Savoonga, Alaska Outreach April 2014

By Mark R. Anderson

In April we had a wonderful ministry time in **Homer, Alaska**. We witnessed Holy Spirit heal many people during times of team ministry.

From there we headed to **Savoonga, Alaska**. We conducted a three day outreach at the Presbyterian Church. Approximately 30 to 40 people attended each night in this village of 800 people. Pastor Joe Moon helped with preaching and music. The ministry was met with great enthusiasm from this Siberian Yupik Eskimo community. A lot of healings took place during the ministry time. Denny Akeya had severe knee problems and much pain. After prayer he was instantly healed and slept that night for the first time in a long time with no pain. Another young boy received prayer for eczema and showed me each day how his hands were looking better. We were told they had not seen many healings in this community prior to this outreach and were really blessed to see Jesus healing

so many people.

Frozen Trail of Tears

Before we arrived in Savoonga a native, **Wagner Wongittlin** was run over by drunk driver and instantly killed while visiting in Nome. The body was flown to Savoonga for burial. They asked Joe and I if we would conduct the funeral. The church was packed with around 200 people. I was able to give a short message, perform my song *Time is Slipping* and then give a call for salvation after the message. Many (if not most of the people there) prayed to receive Christ as Lord to make something very good come out of a senseless tragedy. We walked outside of town with the men who pulled the casket on the frozen tundra to the cemetery. We also attended a reception and dance afterwards. We were really treated like we were part of this community.

Later that night we conducted a Rock and Roll concert at the public school which was well attended and was met with a good response. A number of others received Christ as Lord at this event also.

We finished by doing Easter Sunday service. The people really responded well to the message. On the day we left a lady by the name of Jeanette, who

attended the Easter service and funeral came to visit us. She had lost her husband and son in recent years. She said she did not attend church much but was greatly impacted by the service. She told Pastor Joe and I when she saw us walking down their streets that “two angels” had come to their town. I joked with her and said yes and today we will be disappearing into the sky, only don’t tell anyone we will be flying out of here on Bering Air. One thing Joe and I really enjoyed was bringing the joy of the Lord and laughter to these people who have been through so much heartache and hard times. 🌟

Himachal Pradesh, India May 2014

Upon my arrival in India a new **Prime Minister, Narendra Modi** was declared victor in the national elections. He is a member of the BJP party, which is known as a very militant Hindu party. Despite

the uncertainty in India Jesus is on the throne and **visibly being seen by many in India**. At present He is moving in the most powerful ways in India through signs, wonders,

miracles, healings and multitudes are turning to Him. Great moves of Holy Spirit are occurring all over northern India. Many Indians are also having angelic encounters as Christ is being shared.

Sam Tindall traveled with us to film our **Karishma Girls Home in Agra** as well as interview our girls. He also filmed our May outreaches. Please check out **“North India May 2014 Trip”** on Youtube for a short version of our recent trip. More videos to come out later.

The main thrust of our recent trip were outreaches in **Himachal Pradesh State** where we saw about 1,900 first-timers turn to Christ. We have been laboring in this unreached state for a long time. It only has about 1 Christian per 1,100 people. Now that

Parvati - in tears, said demons pulled her out of her house making her roam the mountains in trance like state. When she came to she had no idea how she ended up there. is changing in this region where most Hindus believe their gods (demons) originated from. We had our largest outreaches we have ever seen in this state on our recent trip. It is a brand new day in this state from what we are seeing Jesus do.

Sarita - was on dialysis. Came up in tears after Holy Spirit healed her. Felt healed and her blood flowing to her hands - **Sunder Nagar, India May 2014.**

Just before we arrived, Sharmila dreamt that a fire fell in Himachal Pradesh state and everyone could see it. **Chhaya** - saw fire on the roof and people praising Jesus with hands lifted - **Sunder Nagar, India May 2014.**

Premata - paralyzed for 9 years! Now, after Jesus healed her, she could begin walking - **Kullu, India May 2014.**

Our first night in **Kullu, Himachal Pradesh, India** about 1,300 jammed into an old shut down cinema hall. In two nights we saw about 1,300 became followers of Jesus. A number of people saw Jesus and were either healed or experienced His presence in

Lahn had three knee operations and saw Jesus three times during our outreach and was instantly healed of all pain - **Kullu, HP, India May 2014.**

Abandoned worship of Jesus! **Mrs. Bikram Singh** (blue) attended our outreach last year in **Sunder Nagar, HP, India** having never heard of Christ. Her and Bikram (husband) both saw Jesus at different times during that outreach. **Bikram** was healed of severe back pain and his leg grew out. They are now passionate followers and worshippers of Jesus. Last year Bikram first saw Jesus on the cross bleeding and dying while I was preaching, then moving through the crowd touching people who were then healed. On the next night while I was singing **Ultimate Sacrifice** Mrs. Singh saw Jesus standing on the stage, she danced in front of the crowd, before him a most beautiful dance. She had never danced before in her life. Now a year later they acknowledge His presence and have continuous encounters with Jesus - **May 2014.**

a powerful way. Many demoniacs were set free including **Parvata** who many times found herself in a trance led out of her house into remote mountain areas and then came to her senses not even knowing how she ended up there. She said an evil spirit fought her from getting on the bus to come to the outreach but she believes an angel helped her come to the outreach where Jesus set her free. **Premata** was carried in, was completely paralyzed for 9 years. After prayer and with the assistance of her relatives walked for

the first time, right up on the stage because of Jesus healing virtue.

Before we arrived in Himachal Pradesh State, Sharmila while home in the USA dreamt that fire fell from heaven in this mountain region. Sure enough the fire of Jesus' presence was either felt, experienced and even seen by many. We have invitations from these outreaches to reach all over this state to totally unreached areas now. Fire from heaven has fallen.

After Kullu we returned to **Sunder Nagar** once again. Jesus moved there powerfully as well. Demoniacs were set free, many were healed and a number of people saw into the spiritual realm witnessing phenomenal things. Most importantly about 600 more first time decisions were made for Christ. Some also testified of encounters they had with Jesus or angels from when we

there one year earlier. **Jeevan** was paralyzed. He received prayer, though nothing changed immediately. As he traveled home and during the night his condition began to improve. Now after two months we have heard from our coordinator that his condition is continuing to improve, thanks to the power of the resurrected Christ flowing through him. He is walking and taking care of himself independently. Praise and glory to our awesome God for what He is doing these last days! ●

Germany Book Release Tour June 2014

By Sharmila Anderson

Mark's book *Humility the Hidden Key to Walking in Signs and Wonders* was printed in German and released on March 20, 2014. This is opening many doors for us in German-speaking countries.

Corrie and Tom!!

The Lord opened a marvelous door for us to minister in Germany. **Andreas Berger**, owner of Grain Press in Germany, came across Mark's book "*Humility: The Hidden Key to Walking in Signs and Wonders*," and decided to have it translated and printed in German. One of the translators, **Corrie Sens** got in touch with Mark and helped get the ball rolling for doing a book release tour in Germany. Thank you

Germans for Humility and healing. The book sold very well. A number of people received healing from Holy Spirit as well. 100% of all offerings raised while in Germany went directly to India and Nepal so we can continue reaching the unreached and hurting in these nations. We want to especially thank the German people for their generosity in helping us reap in the harvest in these nations.

This tour has provided us with the opportunity of ministering in other German-speaking countries like Switzerland and Austria. Plans are being made for possible tours in November and/or April. Mark's book *Overcoming Roadblocks to Healing* is also being translated in German and due out this September.

Added by Mark: We ministered all over Germany and in two towns, in what used to be East Germany. The plight of these people under communism still negatively affects that area today. We heard many stories of what these people had to endure. It is sad to hear what they came out of and how it still affects their mindset today. Seeing what these people

The Purpose of Holy Spirit and Speaking In Tongues

By Mark R. Anderson

Knowing He would be laying down His life and leaving Jesus talks about Holy Spirit at length right before he went to the cross. In John 14:16 He says Holy Spirit comes as a comforter *that He will remain with you forever*. In the Amplified Bible it says that the comforter (Holy Spirit) will also be a *Counselor, Helper, Intercessor, Advocate, Strengtheners and Standby*. John 14:26 says He will be a Teacher and bring to our remembrance everything Jesus has taught us. John 15:26 says Holy Spirit testifies of Jesus. John 16:8 says He comes to *convict and convince of sin, righteousness and judgement*. John 16:13-14 Amplified Jesus tells us *But when He, the Spirit of Truth (the Truth-giving Spirit) comes, He will guide you into all the Truth (the whole, full Truth). For He will not speak His own message [on His own authority]; but He will tell whatever He hears [from the Father; He will give the message that has been given to Him], and He will announce and declare to you the things that are to come [that will happen in the future]. He will honor and glorify Me, because He will take of (receive, draw upon) what is Mine and will reveal (declare, disclose, transmit) it to you.*

Jesus said that Holy Spirit will never leave or forsake us (ref. Mt. 28:20 and Hebrews 13:5-6). How do you think Jesus stays or is omnipresent with

us? Through Holy Spirit, whom He has sent to Born Again believers to take His place on earth. Acts 3:19-20 refers to Holy Spirit bringing to us the presence of Jesus.

Prior to Jesus' baptism in water and baptism in Holy Spirit at the River Jordan He had not performed any miracles. After the Holy Spirit descended on Him like a dove His miracle ministry began. Acts 10:38 Amplified says *How God anointed and consecrated Jesus of Nazareth with the [Holy] Spirit and with strength and ability and power; how He went about doing good and, in particular, curing all who were harassed and oppressed by [the power of] the devil, for God was with Him*. Read Matthew 3:16-17, Luke 4:14-21, Acts 10:38. This same experience and empowering Jesus had from the baptism of the Holy Spirit is available to all Born Again believers. Jesus is our pattern and example to follow (see 1 John 2:6).

Baptism By Holy Spirit

Romans 8:9 says that *if we have not the Spirit then we are none of His*. We receive Holy Spirit when we are born again. However if we desire to be completely surrendered to Him, filled with Holy Spirit, owned and controlled by Him, then that is another experience that comes after we are born again, referred to as the baptism

of Holy Spirit. Jesus is the One who baptizes here (see Luke 3:16).

In Acts 19:1-6 Paul asks some Christians if they had **received Holy Spirit since they believed** (Acts 9:2). Their answer was they had not even heard of Holy Spirit. Paul preceded to baptize them in water and then laid hands on them for the Baptism of Holy Spirit and they began to speak in tongues and prophesy. See Acts 8:12-17 also.

Acts 1:8 clearly shows us what Holy Spirit is all about. Jesus said *you shall receive power* (Greek-miraculous ability) *after that Holy Spirit shall come upon you and you shall be witnesses* (Greek- verifies his testimony with exhibitions of evidence, with proof, vouch for, prove, guarantee, bears witness by death or martyr) *unto Me...* throughout the whole world. The true test to see if one has the Baptism of Holy Spirit is whether or not one has the **power within to witness** and lead people to Christ and whether someone has the miracle working power of Jesus working through them to minister to others. Merely speaking in tongues is not enough. That is only part of it.

Personally prior to receiving the Baptism of Holy Spirit and speaking in tongues I had not led one person to Christ, nor seen any healings. After being baptized in the Holy Spirit and speaking in tongues I received boldness to publicly stand up for Jesus. Over these years of world-wide ministry I would not be seeing the many thousands of undeniable miracles, healings, signs and wonders

Holy Spirit is doing through me if it were not for the baptism of the Holy Spirit and the supernatural prayer language that came with it. I would not have seen the many thousands we have seen turn to Christ. I am totally dependent on my partner, Holy Spirit. Without Him (baptism of the Holy Spirit) and His partnership, fellowship and communion (see 2 Cor. 13:14) I can do nothing! All glory goes to Him!

Reasons According To God's Word To Speak In Tongues

I am going to share reasons why I speak in tongues and how praying in tongues has greatly benefited my Christian walk. All the reasons are based on the scripture because the word of God should be your final authority, not man, a tradition or experiences.

- 1) In Isaiah 28:11-12 the first mention of tongues is made in the Bible. It was a prophecy given by Isaiah. It says *for with a stammering of lip and another tongue will I speak to this people. To whom He said this is the rest wherewith I shall cause the weary to rest; and this is the refreshing; yet they would not hear.* There have been times in my life when I have felt drained and one of the best things that I know to do at such times is to pray in tongues and worship the Lord! It is refreshing! This will keep you from depression.
- 2) **Mark 16:17-18 say it is a sign** to those that believe. Jesus said *these signs shall follow them that believe in*

- continued on page 11

endured how could anyone embrace communism (modern day control, manipulation, fear and slavery)?

Another thing that took place, besides ministry while traveling through Germany, was watching the most soccer (football outside North America) I have ever watched in my life. It was great hanging out with all the German soccer fans during our travels. Once while on our way to minster in another city in Germany, Sharmila and I checked into a hotel in a small town in time to catch the Germany vs. USA match. German fans were all over the lobby watching the game with painted faces, yelling and screaming because it was a close match. We felt it best to lay low not letting anyone know we were from the USA except the lady who had to see our passports to check in. We quickly headed to our room.

On our last night of ministry in Germany we gathered at a home of a ministry leader to share with many other leaders and answer questions about healing ministry until — the Germany vs. Algeria game came on. So Harald the leader asked me to say a quick prayer before closing so we all could go to another room and watch the game. I jokingly closed in prayer by saying "Let Germany win." Boy did they ever!

This man had a severely broken foot that was not healing properly. After prayer he said his foot was on fire and it was completely healed by Jesus - **Muelzen, Germany June 21, 2014.**

This past Sunday we watched the World Cup Final, Germany vs. Argentina, as a young, devoted Christian man came off the bench for Germany towards the end of the game, while the score was 0 to 0. His coach Joachim Loew said as he sent him into the game "show to the world that you are better than Messi and you can decide the game." His coach called him the miracle boy. His name was **Mario Gotze.** Mario has said his life is governed by "Trust, hope, strength, faith", adding: "Dear God, I want to take a minute. Not to ask you for something. But simply to say thank you for everything I have." He was given a huge platform and kicked the winning goal, a rare accomplishment for such a young rising player in the world cup finals. After the game you could see him gazing up to heaven.

While being in Germany sharing how Humility is key to a lasting revival, I felt like now is the time for Germany to shine for Jesus. Sharmila and I made some wonderful friends on this first of many strategic trips to Germany. Great people! It is Germany's turn to come off the bench and shine for Jesus. I truly believe it is Germany's time for a move of God! **DEMUT** in German means "humility and serving with courage." ●

*my name they shall cast out demons and speak with **new tongues....***

- 3) Acts 2:1-4. When the early church received Baptism in Holy Spirit they were all filled with Holy Ghost and began to speak in tongues as Holy Spirit gave them utterance. Going by the example the early church set, to be **filled with the Spirit** they spoke in tongues. Is speaking in tongues the main evidence of the filling of the Holy Spirit? No! Acts 1:8 says it is the power within you to be His witness.
- 4) Romans 8:25-28 says *if we hope* (Greek says believe) *for that which we do not see then we do with patience wait for it* (KJV). *Likewise the Spirit also helps in our weaknesses. For we do not know what we should pray for as we ought, but the Spirit Himself makes intercession for us with **groanings** which cannot be uttered* (original Greek goes on to say- uttered in articulate or known speech). *Now He who searches the hearts knows what the mind of the Spirit is, because He **makes intercession for the saints according to the will of God.** AND we know that all things work together for good to those who love God, to those who are called according to His purpose.* If you need patience one of the best ways is to pray in tongues while you are waiting for your prayer to be answered.

Verse 26 says ***we do not know what we should pray for as we ought.*** I do not always know what to pray for in my own English language. This is when I need Holy Spirit (intercessor) to pray through me in tongues. 1 Cor.14:2 says *For he who speaks in a tongue does not speak to men but to God, for no one understands him; however, in the spirit he speaks mysteries.* When you are praying in tongues you are praying to God. **This is a private prayer language. It is not the gift of tongues mentioned in 1 Cor. 12:8-10.**

Verse 27 goes on to say *that the Spirit makes **intercession according to God's perfect will.*** When I received the baptism of Holy Spirit I wanted to see a close friend of mine saved, but I had a difficult time sharing my faith with him. Finally on a rainy night in 1977 I received the baptism of Holy Spirit. My entire body shook as I was being filled with Holy Spirit.

I knew it was not a demonic experience because Luke 11:11-13 tells us that God does not substitute if we ask for Holy Spirit He would give Him to us. I spoke in a stammering lip, but then for two weeks I did not speak in tongues again. My pastor encouraged me to get alone with God, spend time praising Him and then wait upon Him and I would start speaking in tongues again. He also said "my prayers would go up

The Purpose of Holy Spirit and Speaking In Tongues

– continued from page 11

into heaven and come down like a chain reaction”. Why? Because verse 27 says that **Holy Spirit makes intercession according to God’s perfect will**. If something is prayed according to His perfect will then it is as good as answered.

I went home to experience one of the most beautiful moments of my life. Late at night as I was praising God, I felt Holy Spirit course through my entire body until I shook as though a giant hand was rocking me back and forth. The presence of God was very strong. I had never had an experience quite like that before. The next day God’s still small voice became strong and I saw my prayer answered as my friend received Jesus as his Lord! My friend introduced me to a man, Bob Roosen that had counseled him at the meeting. This gentleman became a spiritual father who greatly impacted my life and helped me grow tremendously in my walk with the Lord.

From there my steps seemed to be supernaturally ordered by God. I quit the junior college football team I was on in 1977 to prepare for ministry. Eight months later I held my first set of revival meetings in my hometown Shakopee, MN. I wouldn’t even be in the ministry right now if it weren’t for that one experience of being baptized in the Holy Spirit

and speaking in tongues. Before that experience I would stutter when speaking in front of crowds.

1 John 5:14-15 says that *Now this is the **confidence that we have in Him, that if we ask anything according to His will, He hears us. And if we know that He hears us, whatever we ask, we know that we have the petitions that we have asked of Him.***

Romans 8:28 says **AND** (meaning take into consideration the prior verses) *we know that all things work together for good to them that love God to them that are called according to His purpose*. The word AND in this verse is skipped over by many Christians making them take this verse totally out of context, to say something it does not say. AND refers to the prior verses. Allowing my partner Holy Spirit to pray through me in tongues is a purpose He has called me to in life. Things in life do not just work together automatically for my good because I am a Christian. But if I allow Holy Spirit to pray through me (see Romans 8:26-27). He can cause all things to work together for my good.

Just as God ordered my steps when I was baptized in Holy Spirit, He will order your steps when you spend time praying in the spirit. Praying in the Holy Ghost (tongues) is God’s purpose for your life.

Before Jesus raised Lazarus from the dead in John 11:33 and 38 He

groaned in the Spirit and then said *Lazarus come forth* (See 'groanings' in Romans 8:26).

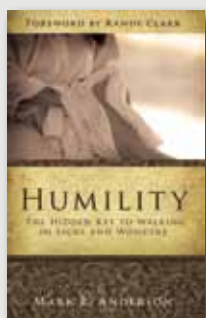

- 5) Acts 10:46 - says *they heard them speak with tongues and magnify God. Tongues are used to worship God also.* It is a beautiful experience.
- 6) 1 Cor. 14:4 - says *He that speaks in an unknown tongue edifies himself.* When you pray in tongues you are charging your spirit man. It is just like charging a battery that is dead. When you pray in tongues your spirit is being charged by Holy Spirit. You are hooking up to the ultimate power source!
- 7) Jude verse 20 says you **build up your most holy faith praying in the Holy Ghost.** Romans 10:17 says *faith comes by hearing and hearing by the word of God.* When you get into the word and pray in the Holy Ghost (tongues) **faith will become quickened in you.**
- 8) I Cor. 12:8-10 talks about the nine gifts of the spirit. At times I have seen the more time spent praying in tongues the more the other gifts were in manifestation. This is one reason why Paul probably said *I thank God that I speak in tongues more than you all.* (1 Cor.14:18). Paul also said *Do not forbid to speak in tongues* (1 Cor. 14:39).
- 9) Much sickness strikes when our immune system is run down. In recent years, Dr. Carl Peterson, a brain specialist at Oral Roberts University, conducted research on the relationship between the brain

and praying in the Holy Spirit (tongues). He discovered that as we engage in praying in the Spirit, the brain releases two chemical secretions that are directed into our immune systems, giving a 35-40% boost to our immune system. It produces healing within our bodies. This secretion is triggered from a part of the brain that has no other activity in humans.

- 10) 1 Cor.13:1- says *though I speak with tongues of men and angels....* demons hate tongues! For one reason they can't understand speaking in tongues. But God can (see 1 Cor. 14:2). Years ago when casting out evil spirits and it took extra wisdom to drive out that demon we would spend time praying in tongues. You can also pray for the interpretation of tongues and Holy Spirit will give it to you as a word of knowledge (see 1 Cor. 14:13-15). Just a thought, it could possibly be when we speak in tongues we might very well be speaking with tongues of angels at times. That would scare any demon!

Get alone with God and seek Him. If you want to receive the Baptism of Holy Spirit first surrender your life completely to Jesus and ask to be His witness. Have others pray for you or simply get alone with Holy Spirit and ask Jesus to baptize you in the Holy Spirit and fire (see Luke 3:16). As you hunger for Him, you can experience the living God for yourself. *They who hunger and thirst after righteousness shall be filled.* (Matthew 5:6) ●

Why Humility? I personally believe this is key to seeing a lasting revival. So many moves of God have been short circuited by the pride of man or the glory of man getting in the way. *Pride goes before destruction, And a haughty spirit before a fall* (Proverbs 16:18). If we want to see a move that will last we need to understand the kind of humility Jesus walked in. To bring in the Glory of God with multitudes coming to Christ, signs, wonders, miracles and healings following we need to understand and live with humility in it's purest form.

Randy Clark talks about the importance of Humility and His thoughts on this book. — *"I will never forget the message's meaning **"This is the most dangerous moment of your life. If you touch the glory, become proud, fail to stay humble, this anointing will destroy you."** Mark Anderson's book has helped me to understand the significance of the warning and the reason for the warning. I thank God for warning me of the danger of pride and the importance of humility three months before the Toronto Blessing began.*

*I too have **made humility a lifelong pursuit**. It is one of my most valued virtues and most common petitions of my prayer life, "Keep me humble so I can receive greater grace." **Humility The Hidden Key to Walking in Signs and Wonders, is the best book I have ever read on humility**, and reveals the importance of humility's relationship to spiritual breakthrough, and revival. The book is like a diamond in that humility is the diamond, and Mark helps us see all the various facets of the diamond, and there were many, all of which I found very helpful."*

Upcoming India Trip Update

Sharmila and I will be taking a 5th mission trip for 2014 on September 17th. We will be back in north India.

Our first stop will be at the **Karishma Girls Home in Agra** which is progressing well. Construction on the upper floor is nearing completion so we can shift some girls to the upper level. All that is left to complete as soon as the workers show up, is the whitewashing/painting.

For updates on the Karishma Girls Home or to become a sponsor, go to:

www.markandersonministries.com

and click on the "Girls Home" tab.

At present we have 23 girls and will be adding 3 more girls shortly. Two of these girls are orphan girls from **Badaun District in Uttar Pradesh State**, where two girls were recently gang raped in **Katra** and hung from a mango tree. See, warning disturbing graphic images.

<http://www.indiatimes.com/news/more-from-india/indias-shame-gangrape-of-dalit-sisters-sparks-global-outrage-151778.html>

Here is a real war on women and girls that is mostly ignored by our media especially here in USA because of so many complaining about a 'war on women' in the USA that does not exist.

Our main event for this trip will be a large open air campaign and leaders conference in a remote unreached area of north India. The outreach will be in **Polygunj, Uttarakhand State**. We will have our largest budget ever for an outreach. Petrol prices have been soaring. We plan to bus in thousands for this outreach. We covet your prayers as multitudes will be hearing of Jesus for the first time in their life. We are looking forward to this outreach with great expectancy. ●
