Himalaya Mountain Outreaches

In May we ministered in the Himalaya Mountain region of North India. We saw a strong flow of miracles, healings, signs and wonders. Our first outreach was in the village of

Bajnath and then a small city, **Mandi**. This region is where Hindus believe their gods originate. There is less than one Christian for every 1,000 people in Himachal Pradesh State. This is changing rapidly. Around 475 decisions were made for Christ on this trip.

Certain things that really stood out is that many people (mostly Hindus) saw Jesus or angels face to face. The results: people falling in love with Jesus along with miracles and phenomenal encounters. The team of six men who joined us from the Delhi area were used powerfully when

they laid hands on the those needing healings and miracles. Some of the most powerful testimonies took place when they prayed. Since returning to Delhi **Pastor Ankit** has had many

testimonies of healings in his church, including **Chaina Devi, a senior lady who was raised from dead** when one of his youth prayed over her.

As follow up is going on now in the village and city, we are hearing of many wonderful things that have continued to happened there till now. Many healing testimonies are coming in now of people in Mandi who had gall

stones and kidney stones. They did not testify earlier as they needed to check it out but are testifying now. One church that participated in the Mandi outreach had only 15 members. Since the outreach 40 more people have

been added to their church. In the village of Baijnath many are coming to follow the Lord in water baptism. Many other doors are opening in this state because pastors from other districts who attended the Mandi outreach saw what Jesus did there.

Ongoing Miracles with Pastor Ankit

outreaches and what happened after he returned home. *"I had the privilege to minister along with Mark Anderson last month in Himachal Pradesh. We saw Jesus perform awesome miracles. As Mark told us to stand in the midst of people who needed healing, I began to talk to Lord. I said Lord we are partners and there is no sickness and disease that we both in partnership cannot beat. Give me the hardest cases. As I was still talking to Lord in my heart, a woman came running to me with her daughter. She said her daughter is deaf from last 6 years and doctors have said that nothing can be done. This came from one of the best hospitals from Chandigarh. I commanded the deaf ears to open. Instantly both her ears opened up and she started to hear perfectly.*

right hand and lifted him up and he was healed and started to walk. In Mandi there was Preeti, who had tumors in her stomach. I asked her to keep her hand upon the tumors, I put my hand on her hand, commanded the tumors to dissolve, and instantly all the tumors dissolved. Glory be to Jesus.

After coming back to Delhi, miracles have just exploded. There are so many healings. One of our youth went to a lady, **Chaina Devi**. He told her about Jesus. She was very sick and died. Her family checked her heart, it had stopped. She came back to life after 15 mins of her heart not beating. When she came back to life she shared what she saw. She saw black beings dragging her to a place she did not want to go. They dressed her in red. Then she saw a tall man wearing white robes coming near. He threw a white cloth upon her and her red dress became pure white. Those black beings said now we cannot take her, they pushed her and ran away. This man (which she now understands was Jesus) held her hand,

picked her up and asked her to go back. Suddenly she came back to life. She also was 90% blind due to cataracts. She came to testify at our church. After church we prayed for her and instantly Jesus restored her vision. She also had twisted intestines and was in pain. Lord gave a word of knowledge for her exact condition and she got completely healed. She went home rejoicing and praising God.

One lady had cancer in her food pipe. The cancer had destroyed her food pipe. She was fed liquids by a feeding pipe attached to her nose. She had not eaten solids for 4 months. She came for prayer, I told her in faith to go home and start eating solids. She came on the following Sunday to testify how God had completely healed her and she was able to eat food without any problem.

Recently we went to a city called Haldwani and did a healing meeting

there. It was the first healing meeting that ever happened there. Churches told the young people who were organizing the meeting that it will be a big flop and no one will come. But Jesus brought hundreds in. Every day more than 85% sick people got instantly healed. Last day there were so many people that the place was not enough to hold everyone. A lady came there who was mute because cancer in her tongue had destroyed her speech. You could have seen her and thought, this lady can die any moment. As I was sharing the Word, she was lying on floor lifeless. As I was praying for everyone, Jesus opened her speech and she began to shout the praises of Lord Jesus. Her face began to glow and all the pain left her, She went home healed by the Lord.

There was another man who had metal rod in his legs because of accident. He wasn't able to sit and bend his knees. After prayer when I asked everyone to check their bodies, he tried to sit and was able to sit perfectly without any pain. He wasn't able to feel metal rod anymore and said its not in my leg anymore. Praise Jesus, He is true healer.

One boy Chetan brought his mother to our church. Her name is Arusiak Sharma. She was suffering from Stage 4, brain and lung cancer. So after the word I prayed a mass prayer for all the sick and so many got healed. But Lord told me that there is one more person who is healed and I could feel such great love of Father for that person. So she walked in front and said she has no pain now. When her family took her to doctor, they scanned her, her son told me that doctors were shocked as they were not able to find any cancer cells in her body. She is healed completely and is very active now. Thank you Jesus.

There is a girl Sonam, She was on death bed as both her kidneys had failed. She was so weak and pale and lifeless. After prayers she got up and got healed. She now comes to meetings and she and her mother gave their life to Lord Jesus.

We are seeing aids, stage 4 cancers, hernia, arthritis, piles, knee problems healed, tumors dissolving, kidney stones and cyst disappearing, deafness and muteness healed, sugar and blood pressure levels becoming perfect after prayer, tooth being filled supernaturally, back bones healed, cervical healed, dead kidneys coming back to life and so many other conditions being healed by Jesus. Jesus is the healer. Its a privilege to partner with Him. It's His desire to use every born again believer. I remember His words very clearly when He called me into ministry, He said go and pray for the sick and I will heal them. Healing is a manifestation of My love. He heals because He loves. You can see many of these testimonies on Ankit Sajwan Facebook page. ●

European Conference

We ministered at the European Conference from May 28th- June 7th in three churches. We started in Duren, a church that is committed to reaching out to the “least of these’. We witnessed a tremendous outpouring of miracles from the inception itself. After training we encouraged the congregation to pray for people in need of healing. They were willing and ready to do so and many received healing as the people prayed for each other. The worship leader’s mother

was crippled with multiple sclerosis and not doing well after surgery. She lived in another town and was unable to attend the meeting. At breakfast we lifted her up in prayer. That evening her daughter testified that her mother was making a miraculous recovery and the following day was even better. She was able to get out of her wheelchair and walk a little. Many were healed of back problems, asthma, partial blindness and hearing loss. Our translator and another gentleman had eye problems. Just before leaving they prayed over each other for healing. blurriness left.

From Duren we travelled to Ludwigsburg. We saw many healings here too along with a tremendous outpouring of joy and laughter. Young and old alike were drunk with the joy of the Lord, rolling on the floor. We are returning to minister in this church in November.

Our final meeting was in a small church in Bitterfeld in East Germany. The ravaging effects of communism are still very apparent in this area. The difference between the east and west can literally be seen and felt. The pastor told us that east Germany has the largest number of atheists in the world. The population of Bitterfeld shrunk from 30,000 to 15,000 in

recent years. Despite this godlessness, Holy Spirit moved powerfully here! **Manuela** had multiple Sclerosis. We prayed over her but nothing seem to happen. She woke up healed Sunday

Setting the Atmosphere for Miracles III

Humility and the Glory

In this article I will focus on what is the most important ingredient to keep the atmosphere conducive for miracles, healings, signs, wonders and a lasting move of God. It is Humility! I am sharing from my book **Humility the Hidden Key to Walking in Signs and Wonders** and from Pastor Steve C. Shank's (www.stevecshank.com) excellent book **God Made Visible, Seeing His Glory and Experiencing His Presence**. Why

humility? Humility is the key ingredient that brings His glory into our midst. It should be our deepest cry just like Moses to say *show me your glory* (Exodus 33:18). Without His glory all we have is lifeless religion at best.

So what is the Glory? There are two meanings. One is the Glory of God, which means an exhibition of, the excellence, or greatness of His manifested presence here is the physical realm. It is heaven or the living Christ being manifested and

seen within our midst. It also means the honor, the fame and the praise due His name. The complete opposite is us taking credit for the good things He does. Thinking somehow we made this happen. *Not that we are sufficient of ourselves to think of anything as being from ourselves, but our sufficiency is from God* (2 Cor. 3:5). When glory goes to God from a heart full of thankfulness His glory comes down. When our glory

or the glory of man comes on the scene His glory lifts. The main thing that has shut down great moves of God and shuts His glory down is arrogance, the glory of man.

There have been tremendous moves of God throughout church history. Most have been short-lived. Why? Proverbs 16:18 gives us the answer. *Pride goes before destruction, and a haughty spirit before a fall*

(Proverbs 16:18). If we would only take time to learn from all those who failed this test throughout church history we

“If we would only take time to learn from all those who failed this test throughout church history we would not be repeating the same mistake time and time again.”

would not be repeating the same mistake time and time again. We need to learn to steward the anointing for His glory only.

One reason Sharmila and I were ordained, licensed and came under the covering of Randy Clark and Bill Johnson's ministry is the humility they walk in. Randy Clark is known for being used by God in the Toronto outpouring that occurred over 20 years ago and has only increased since the initial outpouring took place. Millions have come into the Kingdom of God and many hundreds of people raised from the dead because of this outpouring. Randy wrote the forward in my book on Humility. Here is what He said about humility being so very important in relation to the great outpouring that spread worldwide out of Toronto. Holy Spirit spoke this to him just before going to Toronto. Randy's words *"I will never forget the message's meaning: "This is the most dangerous moment of your life. If you touch the glory, become proud, fail to stay humble, this anointing will destroy you."* I have watched in my lifetime one minister after another fall because they did not understand

I do believe followers of Jesus are catching on, that in order to see a lasting move of God and His glory (heaven) manifested on the earth humility is a priority.

or comprehend these words spoken to Randy BEFORE God began to use Him so powerfully throughout the world. I have watched the very anointing that came on them, using them so powerfully at one time destroy them. You can not mix the glory of God with the glory of man. It spells disaster.

I do believe followers of Jesus are catching on, that in order to see a lasting move of God and His glory (heaven)

manifested on the earth humility is a priority. In India and Nepal I have shared this principle time and time again with leaders who work with us. Now Holy Spirit is using them powerfully. At times I have to sit back and let Jesus' glory manifest through them, even though I am the main speaker. As a result some of these leaders like **Pastor Ankit** (page 3) and others are seeing awesome miracles such as hopeless cripples instantly healed, blind eyes and deaf ears opened, cancer and tumors supernaturally disappearing and even the dead raised in their ministry.

On a consistent basis in our outreaches Jesus and or angels have been appearing to Hindus and Muslims

and they have been supernaturally healed or delivered. Many times this happened when Sam our worship leader in India is leading people into heartfelt worship. I do not get up and speak as I would quench immediately what Holy Spirit is doing. Check out www.markandersonministries.com/category/videos.

The more from our heart we glorify Jesus the more His glory comes down. The more people rob the glory from Jesus the more the anointing dissipates. So let's look at why humility. Jesus said *Come unto Me, all you who labor and are heavy laden, and I will give you rest. Take My yoke upon you and learn from Me, for I am gentle and lowly in heart, and you will find rest for your souls. For My yoke is easy and My burden is light* (Matthew 11:28-30).

In these verses, Jesus very clearly explains His character and nature. In verse 28, He invites the heavy laden to come to Him and find rest. The word for heavy laden in the Greek means to *load up, to overburden with ceremony or*

spiritual anxiety. Many Christians are just going through religious motions, feeling overburdened, and producing little or no fruit. When we come unto Him, He says He will give us rest from that. Rest in Greek means he will give *“recreation, intermission, pause, and a letting down of chords drawn tight.”* Serving Jesus for us in India and Nepal has become like recreation. Ministry for Him is easy and so very enjoyable because we do not have to work it up.

“Think about this, if you learn something directly from the heart of Jesus, it will be more than just head knowledge. You experience something that will radically change your life.”

In verse 29 Jesus tells us to take His yoke (Greek: obligation) upon us and learn from Him. What does He want us to learn? Think about this, if you learn something directly from the heart of Jesus, it will be more than just head knowledge. You experience something that will radically change your life. What will we learn from Him? *“I am gentle and lowly in heart or I am humble.”* Nowhere else does Jesus make a statement quite like this. He is letting us

know that Humility is what He is all about.

I am Humble. Most people when they think of humility it is not good. It has not been a priority in the Body

morning. There was a huge smile on her face when she walked into church that Sunday. I did not recognize her. She said *"I have received and experienced healing through Jesus because you prayed for me. I felt like I had been reborn and have fallen in love with God once again, loving Him with all of my heart."*

All together Mark ministered in 15 sessions in 9 days. It was extremely enjoyable for us and very well received by our German Christian family. 🌟

of Christ to learn Christlike humility. Why? Because when most people, including most Christians think of humility they they tie wrong character traits to humility. They think the more humble you are the more poor you will be. They think of humility and think a humble person is someone who is insecure, timid, shy, weak, a coward, a yes person, doormat, and someone who will not accomplish much in life. Jesus said *I am Humble*. Was he any of those negative things?

Was He poor? *For you know the grace of our Lord Jesus Christ, that though He was rich, yet for your sakes He became poor, that you through His poverty might become rich* (2 Cor 8:9). Jesus was rich

yet He became poor for us. When did He become poor? Not when was born! What happened when He was born? Wise men came and laid gold, myrrh and frankincense at His manger. If you were rich in Jesus days that is exactly what you had. He became poor when He gave it all up and went to Calvary. In fact Jesus was HUMILITY IN IT'S PUREST FORM come down from Heaven. Humility does not bring poverty like religious tradition (around 400AD) taught us. It brings riches and honor. *By humility and the fear of the Lord Are riches and honor and life* (Proverbs 22:4). Humility is a wealth magnet. Not so we are consumed by riches but so we can be wealth generators for the sake of the Gospel. In the days to come you will be seeing

- continued on page 12

Humility and the Glory

- continued from page 11

this more and more in the Body of Christ as people grab ahold of humility from the heart.

Was Jesus insecure? No! Then from where does insecurity come? It comes from pride and the glory of man. Proverbs 11:2 *When pride comes, then comes shame; But with the humble is wisdom.* A bi-product of pride is shame and insecurity. Was Jesus timid, shy, cowardly or weak? No! Look at His boldness even in the face of death and persecution from the religious leaders. From where does shyness and timidity come? It comes from pride when we are more concerned about our reputation and what people think of us than Christ's reputation. Pride will cause us to be bound with the fear of man.

Let this mind be in you which was also in Christ Jesus, who, being in the form of God, did not consider it robbery to be equal with God, but made Himself of no reputation, taking the form of a bondservant, and coming in the likeness of men. And being found in appearance as a man, He humbled Himself and became obedient to the point of death, even the death of the cross. Therefore God also has highly exalted Him and given Him the name which is above every name, that at the name of Jesus every knee should bow, of those in heaven, and of those on

earth, and of those under the earth, and that every tongue should confess that Jesus Christ is Lord, to the glory of God the Father (Philippians 2:5-11).

Verse 7 says Jesus made Himself of **no reputation**. Who's reputation and image are you more concerned with yours or His? The Greek word for **no reputation** is Kenosis, which means *to make void of none effect, laid aside equality with God, deprive of force, cause a thing to be seen to be empty, hollow.* What was it like for God the Creator to strip Himself of this privilege, come to earth a man and humble Himself as a servant, even to the point of death itself? It was the greatest act of humility and it led to the greatest exaltation ever (see verse 9-11).

Why humility? How did mankind fall in the beginning of time? Lucifer got lifted up with pride and wanted to be exalted above God (see Ezekiel 28:11-19 & Isaiah 14:12-16). He failed and fell because of His arrogance so he came to earth. On earth he came to destroy God's Creation, telling Adam and Eve they could have their eyes opened and be just like God. Adam and Eve yielded to the temptation of pride and fell. That was called the PRIDE OF LIFE. They fell because of pride. How would mankind be redeemed? BY THE GREATEST ACT OF HUMILITY EVER! God Himself coming to earth in humility would redeem mankind. This is why we need to emphasize humility.

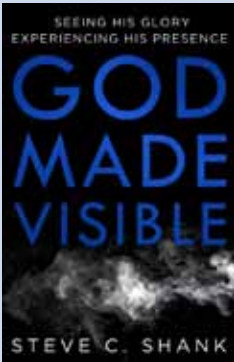

Mankind started this thing with pride. Now we are called to finish with humility.

If we can learn this what would happen to this lost and dying world? The glory of God would cover and be seen all over the world. *Therefore humble yourselves*

under the mighty hand of God, that He may exalt you in due time (1 Peter 5:6).

Humility means to get low or to be bowed down. Learn from Jesus the way up is to get low. We will continue this series in our next Magazine. 🌐

Charisma's Mission Trip To Brazil

Many Signs, Wonders, Encounters and Miracles

By Mark R. Anderson

Charisma just returned from a life changing mission trip to Brazil. She did not want to come home because she felt like she was leaving family. She was part of the Youth Power Invasion put on by Randy Clark's ministry, Global Awakening. Thanks to all who supported this trip and prayed for her.

The ministry took place in 2 phases. During the first phase Randy Clark and his team ministered and prayed for the youth. Each day on the ride over to the church the bus was filled with youth worshipping Jesus passionately. Everyone was getting drunk in Holy Spirit. Charisma admitted she was a bit skeptical until a young girl touched her and she was laughing and crying for the rest of the trip. At the training time Randy gave Charisma a word saying "You do not have to be like your parents. God has a unique ministry for you." Then he blew on her and she fell over, with Holy Spirit all over her.

After training, in Phase two the teams broke off into small groups and went to different churches to minister. Charisma's team arrived at a small and poor church. The church fed them, washed their feet. The pastor's daughter, who was Charisma's age admitted she was agnostic and not living for Jesus. She followed Charisma around. Later Charisma and others prayed for her and she was healed and had an encounter with Holy Spirit. She felt like she was flying. After this she gave her life back to Christ. The whole church was tearful as the team left. As they traveled a long

distance back to the hotel everyone in the van was overcome by Holy Spirit and began crying profusely for the next hour. Charisma said even the tough boys were crying.

On July 4th they did an outreach to a church with about 200 members. The presence of Holy Spirit was strong on everyone and the place was covered with gold dust. Charisma saw a 14 year girl who's lips were covered in gold dust and told her that an angel kissed her. Afterwards she and this girl went praying for people. Every person was slain in the Spirit as they prayed for them. I asked Charisma how long did the gold dust last? She said even after many showered and it was still on them. She was covered for 2 days. She said one Brazilian boy a week later is still covered in gold dust.

She prayed for people. She saw a lot of people healed of headaches. She remembers praying over a man with severe respiratory problems, he fell over and was shaking. He later found Charisma and said he was completely healed and could breathe freely. He also saw a vision of pure white (glory of God). He told her "I want to bless you and your family." She is already wanting to go back to Brazil next year and wants us to go with her. ●
