happy and full of joy. They love to pray. They even cast up prayers for safe travels for truck drivers. (To date I have never thought to pray for truck/Semi drivers.). They are attending school

for the first time in their lives now; as a result they love to study and learn. Any opportunity they get they sit down with books to read. They literally have to be forced to go out and play.

When they came to the girl's home they could only speak their vernacular, which made communication very hard. Our workers diligently tutored them and now they speak both Hindi and English. Hats off to the dedication of our workers and the girls thirst for learning.

With construction costs soaring in India, we are trusting the Lord for provision to complete the second floor so we can bring in 20 more girls from Orissa. We have to raise about \$19,000 to complete it. 📌
