

# Mark Anderson and team are coming! Christian rock music, along with message of hope and power! Prayer for physical and emotional healing! Everyone welcome!

Mark's message is that God is not out to punish you, nor is He your problem. He is the answer to your problems! Jesus is full of power! But even greater than that, full of love. *Jesus Christ is the same yesterday, today, and forever* (Hebrews 13:8).

## Miracles and healings are a regular part of Mark's outreaches worldwide!
