Nepal / India June 2018 Report

Our recent trip to far west Nepal where we conducted leadership training was very successful. Because local churches in that region had been bombed or set on fire, just before we arrived we could not hold public meetings. Even the leadership

Where are they now since coming to Christ

Mr. & Mrs. Singh

During our first visit in 2013 to his city, Mr. Singh had a vision of a Man (Jesus) on a Cross with blood flowing down while Mark was preaching the first night. After that he saw this man (Jesus) moving through the crowd touching people during the mass prayer for healing. That night many were instantly healed by Jesus. Mr. Singh and his wife received Christ that night. He and his wife wore charms to ward off evil spirits. When sharing this story with Mark, Mr Singh felt they were to take off the charms. He asked for prayer as he had terrible back pain in the exact place where had worn the Hindu charm. Mark

Mrs. Singh lost in worship, during our June 2014 outreach. I interviewed her and Mr. Singh to ask what life was like since coming to Christ one year earlier. Mrs Singh said that it has been wonderful. She told me that when they sit down to eat their evening meal Jesus has appeared at the dining table and eaten with them quite often - **June 2014.**

prayed over him, his leg came out one inch and his back was instantly healed.

Mr. Singh and his wife attended the second night too. That night Mark was unable to preach as Jesus and angels appeared to people in the crowd healing and delivering many. At the close of the night Mark sang the "Ultimate Sacrifice" Mrs. Singh danced a very beautiful dance in the Spirit. She did not know English yet her movements mimicked what Mark sang. Later as I conversed with her she told me that as Mark began to sing she saw a tall man standing by Him with a crown and she felt compelled to dance. She said that she could never have done such a thing on her own whim as she is very timid and shy - June 2013.

Does God Do Both Good And Evil?

Excerpt from Chapter 3

Below are excerpts from my latest book **THE AUTHORITY GIVEN TO MANKIND**. Some times God is blamed for tragedies, disasters, and terrible trials in life. This is a very distorted picture of the God of all creation, Jesus and what He came to do for mankind. In Jesus is perfect theology (See John 14:9, John 6:38, John 1:14, etc). Many Christians have gotten away from what Jesus taught and embraced. Much of this distortion came around 400AD when Augustine, a great man of God, but unfortunately brought his Greek philosophy into our western form of Christianity. John Calvin and other leaders continued with this belief that everything that happens in this lifetime good or bad is God's will and we can't do anything about it. This fallacy has continued to this day, that causes many to have a very distorted view of Christianity. Most Christians unknowingly are more influenced by Greek Philosophy, Zeus and this distorted western form of Christianity than they are by the Bible. I show throughout my book where this distortion started, how it impacts Christianity, especially when it comes to healing and miracles and how we can get back on track with what Jesus embraced and taught. Below I write about one of these distortions.

If the earth is in the throes of disaster, it is not God's fault. It is mankind's! **Do not be deceived, my beloved brethren. Every good gift and every perfect gift is from above, and comes down from the Father of lights, with whom there is no variation or shadow of turning.** (James 1:16-17). This is a simple theology lesson that you would think most Christians would know! God is good and Satan or demons are bad! Satan and God the Father do not work together, nor are they playing on the same team. They are enemies! The earth was given to mankind along with the authority to bring good or evil into this world. Despite possessing this authority, evil men do evil, give place to, have the aid of demon spirits (to carry out evil on the earth), just as Christians have the Holy Spirit/ God (to do good) to carry out their God-given authority. Verse 16 says **Do not be deceived!** Pretty strong warning from James! Yet today so many Christians are deceived thinking God does

both good and bad and somehow Satan and God work together to further God's purpose and plan for your life.

We need to realize the earth was given to mankind and if good things are expected then we have to do our part, working in partnership with Holy Spirit, to carry out our authority and bring about good. When we realize we have a part to fulfill and Holy Spirit will work with us to change things then we will cease being beaten up in this life with everything the enemy throws our way. God is not the author of evil occurrences in this world. He gave the earth to mankind to do good or evil. **It is man's choice!** Many in this world, are being used by the enemy like puppets to carry out evil on the earth. God is not doing this evil, nor is it His will for these things to happen. Much of the evil in this world can be attributed to mankind partnering knowingly or unknowingly with demonic spirits or Satan's will or mankind is to blame for doing bad or stupid things without

the aid of demons. Either way mankind makes choices and lives with the consequences of poor choices. This is not God's will.

Is Everything that Happens in Life God's Will?

Those who believe that God orchestrates both good and evil events say everything good or bad (evil) works together for the good of all people in this world. One place they get this is from taking Romans 8:28 out of context; which says, **"and we know that all things work together for good to those who love God, to those who are the called according to His purpose."** Do all things good and bad automatically work together for good, like Augustine and Calvin believed and taught their followers? It is very important not to pull things out of context to make it adhere to our beliefs. I do not believe all things necessarily work for the good of every person on this planet. The Apostle Paul is not saying in Romans 8:28 that all things good and bad in life are automatically God's will no matter what. Notice how that verse starts, with an **'and'**. That means there is something tied to that verse before that. Look at Romans 8:26-27 just before verse 28: **Likewise the Spirit also helps in our weaknesses. For we do not know what we should pray for as we ought, but the Spirit Himself makes intercession for us with groanings which cannot be uttered** (Greek says groanings, which can't be uttered in articulate speech or known speech). **Now He who searches the hearts knows what the mind of the Spirit is, because He makes intercession for the saints according to the will of God.**

Notice the prior verses are talking about Holy Spirit interceding through us "according to the will of God." He does this when we are praying in the Spirit or tongues, just like Jesus prayed before raising Lazarus from the dead (1 Corinthians 14: 13-15, 18, John 11: 33 & 38). Praying like this is what helps us flow in the power of Holy Spirit especially in an environment where the miracles

of Jesus are needed. My testimony of how I was called into ministry revolves around these verses. The purpose of praying in the Spirit is to allow the Holy Spirit to pray through us for God's will to be done. He, Jesus, makes intercession for us (Hebrews 7:25). The Holy Spirit helps us pray according to His will by praying through us in the Spirit or tongues.

1 John 5:14-15 says if we pray for something according to His will: **Now this is the confidence that we have in Him, that if we ask anything according to His will, He hears us. And if we know that He hears us, whatever we ask, we know that we have the petitions that we have asked of Him.** If the Holy Spirit is praying through us for God's will to be done, don't you think all things will work together for your good? I have seen both good and bad things work together for my good when I have allowed the Holy Spirit to pray through me. There is no such thing as everything just automatically working together for the good of every person on this planet. I could give you hundreds of stories of things not working together for the good of people in this world.

Romans 8:28 also says **to those who are the called according to His purpose.** Let's say, for example, as a Christian I am not fitting into the purpose and plan that God has for my life. Could things end up not working together for my good? I have seen Christians all over the world, not fitting into God's plan and purpose for their life — they end up living a miserable and defeated life. All things do not work together for good if we understand these verses and live in reality. All things can work together for the good if we are doing what Romans 8:26-28 says to do. **Each person has his or her own free will. Man has a choice. He can yield to God to do good, or be drawn away by his own lusts (see James 1:14-15) or yield to demons to do evil.** ●

Mark, I have to tell you that I've downloaded your new book on to my Kindle and HAVEN'T BEEN THE SAME SINCE!!!! Truly, the truth, so well displayed in your book, has stirred my spirit beyond words. I ordered and received several copies to share with friends and those who have started the book have agreed with me that it is filled with life changing truths revealed. Very well done, Mark. I hope to have a small group study based on your book... seeing miracles and life changes. Your book will change many lives and we thank you for this wondrous book.

— **Marty Peet Jackson, Wyoming**

This book embraces a life that is surrendered to Jesus, coupled with powerful grace. Mark takes a simple, theological vantage point as he discusses the authority God has happily given to people so they might co-labor with him. The Authority Given to Mankind ties the theology with numerous scripture references and testimonies that demonstrate the truths that are discussed. The testimonies are beautiful and powerful and fun to read! You will be blessed to see the practical demonstration of authority and emboldened to see it reproduced in your life.

— **Steve Backlund, Bethel Church Redding, CA**

Mark Anderson lives what he teaches. In his latest book, The Authority Given to Mankind, Mark creates faith in the reader with powerful testimonies, plus lays out a biblical foundation for understanding what God offers to His people. This one needs to be read by all!

The Impact This Book is Having Around the World

For much more on this subject order my book **THE AUTHORITY GIVEN TO MANKIND**. Sharmila and I began this year with a period of fasting and prayer. During this time I had a very vivid dream. I was out on ice with a couple of other guys. We could hear a whale heading to surface, to break through the ice. We were very excited, and were waiting for it with great anticipation. Whales do not break through ice. A whale represents something enormous. Having spent time working with the Siberian Yupik Eskimos in Alaska I know how important it is for an Eskimo village to be successful in whale hunting. A whale feeds an entire community. Oil (a type of the Holy Spirit) is a byproduct from a whale. Whale breaking through the ice represents something EXTREMELY BIG and out of the ordinary.

At the time I had the dream I was writing and formatting my book **THE AUTHORITY GIVEN TO MANKIND**. I felt strongly this dream was tied to releasing this book and its impact. Ever since the release of this book I have been sharing from it everywhere we go from India, Nepal, Germany to the Colorado prisons and in churches. The result has been

a huge increase of supernatural undeniable miracles, healings, signs, wonders and even Jesus appearing to people, like on our recent trip to India. It has been awesome to see this increase but the thing I am the most excited and blessed about is wherever we teach these things leaders, believers (many of them new believers), refugees, prisoners, etc are understanding their authority, using it and seeing many undeniable miracles and healings themselves, while we watch them put this into practice. In this magazine we share about the impact this book has made in many believers' lives around the world.

We have decided to cancel our trip to Nepal and India in October. We feel we are to focus on something much bigger that can greatly impact India and Nepal. **ACTIVATING THE BODY OF CHRIST!** The translation of this book into Hindi has been completed and soon it will be translated into Nepalese. Once we raise the support printing will begin in both countries. Our goal is to have these books printed sometime in September. **The goal is to provide thousands of believers this book so they can impact their nation.** ●

The Damaging Effect of the Religious Spirit in Politics

When the righteous are in authority and become great, the people rejoice; But when the wicked man rules, the people groan and sigh (Proverbs 29:2). The upcoming 2018 election is at hand. Primary elections are also very crucial! We need to be informed and vote with a Kingdom perspective in mind. My book **THE DAMAGING EFFECT OF THE RELIGIOUS SPIRIT IN POLITICS** came out in 2016. We used this book to activate Evangelical Christians to get involved in politics and to be informed who they are voting for. Now with another crucial election at hand we would like to offer this book **FREE TO ANYONE WHO REQUESTS ONE.**

Dual Meaning Of The Word Power

Excerpt from Chapter 6

By Mark R. Anderson

*In this excerpt I write about the different meanings for power and authority, which is so important to understand. Jesus modeled this perfectly for us to follow as an example. Jesus like us was given authority on this earth by being born on earth. This is something He stated in the beginning of time (see Genesis 1:26-28) & Psalms 115:16). Jesus, the Creator, who stripped Himself of His deity (see Philippians 2:6-8) needed more than just the authority of being born on earth to perform miracles. He needed the baptism of the Holy Spirit, the **Dunamis power** (see Matthew 3:16-17 & Acts 10:38) to begin His healing and deliverance ministry at age 30. Check out the difference in these two Greek words for power and authority in order to grasp how authority and power work on this earth.*

There are two Greek words used in the New Testament for **power**. The first Greek word for power is **EXOUSIA**, which means authority, privilege, right, liberty, jurisdiction and strength. The other word is **DUNAMIS**, which means mighty work, strength, miracle, power residing in a thing by virtue of its nature and power for performing miracles. **Dunamis** is also the root of the word dynamite. By understanding these words we can see the power God gave us in Genesis 1:26-28. We can also understand why we need the Holy Spirit to carry out that authority. Let's look at these words in different passages.

Exousia is used by Jesus in Luke 10:19 He says *"Behold, I give you the authority (**exousia**) to trample on serpents and scorpions, and over all the power (**dunamis**) of the enemy, and nothing shall by any means hurt you."* The word authority here is **EXOUSIA**, the authority we were given in Genesis 1:26-28.

A good example of this kind of authority and power would be of a police officer directing traffic at a busy intersection. That police officer is given the power or authority to direct traffic. Let's say a driver does not want to stop his

truck when the officer signals him to do so. Could that officer physically stop this truck? Of course not! The truck would flatten him if he tried to do that. He would have to move out of its way. The officer you could say has the authority (**exousia**), but not the might or power to enforce physically (**dunamis**). That is where the power of the law comes in and **the laws** of that land **are enforced!** The trucker is arrested and made to pay the penalty for his crime.

Within ourselves we cannot carry out our authority. Just like the officer in the example has authority to direct traffic but does not have the physical might or power to stop the truck, we have the authority but need the might and power (**dunamis**) of Holy Spirit to enforce our authority. Jesus said in Acts 1:8 *"But you shall receive power (**dunamis**) when the Holy Spirit has come upon you; and you shall be witnesses* (Greek- someone who verifies his testimony with an exhibition of evidence, something evidential, with proof, vouch for, prove, guarantee, bears witness by death and martyr) *to Me in Jerusalem, and in all Judea, and Samaria, and to the end of the earth."* Here the word for power is different. It literally

means **miraculous ability**. When we are in partnership with the Holy Spirit, He gives us the ability to carry out our God-given authority through His **mighty power**. He is the miracle worker.

The Baptism of the Holy Spirit is something that comes after salvation. Jesus is the one who baptizes us in the Holy Spirit when we hunger for the power of the Holy Spirit to be His witness. John the Baptist said this about Jesus: *"I indeed baptize you with water unto repentance, but He who is coming after me is mightier than I, whose sandals I am not worthy to carry. He will baptize you with the Holy Spirit and fire"* (Matthew 3:11). Just like the heavens were opened and Jesus was baptized in the Holy Spirit at the Jordan River in Matthew 3:16-17 to begin performing miracles and to carry out His authority, we need the same heavenly experience and power (**dunamis**) too if we want to see miracles and healings on a regular basis.

Jesus said *Blessed are those who hunger and thirst for righteousness, For they shall be filled* (Matthew 5:6). If you want to see the authority you have been given by God released in your life there needs to be a hunger to be filled, immersed, and baptized in Holy Spirit by Jesus. Whatever you hunger for you will be filled with that. You should hunger for the power of Holy Spirit in your life! If you have not experienced this yet, press in for this heavenly experience. You won't be disappointed (see Luke 11:9-13). In the book of Acts, three out of the four times it mentions being filled with the Holy Spirit it is accompanied by speaking in tongues. Being able to pray in tongues has helped release my faith and authority to perform miracles and healings in Jesus' name. Jude verse 20 says *But you, beloved, building yourselves up on your most holy faith, praying in the Holy Spirit*. Praying in tongues is praying in the Holy Spirit. 🙏

Check out our Report of what Holy Spirit is doing in East Germany and amongst the refugees on page 12-13! Many churches in East Germany are wanting us to come and minister. East Germany has the most atheists per capita in the entire world. Holy Spirit is changing that. On our upcoming trip in August we will be in 6 more East German Churches. We are also expecting to baptize many more Iranian and Afghani refugees during this August trip to East Germany!

Ministering To Refugees and East Germans

Mark and I had an extremely enjoyable and fruitful trip to Germany April 11-26, 2018. We had the opportunity of ministering in five churches in east Germany. Apart from that we also ministered extensively to refugees from Afghanistan and Iran. I know that refugees can raise feelings of alarm within some of us as they are not the most popular group of people in the world and understandably so. However I also know that there is not one person on this earth who Jesus does not look at with love. Given this and the fact that Mark and I are consumed with the need of reaching Muslims, we are just grateful to the Lord for giving us the opportunity of loving them and seeing them respond to the love of Christ unabashedly. I can fill page after page of testimonies of these refugees coming to Christ and what He is doing for them and their response to Him, but will have to content myself with a few testimonies.

We worked once again with **Pastor Gerhard Lewerenz**, who has a tremendous heart for the refugees. Over 600 refugees have to come to Christ through his ministry and are actively serving the Lord. We ministered at his church in Ludwigslust as well as conducted a two-day outreach to refugees in the city hall. Many testified of being healed by Christ of migraines, skin conditions, deafness and severe fear. Mark baptized 21 men and women after the service on Sunday. This is a huge step of faith for them as they could be targeted by the radical elements for turning away from Islam.

We were drawn to **Mirwaise**, 19 years old Afghani refugee. His father was killed by the Taliban in a roadside bomb. He was living under the protection of Pastor Gerhard where he turned his life over to Jesus. A month after he came to Christ, we met him when he attended one of our meetings in east Germany. As we prayed over him, he began speaking in tongues, was slain by Holy Spirit and was

Dustin - 17 years old! Had surgery on left foot, six visible scars, 2 holes not healing. Unable to run or put much pressure on foot! After prayer healed and scars disappear - Putnitz, Germany April 25, 2018.

Mirwaise - Afghan refugee (around 19 years old), whose father died in a bomb blast in Afghanistan. Fled to Europe. Sweden was ready to deport him back but he fled to Germany. Now being taken care of by Pastor Gerhard. His cousin was deported and died a short time later in a roadside bombing. Since coming to Pastor Gerhard's home he has accepted Christ, filled with Holy Spirit, slain in the spirit and spoke in tongues on April 18, 2018. On April 22nd baptized in water (photo hugging Mark after being baptized). Then April 25th helped us pray for people needing healing. Many healed by Christ!

healed of stammering. A week later he joined us in another meeting, where Mark asked him to pray for a young boy, **Dustin** who was crippled in his foot because of an unsuccessful surgery, that left holes in his foot. Dustin was instantly healed, the holes and scars on his foot disappeared and he was able to walk without pain, in fact he ran, something he had not been able to do for a long time. Mirwaise's sweet heart for the Lord is very obvious and it is hard not to love him instantly.

In every church that we ministered in, the Lord moved in power with undeniable miracles. **Ingrid** was totally blind in one eye and had only 3% vision in the other eye. After prayer she had blurry vision in the blind eye and could see clearly from the other eye. Her healing was progressive and her vision kept improving. **Hannes**, a young teen, had poor vision in one eye. We prayed for him after the service. Upon our return to the USA, I received an e-mail from his mother saying that Hannes had gone to the doctor who confirmed that his eye was much improved and his vision was much sharper. People testified of being healed of heart problems, osteoporosis, back and knee pain, arthritis and much more!

Ingrid - Totally blind in one eye and only 3% vision in other eye. After prayer blind eye had blurry vision and other eye can see clearly and count fingers - Ludwigslust, Germany April 19, 2018.

It is the result of these miracles that all the churches want us to return and minister again and other churches all over eastern Germany want us to minister in August and October as well. In August we will be meeting with more leaders to plan two large refugee outreaches in October 2018. 🌟

Colorado Prison Tour: Heaven Invades Prisons!

Women's Correctional Facility Pueblo, CO.

Upon arriving home from our March India/ Nepal trip we were pretty exhausted. That night I had a vivid dream about Colorado. I saw a massive amount of snow and rain. After it cleared up there was a huge harvest. We were all amazed by this huge harvest. From **May 11-19, 2018 I along with 4 other men ministered in 8 prisons in Colorado.**

Jesus did save the best for last! Our last stop was the women's prison in Pueblo, Colorado. We were unable to lay hands on the ladies to pray for them, so we told them to lay hands on the part of their body that needed healing. **She sat on the gym floor with her hands on both legs while we took authority in Jesus' name over sickness, infirmity and pain. She began sobbing, tears falling onto her prison clothes. I asked her what was happening. She said "my legs are on fire and I am healed of muscular dystrophy. Look I can move my foot for the first time in years."** Another female inmate spoke up and said "the screws and rod in my arm just disappeared." Another inmate reached over and said, "The screws are gone!" These was just two of many inmates who were miraculously healed by Holy Spirit as we ministered in 8 prisons in Colorado. About

60 to 65 inmates turned to Christ during these outreaches & there were even more healings and miracles than salvations. There seemed to be a special anointing for miracles and healings in 6 of the prisons we went to. Holy Spirit used my rock n roll songs to break the ice with many prisoners, who really enjoyed the music. Afterwards they were very open to hearing me share the good news of Jesus Christ.

In the Buena Vista Maximum facility most inmates who were healed felt heat in the part of the body that was healed. One inmate was suffering from severe head trauma since 2009, from a motorcycle accident, in which he died twice before being revived. After prayer the pain left. One Muslim inmate who had an arm with limited mobility said to John Allen (a team member) after he prayed for him that he felt heat and he got his movement back. He said, "I wish I could lie and say this didn't happen." He wasn't ready to accept Jesus as Lord but he is one step closer.

Because of the success of this prison tour we have many invites to return to Colorado, to some of the same prisons and to minister at other prisons. We are praying about doing this in November and will keep you posted when we go. 🌟
