# Outreaches to Nepal and India - 6,075 New Believers

**In Nepal and India** I was joined by four men from Illinois who Holy Spirit anointed powerfully on this trip. Our first outreach along with leadership conference was in a rural area, **Tikapur, Nepal** where we conducted a three day outreach February 27 to March 1st. Despite

from March 4-7, 2015. The first night militants showed up wanting to shut us down. The pastors were very fearful as a result. Thank God for favor. Politicians from this state attended the meetings and militants never came back. On the final night the **Chief Minister's son and Head of the Youth Congress, Verendra Rawat** attended sharing how Jesus is needed in India and what Christ has done to

**Mayo** - was mute. After prayer was able to speak - **Tikapur, Nepal**.

heavy rains the final day people still attended. About 2,550 people were added to the Kingdom in this outreach.

We also ministered in a village church with over 200 people attending. Scott Lundgren ministered a powerful message. About 90% of the people prayed for in this service were healed by Christ in this service.

From there we traveled to **Rudrapur, Uttrakhand, India** where we conducted an outreach and conference

During the **Nepal village ministry** many people had supernatural encounters with Holy Spirit. At least 90% the people prayed for were healed by Jesus - **March 2, 2015**.

3,500 people turn to Jesus in **Rudrapur, Uttarakhand, India** March 4-7, 2015. Eight churches have been planted in villages where we bussed people to this outreach.

bless India since it's independence. He shared that India's founding leader, Ghandi was greatly influenced by Jesus. In all about 3,500 came to Christ in the two nights we could give altar calls.

Now many doors are opening for us in this state. I was very concerned with the follow up from the Rudrapur outreach because the pastors did not want to be introduced or have attention brought to themselves during this outreach because of fear of

being attacked by the extremists. Now we have received a report that **eight new churches have been planted in the surrounding villages from where we bussed the villagers to the campaign.** Amazing given the circumstances! We also had a report that one lady who was near death from cancer, was carried to this outreach and after prayer she is now 90% better.

Then our team traveled to the Delhi India where we broke up to speak in 4 different services on March 8th

**Meher Singh** - fractured his knee 2 years earlier. Able to jump after being healed by Jesus - **Rudrapur, Uttarakhand, India.**

before leaving for the USA. I shared in **Family of Lord Jesus Church in Delhi**. At that service we saw another 25 people come to Christ and many powerful undeniable miracles in this service.

During our time in **Nepal and India**

This woman came forward with a broken arm. Had hands laid on her and was instantly healed by Christ - **Delhi, India March 8, 2015**.

This man came forward in tears after being completely healed of severe back and stomach injuries. He had a huge bandage wrapped around his stomach area - **Family of Lord Jesus Church - Delhi, India March 8, 2015**.

Chief Minister's son and head of the Youth Congress, **Verendra Rawat** attended last night **Rudrapur, Uttarakhand, India** outreach sharing how Jesus is needed in India and what Christ has done to bless India since its independence.

Jesus showed Himself alive by healing and delivering many people. Each night in the outreaches I would pray a mass prayer. Jesus healed many, who ended up coming forward testifying of healing, with nobody laying hands on them. After this I would release our Illinois team along with leaders to lay hands on the people who wanted them to do so. During this time the most powerful miracles took place such as tumors instantly dissolving, many deaf ears popping open, cripples being healed, etc. It almost seemed like the Lord really came down powerfully at this time more than any other time. What a blessing this Illinois team was to work with. They also helped train leaders in both countries. I love it when the Lord does this especially with some who are fairly new to third world missions. With that being said if you are considering joining us on

one of these trips, what is holding you back? Holy Spirit wants to use YOU!

I will be headed back to the Himalaya mountains of North India on May 16, 2015. This is the state Hindus believe all their gods originated from. There is only one believer for each 1,100 people in this state. Yet Holy Spirit is moving like never before. Jesus and angels have been appearing to many in outreaches there causing many to turn to Christ. We covet your prayers as we go. See Schedule below:

**May 19-20** campaign & leadership conference **Bajjnath, Himachal Pradesh, India**

**May 21-23** campaign & leadership conference **Mandi, Himachal Pradesh, India**

From there Sharmila and I head back to **Germany** for ministry at the **European Conference**. We will be

About 90% of those prayed for in this village outreach stood to testify they received healing from Jesus - **Rural Far West Nepal**.

doing a three city tour. For dates see schedule back cover. On June 24- July 7 **Charisma** will be part of the Youth Power Invasion in **Fortaleza, Brazil**, headed up by **Randy Clark**. Please keep all these upcoming mission trips in your prayers. Thank you so much for your much needed prayers and support. 🙏

## USA / Canada Report

**B**esides ministering overseas in Nepal, India, Germany and Austria this year we have also ministered in churches in **Cheyenne & Riverton, Wyoming, USA and in Edmonton, Alberta, Canada.** We had tremendous times in these churches watching Holy Spirit heal and touch people. In **Riverton, Wyoming at**

**Gabriel** fell weeks earlier on ice with a huge welding cylinder and crushed his wrist. Jesus showed up and completely healed him - **Gathering Place Riverton, Wyoming January 17, 2015.**

**the Gathering Place Gabriel Drennen** shares this testimony of what Jesus did for him. *“A couple of weeks ago I dropped a large oxygen welding cylinder on my wrist after slipping on ice. It was one of the most painful experiences of my life.*

*It was sprained and crooked. After Mark prayed over my wrist I was told healing was mine. So I reached up and claimed it. I felt electricity as I reached up to grab it and a weird sensation in my wrist throughout the night. The next morning I could feel no pain in any of my wrist. Praise Jesus!”*

In February I reconnected with some great friends **Pastors Blaire and Katie Clinton** in Edmonton after many years. They just recently returned to Canada to plant a new church [www.churchinthevine.org](http://www.churchinthevine.org). I enjoyed being around this couple and seeing what God is doing in them. I had a great time ministering to their group of hungry believers. One great testimony the first night came from **Charlene**. She came forward to receive prayer for her neck and shoulder. She was actually critical of the way we were praying for people and did not expect much to happen. When she repented to the Lord of being critical while standing in line, she was instantly healed with nobody praying over her. She shared her testimony with us the next day.

# Setting the Spiritual Atmosphere for Miracles!

## Part II - continuation from Fall 2014 Magazine

**A** key requirement in experiencing and witnessing a move of God is a heart that is pure before Him, as opposed to just having theologically correct doctrine. The religious leaders of Jesus' day had great knowledge of the Old Testament, but their heart attitude kept them from receiving Jesus. Correct doctrine is very important and helpful, but more important to the Lord is a proper heart attitude!

If we desire to successfully affect the spiritual realm, it is imperative that we have a pure heart. More important than doctrine and knowledge is a pure heart before God. Some people may have all the correct doctrines, yet are not visibly used by God; perhaps it is because of an **impure heart**, pride, and arrogance. Jesus said in Matthew 5:8 *"Blessed are the pure in heart, for they shall see God."* How will we see God? We will see Him move by the power of His Holy Spirit when we maintain a pure heart!

In Matthew 5:6 Jesus said, *"Blessed are those who hunger and thirst for righteousness, for they shall be filled."* Hunger is a vitally important ingredient in setting the spiritual atmosphere as well. There needs to be a hunger and a desire to see God move, to see miracles, signs and wonders. What we hunger for will fill us! For what are you hungry? Lets say I am really hungry for a Big Mac. I can almost taste it. I happen to

drive by a McDonalds; I have the cash... what happens? I probably will be filled with a Big Mac. If one consistently hungers to see God move, then that is what will fill his heart. If one hungers to learn about the healing ministry, then he is filled with it, and will experience it.

Today, all we have to do is hunger for Jesus and what He provided 2,000 years ago and we will be filled with Him and see His miracle working power in operation. If there is no hunger for Him or to see Him move in power, we will not see His power manifested in the physical realm. Notice in the Gospel accounts that Jesus did not pursue people to heal them. They pursued Him and were healed. Jesus never once said that His faith made a person whole, but He said time and time again *"your faith has made you whole."*

There needs to be a hunger to see God move in a tangible way here on the earth. There have been many **powerful moves of Holy Spirit** throughout the world over the last century. Unfortunately in most of these places, those moves have ceased. One reason the move of God ceased was the glory of man fell and the glory of God lifted. Many talk about the good old days in those areas when God moved powerfully. They have turned the

movement of God into a monument. God is not looking for monuments that are lifeless. He wants to be in places where Holy Spirit can MOVE. One of the main ways to see this is to have a pure heart and a hunger for Jesus. With and in Him comes miracles, signs, and wonders.

### Faith

Let's look at the power of prayer, fasting and faith in setting the spiritual atmosphere. Notice what Jesus said in Matthew 17:14-21, *"And when He came to the multitude, a man came to Him, kneeling down to Him and saying, Lord have mercy on my son, for he is an epileptic and suffers severely; for he often falls into the fire and often into the water. So I brought him to Your disciples, but they could not cure him. Then Jesus answered and said, 'O **faithless** and perverse **generation**, how long shall I be with you? How long shall I bear with you? Bring him here to me.' And Jesus rebuked the demon, and it came out of him; and the child was cured from that very hour. Then the disciples came to Jesus privately and said, 'why could we not cast it out?' So Jesus said to them, '**Because of your unbelief**; for assuredly, I say to you, if you have faith as a mustard seed, you will say to this mountain, move from here to there, and it will move, and nothing will be impossible for you. However this kind **does not go out except by prayer and fasting.**"*

Matthew 17:14-15 describes the incident of a father approaching Jesus,

as his son, who was an epileptic and a deaf mute (Mark 9:17) needed a miracle. ( See also Mark 9:17-25). The disciples were unable to help the boy (vs16). It is interesting to note that the boy was not healed instantly. Today many would throw in towel saying, "I guess healing the boy is not God's will." Jesus however puts the blame: not on God's unwillingness to heal, but on the disciple's **faithlessness** (vs17), **unbelief** (vs20). Since this was a problem in Jesus day, could this possibly be a reason many are not healed today? In verse 21 Jesus says, *"However this kind does not go out except by prayer and fasting."*

The first thing we glean from this incident is that faithlessness and unbelief restrained this boy's miracle. Jesus' frustration over His disciple's unbelief is apparent. Similar obstacles are prevalent in Christian circles today, as people are unwilling to delve deep in the Word and stand on it to build their faith. Romans 10:17 says *"So then faith comes by hearing, and hearing by the word of God."*

Notice what Jesus said in verse 17 *"O faithless and perverse generation, how long shall I be with you? How long shall I bear with you? Bring him here to Me!"* Notice Jesus' frustration with the disciple's unbelief! Do you think unbelief would make Him feel frustrated today with Christians? He wants us to be people of faith. Jesus said in Luke 18:8 *"... Nevertheless, when the Son of Man comes, will He really find faith on the earth?"*

Faith activates the miracle working power of Jesus Christ the same way fear

will activate the destructive power of Satan. Job said, *“For the thing I greatly feared has come upon me, And what I dreaded has happened to me”* (Job 3:25). The literal Hebrew says, *“I feared a fear and it came upon me.”* Many open the door to demons, sickness, problems and disaster by walking in fear.

Hebrews 11:6 says *“without faith it is impossible to please God...”* Faith in God for what He already provided 2,000 years ago through Jesus Christ affects the spiritual realm, so we can experience His miracle power in the physical realm.

Paul said in 2 Corinthians 5:7 *“For we walk by faith, and not by sight.”* So many are focused on the physical realm and are only affected by their five physical senses, what they see, feel and hear. Faith is spiritual and affects the spiritual realm, thus producing miraculous results in the physical realm. Faith is not determined or moved by what we see, feel or hear. When we learn to walk in faith or by faith, miracles and healings will be a regular occurrence. Faith in Jesus’ finished work at Calvary, is understanding that Jesus already provided everything we need in this life, spirit, soul, and body.

In Mark 11:24 Jesus said, *“Therefore I say to you, whatever things you ask when you pray, believe that you receive them, and you will have them.”* When do we believe we receive what we have prayed for? The instant we pray for it! Therefore we should believe to be healed the instant we pray or are prayed for; whether it is manifested or not. Don’t ignore the problem, just do let the problem be exalted higher than His Word that can

set you free (See John 8:31-32).

I love seeing God heal people instantly. We’ve seen thousands healed this way. Here’s where many believers miss it though. Once again, when do we need faith? If my healing is not manifested immediately, then I need faith to stand for my healing and that faith (in God) will activate God’s miracle working power. God is well pleased (ref. Hebrews 11:6) and touched (ref. Mark 5:30 –34) by people who put faith in Him and choose to walk by faith as a lifestyle.

## Prayer and Fasting to Create An Atmosphere Conducive for Rain

In June of 1988 I had the privilege of traveling to many cities in **Papua New Guinea** conducting citywide campaigns and also one leadership training conference. I remember arriving in the town of Mendi. We were not seeing a strong flow of miracles in this city. My friend Dave Braasch and I decided to pray and fast for a period of three days to affect the spiritual atmosphere in the cities to which we were traveling.

During the course of praying and fasting in Mendi we did not see a real breakthrough, though we saw some salvations and healings. The Provincial Secretary of the southern highlands attended the campaign and received Christ as Lord. However as we came off the time of intense prayer and fasting we felt we would experience a breakthrough. We next traveled to **Popondetta**, to conduct a two-day campaign in a city of 7,200 people.

Our campaign coordinator for that

## Setting the Spiritual Atmosphere for Miracles!

- continued from page 9

city had prepared the people with months of prayer before we arrived. He had already been seeing miracle healings taking place after he had returned from our training conference in Mount Haugen a week earlier. Dave and I had both been busy ministering continuously for a week and a half. We decided to relax at the beach each day before the campaign.

Some would think this was not the proper way to prepare for a big campaign. We however had the confidence that the spiritual atmosphere was conducive for rain and we would see a great outpouring of signs, wonders, and miracles in Popondetta. The first night half the city gathered for the campaign. Many powerful miracles took place and over 1,000 people responded to the altar call for salvation.

The next day God did many awesome things. We did not know that the regional hospital was a block away from the campaign grounds. Many in the hospital heard about all miracles the Lord did the previous night. The following day the hospital staff started bringing the diseased, those given up to die, and many others in ambulances to the campaign ground to hear, and see the living Jesus in action.

Some of those who were brought over included **Joyce Robert** who lay in that hospital as a result of her stomach, being swollen with cancer for four months. Another was **John Ibu** who

had such severe tuberculosis and asthma that he had hardly eaten anything in eleven months. The doctors performed an operation on him to help him eat, but it failed. The doctors and family had already prepared for his funeral. That night many other hopeless cases were brought in such as the insane, blind, crippled, deaf, and mute. Around 6,500 gathered in this city of 7,200.

I introduced the crowd that night to my best friend, Holy Spirit. They prayed to receive Jesus as their Lord, healer and deliverer. That night 2,500 more people gave their lives to Jesus including **John Ibu**. Then as I normally do, I prayed a mass prayer in Jesus name without laying hands on anyone. Hundreds were instantly healed as Jesus showed Himself alive.

**John Ibu** came up to testify of his miracle. Of course his funeral plans had to be cancelled. **Joyce Robert** came up to testify that the stomach cancer was dissolved through the power of Jesus' name. Her funeral plans were cancelled as well. An insane person testified of demons leaving. **Helen Seseare** (17 years old) and **Steve Asea** (5 years old) both born deaf and mute testified that they could hear and speak. **Carson Kopokoro** was blind in both eyes and testified that he had received Christ as Lord and healer and now could see. **Feildwaid Akai** testified that she did not need her walker after being crippled for two years. The testimonies went on and on. 3,500 had found Jesus as Savior and Lord in those two days.

Prayer and fasting can cause the spiritual atmosphere to be set in order

to release the power of God and to have an atmosphere that is conducive for rain. Some people may read Matthew 17:21 and come to the conclusion that when a tough case comes their way, they better first pray and fast. This is not what Jesus is referring to. He is talking about people being hungry enough for the manifest presence of God that at times food is inconsequential. They are willing to live a lifestyle of prayer and fasting. It's not just running to pray and fast when a hard case comes your way. Did you ever see Jesus telling the "hard cases" (as if there is a hard case for God) just wait a couple of days I need to pray and fast! Of course not! He had a lifestyle of prayer and was instant in season and out.

Prayer and fasting affects the spiritual realm. I believe personally from my study of setting the spiritual atmosphere, that everything good or bad taking place in the natural realm is a direct result of affecting the spiritual realm. Jesus did not say **if you fast**. He said **when you fast**. Fasting and prayer should be a regular part of our life, not something legalistic to do, but from a perspective of grace.

## A Critical Spirit Keeps It from Raining

Isaiah 58:6-9 says, *"Is this not the fast that I have chosen: to loose the bonds of wickedness, to undo the heavy burdens, to let the oppressed go free, and **that you break every yoke?** Is it not to share your bread with the hungry, and that you bring to your house the poor who are cast out; when you see the naked, that you cover him, and not hide yourself from your own*

*flesh? Then your light shall break forth like the morning, **Your healing shall spring forth speedily**, and your righteousness shall go before you; the glory of the Lord shall be your rear guard. Then you shall call, and the **Lord will answer**; You shall cry and He will say, 'Here I am' **IF YOU TAKE AWAY THE YOKE FROM YOUR MIDST, THE POINTING OF THE FINGER AND SPEAKING OF WICKEDNESS.**"*

Verse 6 refers to the freedom that those around us and ourselves can experience when we set the spiritual atmosphere through prayer and fasting. God also ordains fasting, so we can live a physically healthy life. Verse 8 says that our health will spring forth speedily when we fast.

Years ago I wish I had known what Isaiah 58 was all about. It's not just about fasting but having a proper heart attitude. I would have cleansed myself and repented of character flaws that kept the miracles from flowing freely. Isaiah 58:6 says that prayer and fasting can **"BREAK EVERY YOKE"**. What exactly is the yoke that God is talking about? Notice verse 9, *"Then you shall call, and the Lord will answer; you shall cry and He will say, Here I am **IF YOU TAKE AWAY THE YOKE FROM YOUR MIDST, THE POINTING OF THE FINGER AND SPEAKING OF WICKEDNESS.**"*

What is the yoke he mentions? If we are critical and judgmental towards people then we are pointing the finger and speaking wickedness. What is so bad about that? **IT CAN KEEP GOD FROM SHOWING UP IN OUR MIDST AND KEEP US FROM HEARING HIS VOICE.**

Why does there exist so much strife

- continued on page 12

## Setting the Spiritual Atmosphere for Miracles!

– continued from page 11

and division in the Body of Christ? It is because of the pointing finger, judging and a critical spirit in our midst. It all stems from pride. *“By pride comes nothing but strife...”* (Proverbs 13:10). Much of Christianity is cutting down and criticizing others in order to make our ministry or our church or ourselves look good. This prevents God from manifesting His spirit in our midst. When we judge and criticize others we are judging and criticizing God’s workmanship. We need to cease competing with and criticizing other Christians and start working together.

### Critical Spirit, Offense and Unbelief Work Together

I have been in churches where people were critical of the preacher and had the attitude “okay, let’s see what he can do.” As a result of that attitude God did not move, and only a few sick people were healed. **A critical spirit can bring with it offense and unbelief.** It can be to the extent that we **terminate the life flow of God** coming forth from people who God brought into our midst, to take us to another level spiritually, or had a miracle for us from heaven. Jesus had the same problem in His day. **Check out Charlene’s testimony of healing on page 15.**

In Mark 6:1-6, Jesus had come to bring God’s miracle working power in their midst. However, instead of receiving their miracle from Jesus they were offended by Him. Verse 5 points out the

results: Jesus the anointed one could **ONLY HEAL A FEW SICK PEOPLE.**

Vs 6 says *“And He marveled because of their UNBELIEF.”*

In Luke 5:17-26, Jesus was able to heal one paralytic, yet the **power of God was present to heal ALL** (see Luke 5:17). Their attitude kept the others and themselves from receiving from Jesus. Notice, unbelief (lack of faith) did not just come because they had no faith in Jesus, but it came because of offense, because of reasoning (see Luke 5:21) and a critical spirit in their midst as well.

Offense can literally short-circuit the power of God from flowing to those who desperately need a miracle as it was in this case. Psalm 119:165 (KJV) says, *“Great peace have they who **LOVE THY LAW and NOTHING SHALL OFFEND THEM.**”* Do not let offenses, unbelief and a critical spirit creep in and keep you from receiving what God has for you. Often where unbelief exists, the critical spirit, complaining, and offense are also in operation or vice versa. These four, **unbelief, complaining, critical spirit, and offense work hand in hand** in keeping the atmosphere dry and uncondusive for a move of God. It is one of the main ways to invite a demonic religious spirit into our midst. There are many things that enhance setting the spiritual realm for the move of God and on the other side many things that can literally cause the spiritual realm to become dry, where miracles and healings are not happening, because of negative heart attitudes. Learn what things set the atmosphere for the miraculous and do them. ●

# Spring Ministry In Germany and Austria

**M**ark and I had the wonderful opportunity of ministering in **Germany and Austria** from March 31st to April 19th. We ministered in 22 sessions. We had a splendid time getting to know pastors and leaders in both countries, making lifelong friends. There was a strong anointing for healing and infilling of Holy Spirit in many of the areas we ministered in.

We started in **Vienna, Austria**, in a Vineyard Church. This was the first time we ministered in Austria. It was great! We conducted an all day conference on **Humility, The Hidden Key to Walking in Signs and Wonders**. People were healed of years of demonic torment, back problems,

Pastor Greg's son in law had knee problems and was completely healed by Christ - **Billingshausen, Germany April 17-19, 2015.**

**Christian's** wrist was healed. He came back the following Sunday morning to testify. His bone was too long. The Lord shrunk it to his amazement as he did not expect anything to happen - **Wurzburg, Germany April 11-12, 2015.**

rejection issues, etc. The word was well received and many are hungry for further teaching on this subject.

From there we traveled to Germany where we ministered in **Mullheim, Tettang, Wurzburg, Schwaubisch Hall and Billingshausen**. In all these places Mark and I were so impressed with the congregation's hunger. Working with a translator, the messages got rather long, and meetings went quite late at times, yet no one left and were back in full strength the next day.

- continued on page 14

## Spring Ministry In Germany and Austria

- continued from page 13

Many people received healing in these meetings. In **Wurzburg, Christian Schmitt's** wrist was instantly healed with almost a complete range of motion being restored. During prayer, he thought that he would not be healed as he had received prayer for it many times and nothing had changed. He was so excited over his miracle. Now he is planning on ministering with us in India and Nepal this October.

In **Tett nang**, one lady requested prayer for freedom from constant demonic torment, depression with much pain in the body and intestines. Nothing seemed to change at that time, but since our return we have received an e-mail from her, where she says, not only has she received complete freedom for the torment and pain, but has also been filled with Holy Spirit, and is now praying for other people.

Mark's translator **Maximilian** had a severe knee problem. The Lord completely healed him. There was tremendous hunger for Holy Spirit here, and many young men and women were filled and spoke in tongues for the first time. One young man, **Daniel** rather well built and muscular did a lot of floor time under the influence of Holy Spirit and spoke in tongues for the first time. When he arose from the floor his look was quite funny

This man does prison ministry and had a fairly severe injury to his hip. The Lord grew out his short leg and he was healed - **Billingshausen, Germany April 17, 2015.**

as he was not sure what happened. Tears flowed freely as individuals were being touched by Him. Some of these young people including Daniel traveled a great distance to be with us in **Billingshausen, in Northern Germany**. They will also be joining us as part of our prayer team when we return to Germany at the end of the month.

Our final meeting in Billingshausen was powerful and well received. Daniel got blasted there again. Many people testified of healings or miracles as people in this church stepped out and began praying for people. Many were baptized in Holy Spirit and some were released in their heavenly prayer language before we could even pray over them. This church knows how to invite the presence of God through worship and humility but had not seen much in healing. During those three

days that all changed and Jesus was glorified even more.

A highlight of our trip was ministering in **Mullheim** and reconnecting with **Pastor Dietmar**. He has a tremendous heart for young men, and discipling a large number of them. On

**USA / Canada Report** – continued from page 6

was **Destiny Church** [www.destinywy.com](http://www.destinywy.com). **Cheyenne, Wyoming**. Had a great time of ministry and I really enjoyed hearing how this church is taking the Gospel of Jesus Christ all over the city in their everyday lives. Great testimonies of undeniable miracles as they have been reaching out to hurting people. Pastor Rick McGraw was a real inspiration to me. As we went to eat he would be sharing with the waiters and waitress' and asking if they needed prayer. Jesus leaks out of Him everywhere he goes. ●

our last evening there we took four of these young men out to dinner and spent an enjoyable evening with them visiting over the things of the Lord. Their hunger is tremendous and it is exciting to see God using them quite powerfully. Two of these men are hoping to join us this October in India and Nepal. ●

**Charlene** was critical of us praying for healing. While standing in line for prayer she repented to the Lord of being critical and she was instantly healed with nobody praying over her. Church in the Vine - **Edmonton, Alberta February 13, 2015.**
