CHAPTER 5

Mirror Imaging

He said to them, *“But who do you say that I am?”* Simon Peter answered and said, **“You are the Christ, the Son of the living God.”** Jesus answered and said to him, *“Blessed are you, Simon Bar-Jonah, for **flesh and blood has not revealed this to you, but My Father who is in heaven. And I also say to you that you are Peter, and on this rock I will build My church, and the gates of Hades shall not prevail against it*** (Matthew 16:15-18). Jesus did not build His Church upon Peter, but He built it on what Peter stated by revelation knowledge from Heaven. Jesus said that He will build His Church on the rock of revelation knowledge that He is the Christ. Notice also He said the **gates (Greek-authority, influence and leadership)** of Hades (Hell) shall not prevail against that rock and against His Church, the Body of Christ.

The Authority Given to Mankind

In Matthew 16:19 (Amp) Jesus says, *I will give you the keys (authority) of the kingdom of heaven; and whatever you bind [forbid, declare to be improper and unlawful] on earth will have [already] been bound in heaven, and whatever you loose [permit, declare lawful] on earth will have [already] been loosed in heaven.*" If negative things are happening on earth, believers have the authority to bring about positive change. In this verse Jesus is talking about changing the spiritual atmosphere to see permanent change in the physical realm. One thing taught in Greek philosophy and promoted by Augustine is that **the spiritual realm has preeminence over the physical realm**. This is most certainly true! But Jesus, the Jews, and the early church did not separate the spiritual and physical realms as taught by Plato and those who embrace Greek philosophy. If we can affect the spiritual realm we can see numerous miracles or circumstances change for the better in the physical realm. Spirit filled Christians have the authority and the power of Holy Spirit to change the spiritual realm and then, in turn, to change the physical realm and the circumstances around them. Jesus gave us the keys of the kingdom of heaven. If you have the keys of a kingdom, everything in that kingdom is at your disposal. Heaven is the main kingdom of the entire universe. Jesus wants us to use the keys of the kingdom of Heaven (here on earth).

Some of what Jesus talks about here in Matthew 16:19, is based on the concept of **mirror imaging**. This refers to affecting

Mirror Imaging

the spiritual realm for success in the physical realm.

You might say mirror imaging, what is that? It might be hard for men to understand this principle, but not women. Women go into the bathroom in the morning and get in front of a mirror and a short time later come out transformed. Why? Because they look at that reflection of themselves in the mirror and fix whatever they need to beautify themselves. Most men hardly know what a mirror is. This is what Jesus is talking about. Reflecting heaven unto this earth. Jesus said pray like this “*Your will be done On earth as it is in heaven*” (Matthew 6:10). Is there any sickness, infirmities, demonic torment, wars, hurricanes, killings, or hatred in heaven? No! Then we should be reflecting, like a mirror, heaven unto this earth.

I personally believe for the most part everything that happens in the physical realm, such as miracles or a move of the Holy Spirit came as a result of affecting the spiritual realm first. We need to affect the spiritual realm to see results in the physical realm. We need to reflect heaven on the Earth, just like a reflection in a mirror. The Israelites understood this concept and were in tune to the spiritual realm. They knew that if they could affect the spiritual realm they would see great success in the physical realm.

2 Chronicles 20 is a good example of this ‘Mirror Imaging’ principle, found throughout the Old Testament. The people

The Authority Given to Mankind

Jesus ministered to understood this principle because they were in tune to both the spiritual and physical realms. They did not separate the spiritual and physical realms like we are taught here in the West to believe because of the influence of Greek philosophy. Judah called upon the living God with fasting and prayer to affect the spiritual and the natural realm. King Jehoshaphat also did this when the combined armies of Moab, Ammon and others besieged Judah and there appeared no way out for Judah (Ref. 2 Chronicles 20:1-30). They were greatly outnumbered!

After praying, fasting, operating in faith and affecting the spiritual realm God spoke through a prophet in 2 Chronicles 20:15, *“And he said, Listen, all you of Judah and you inhabitants of Jerusalem, and you, King Jehoshaphat! Thus says the Lord to you: Do not be afraid nor dismayed because of this great multitude, for **the battle is not yours, but God’s.**”* King Jehoshaphat understood that God would deliver Judah from the vast enemy army and instead of sending soldiers out to face the enemy, he sent the praise and worship teams to worship God before the enemy. Worship is powerful in affecting the spiritual realm. As they were praising God, the Lord sent ambushments (angels) against the enemy, and the enemy was defeated. These kind of events happened time and time again in the Old Testament when the spiritual realm was affected, allowing great things to happen in the physical realm.

Angels Move On Our Behalf

In Isaiah 37:36 the Lord sent one angel who killed 185,000 Assyrians, once again protecting Judah from the enemy. King Hezekiah prayed to the Lord, affecting the spiritual realm, and then saw results in the physical realm. Many nominal Christians think angels are just fat little naked babies as portrayed on glass-stained windows. I guarantee you a fat little naked baby could not kill 185,000 people. Angels are powerful! Hebrews 1:14 says, *Are they not all ministering spirits sent forth to minister for those who will inherit salvation?*

Angels move on our behalf when we affect the spiritual realm and stand on the authority of God's Word. *Bless the Lord, you His angels, **Who excel in strength, who do His word, heeding the voice of His word.** Bless the Lord, all you His hosts, You ministers of His, who do His pleasure* (Psalms 103:20-21). Angels excel in strength and heed the voice of His word. There is tremendous authority released when we stand on, confess and live by His Word. All heaven backs up His Word.

Jesus said in Luke 12:8-9 *“Also I say unto you, whoever confesses Me before men, Him the Son of Man will **confess before the angels of God.** But He who denies Me before men will be denied before the angels of God.”* When we are confessing Christ before men we are setting a spiritual force into motion. God's angels are going out to minister to the heirs of salvation.

The Babylonians understood and acted upon this principle of mirror image as well. The difference lay in the fact that they called upon demonic powers for victory. They built a city and buried it underground. Then they built the replica of that city above the ground in order to call upon the powers of the underworld. They affected the spiritual realm and as a result won great battles and conquered many in the physical realm, in their time. Assembly of God Pastor Don Brokus from Cody, Wyoming shared this with me regarding mirror imaging. *“Mirror image is an old concept understood in many ancient cultures, e.g., Sumerian, Babylonian and Hebrew. Sumerian and Babylonian foundation prayer cones or spikes have been excavated and translated, and the purpose of those cones were to “appease” the underworld gods (they were placed at the corners of the underworld city and buried). Pagan gods are not, nor ever were, viewed as benevolent.”*

Do Jesus or The Bible Teach Natural/ Spiritual Division?

Let's take a look at what Jesus and the Bible have to say about the natural/spiritual division. We will see clearly through the scriptures that the ancient Jews and Jesus did not divide these two realms, but operated with both the spiritual and natural or invisible and visible realms being fully integrated or as one. This is important to understand if you want to see heaven invade this earth with Christ's miracles, healings, signs and wonders.

I believe Jesus had perfect theology. You can't have better

theology than what He taught. In John 14:9 Jesus said, *He who has seen Me has seen the Father.* He also said in John 6:38, *“For I have come down from heaven, not to do My own will, but the will of Him who sent Me.”* John 1:14 says, *And the Word became flesh and dwelt among us...* I do not think you can get better theology than Jesus, the Living Word made manifest. As followers of Christ, we need to **filter all our theology through Jesus and what He accomplished at Calvary.** It is important as believers to live our lives on the right side of the cross. Many Christians live their life as if Jesus never went to the cross. We are living under a New Covenant, which is much better than any previous covenant because Jesus laid down His life and was raised from the dead.

What we are basically doing according to this principal of mirror imaging in Matthew 16:19 is reflecting heaven onto the earth by not separating the spiritual and natural or invisible and visible realms. With the keys Jesus gave us, we can use our authority in the physical realm to affect the spiritual realm and then see the manifestation of that in the physical realm. For Jesus there was no separating these two realms, they are both one and fully integrated. That is why Jesus prayed in Matthew 6:10, *“Your kingdom come. Your will be done on **earth** (physical realm) as it is in **heaven** (spiritual realm).”* We are to reflect God’s Kingdom here on planet Earth. Why would Jesus pray your will be done if, like Augustine and Calvin believed, everything good and bad that happens in life is God’s will? It is clear there are many things

The Authority Given to Mankind

happening on this earth that are not God's will. That is why Jesus came to do the will of the Father (John 6:38) and destroy the works (will) of the devil (see 1 John 3:8).

Paul said, *For we walk by faith, not by sight* (2 Corinthians 5:7). Many in Christian circles are doing everything they can in the natural or physical realm to bring about the answers to their prayers. Their faith is totally dependent on what can be worked up in the natural realm, what they feel, see, hear, etc. Faith in God moves beyond the physical realm or what can be achieved in the physical realm into affecting the spiritual realm and bringing the manifestation into the physical realm.

Hebrews 11:1-3 says, *Now faith is the substance of things hoped for, the evidence of things not seen. For by it the elders obtained a good testimony. By faith we understand that the worlds were framed by the word of God, so that the things which are seen were not made of things which are visible.* Faith can actually bring about something (physical) out of nothing (invisible). Faith activates the miracle working power of God the same way fear activates Satan's destructive power. Rather than releasing authority into Satan's and demons will through fear and worry release your authority through faith in what God has said in His Word.

Fear and worry not only activate Satan or demonic power just like faith activates God's creative power but it gives Satan and demons authority to operate in our lives and the world around

us. Look at Job! *For the thing I greatly feared has come upon me, And what I dreaded has happened to me* (Job 3:25). Even though Job's heart was right before God and he had limited knowledge of what was happening to him, could fear have allowed the door to be open for Satan to afflict Job (see Job 2:17)? The Hebrew actually states I feared a fear and it came upon me. It has been said that the words 'fear not' are mentioned in the Bible 365 times. That is one for each day of the year. Fear is faith perverted. Faith needs to be the center of our decision making process. Do not let fears and phobias from the past control your future destiny. It is putting faith in what the Devil has said about your circumstances. Put faith in God's word not what the Devil, demons or your physical circumstances dictate.

Some people do not even realize they are living their lives in fear. Let me explain. They let negative experiences from the past dictate how their lives should be lived today. They do not appear to be living in fear outwardly, but by their subconscious actions and decisions they show that they are living in fear. It can greatly impact the lives of those that are close to them by passing on those fears and phobias. Fear is contagious just like faith is contagious. Fear gives Satan and demons authority to bring harm into our life.

In chapter 14 of his book, author Steve C. Shank shares: *It's been said, "Fear is always built on a lie—deal with the lie, and fear*

The Authority Given to Mankind

will die!” You deal with the lie by replacing it with God’s Truth—what has God said about this situation? God’s Word brings faith with it; when faith comes in, fear goes out! Fear cannot abide or dwell in the environment of the Truth. You eliminate fear’s environment by dwelling in the environment of the Truth. Faith is always built on the Truth—live in the Truth, and you’re fear-proof.

John 8:31-32 says, *Then Jesus said to those Jews who believed Him, “If you **abide** (Greek- continue) in My word, you are My disciples indeed. And you shall know the truth, and the truth shall make you free.”* It is one thing to know scriptures like many Christians do and quite another thing to continue in the Word, to know and experience the Word working in your life. Many Christians know the truth of God’s Word but are still bound. Mental assent to the Word of God will not cut it. The Bible is spiritual truth. If someone is sick or diseased the fact is they are sick or diseased. This is not “mind over matter” or “ignore it and it will go away.” Jesus did not tell us to ignore the mountain but to face the mountain and speak to it with authority and in faith believing that it would be removed (Mark 11:22-23). Pastor Bill Johnson says, *“Faith doesn’t deny a problem’s existence. It denies it a place of influence.”* The mountain before you is the truth (fact) in the physical realm. Here is the difference with those who do not separate the two realms, as in Greek philosophy. You can take spiritual truth (the Word of God) which supersedes physical facts and apply it with faith and watch the spiritual truth do away with

the physical facts (physical realm truth) by creating something (physical) out of nothing (invisible). That is how faith in God's Word works. It's a whole lot of fun watching God come through!

In August 2007 **Randy Clark** prayed for impartation over me in Castle Rock, Colorado. I did not feel anything but received it by faith. Prior to this prayer for impartation we were already seeing many mighty miracles in our outreaches around the world. But things quickly were taken to a whole new level after receiving this prayer for impartation. A short time later our daughter Charisma and her friend saw an angel two stories tall walking through our home.

My first time hearing Randy Clark and Bill Johnson speak was at my former home church in Castle Rock, Colorado August 2007. More than 1,000 recorded healings took place in that conference. I received prayer for impartation from Randy and ever since then Jesus and angels have been appearing in many of our outreaches in northern India. During one of the nights in Castle Rock someone took this photo of an angel appearing in the meeting.

A short time after that we left for India. Sharmila will share with you what transpired there and has now become a regular occurrence in our outreaches in Northern India ever since 2007.

Hindus & Muslims See & Hear Jesus!

Fall 2007 Report by Sharmila Anderson

*“Many times I find it extremely difficult to express in words the power, compassion and mercy of Jesus Christ. Our outreach in **Moradabad, India** was one such time. I will try my best to describe what happened there as Jesus tangibly revealed Himself to many Hindus and Muslims. Prior to our departure for this outreach Mark had mentioned that he sensed that this trip would be a turning point for the ministry in India, that something powerful was about to break forth!*

We conducted a 5-day city wide, open-air campaign in Moradabad October 23- 27, 2007. During this period approximately 11,500 people decided to become Jesus’ followers, by surrendering to His Lordship, and many hundreds were healed of all kinds of ailments. Many of the people who testified of being healed said they either audibly heard Jesus’ voice, or saw Him face to face, or saw angels. One gentleman said he saw thousands of angels all over the campaign grounds.

From the first night we knew that Holy Spirit was pouring Himself out on hungry Hindus and Muslims, as many testified of being healed. Most did not get the opportunity to testify of their healing as it was getting very late and the meeting had to be closed down. By the final night, over 9,000 people had gathered, hungry to hear about Jesus. Many of them for the first time in their life.

*On the first night **Mukesh Kumar** testified that during prayer*

for healing he told Jesus “if you are real I want to experience you.” Immediately he felt warmth in his body followed by coolness, and then a strong current went through him, after which he was fell to the ground. He arose knowing that Jesus was the true God and decided to follow Him. **Momine**, a young Muslim boy had no blood circulation on one side of his face, as a result of which he could not blink his eye. The Lord touched him and he was able to blink his eye and speak clearly.

Vandana sat alone at the far end of the grounds. When we had people come forward for mass healing prayer she remained sitting alone in the darkness. She suffered with seizures, asthma and was mentally tormented. During the mass healing prayer she saw someone walk towards her from the crowd. It was Jesus. He walked up to her, touched her, told her that that everything will be OK and she was healed. **Sunil Massih** saw Jesus in the midst of the crowd along with thousands of angels. He said that one of the angels touched him.

Vineet Kumar, 12 years old, suffered with severe pain in his lungs. He testified that someone touched him and he heard an audible voice say to him, “son you are healed! Go up and testify.” This young boy was extremely charged. He began to boldly praise Jesus in front of the huge crowd.

These are just a few of the healings that occurred. The blind saw, the deaf heard, cripples danced for joy, tumors dissolved, the demonized were set free, and individuals on their death beds were

healed. **THE POWER OF GOD WAS PRESENT TO HEAL.** Many people testified that they literally **felt a presence reach into their bodies, pull the sickness out of them or put body parts back in place.**

Neelam - Was dying. She suffered with jaundice (swollen liver) and was bedridden. Jesus walked through her bedroom walls and appeared to her. He reached over and caressed her in bed, telling her to go the campaign and she would be healed! She came out to the campaign. After prayer she testified of her miraculous healing! It is really a good meeting when you have Jesus going door to door telling people to attend the meeting because He would be showing up to heal many! You can't work up that kind of scenario. It's totally a grace thing.

The news of the campaign spread to surrounding towns and by the final night people had come from great distances to receive healing from Christ. The local television station covered the campaign, which was good publicity for us. Articles about the campaign, Jesus healing people and Mark's message appeared in newspapers too.

We have heard that on the Sunday after the campaign each church added an average of 5-6 new families. Healing testimonies continue to flow in. The pastors are determined to disciple all the souls harvested during this campaign. The media in Moradabad said that "THE TRUE GOD HAS VISITED OUR CITY AND HAS SHAKEN IT!"

When the prayer of impartation is prayed over individuals an authority to perform miracles and healings often take place or as in my case that anointing was taken to another level. The Apostle Paul says 2 Timothy 1:6 says *Therefore I remind you to stir up the gift of God which is in you through the laying on of my hands.* He also said *For I long to see you, that I may impart to you some spiritual gift, so that you may be established* (Romans 1:11). Praying over one another for impartation was a regular practice of the early church.

Randy Clark teaching leaders in **Chandigarh, India January 2011**. A number of people have been raised from the dead and many powerful miracles have taken place since Randy prayed over these leaders for impartation.

As far as someone who operates in a strong anointing for impartation, I would highly recommend attending a **Randy Clark** conference. In all my travels around the world, for many years, I have not seen anyone that Holy Spirit has so strongly anointed for this purpose of praying over people for impartation. We brought Randy Clark into India in January 2011 to train leaders we work with. The fruit from that conference was outstanding! Miracles, healings, signs, and wonders became a regular occurrence with

many of the leaders who attended and we now work with on a regular basis. It has spread out to many other leaders in India. Some of these Indian leaders have also seen the dead raised since attending that conference.

Lakshay was raised from dead right after the Chandigarh, India Randy Clark Conference. Here is a photo of him right after being raised from the dead - Delhi, India 2011.

The Lord Sends Bees and Defends His Own In India

*“Moreover the LORD your **God will send the hornet** among them until those who are left, who hide themselves from you, are destroyed. You shall not be terrified of them; for the LORD your God, the great and awesome God, is among you. And the LORD your **God will drive out those nations** before you little by little...”* (Deuteronomy 7:20-22).

During the conference with Randy Clark in Chandigarh, India, a pastor from the state of Madhya Pradesh told us that a

Hindu celebration was going to be held in Mandala, Madhya Pradesh from February 11-13, 2011. This celebration is called the Kum Mela, and Hindu devotees from all over the country flock to it. In the past, millions have gathered at this celebration.

The Chief Minister of Madhya Pradesh declared that at this celebration all Christians who had converted from Hinduism would be forced to reconvert to Hinduism. If they refused to do so their daughters would be sacrificed to Hindu gods all three days. This pastor requested all the conference attendees to pray for this grave situation. In the afternoon session every one lifted their voices in intercession, as Randy Clark led us in prayer. Within 24 hours, we received a report from the pastor's son in Mandala, that as the Hindu workers were setting up for the celebration, thunderous storm clouds gathered over the grounds and it began to storm and rain heavily. Once the rain abated swarms of bees blew into the grounds and began stinging the workers. The workers were forced to abandon work and flee the grounds. The bees then proceeded to make their hives all over the grounds. This was reported in the local newspaper.

As a final outcome, the Supreme Court in India has banned this celebration. It has declared that Hindu leaders are not permitted to even enter Mandala and the Chief Minister has been ordered to maintain peace, law and order in Mandala.

Santosh - Had manifested with demons starting the first night.
Found freedom in Christ the last night.

On the final night our custom is to have all the participating pastors introduced so the many who came to Christ would go to their churches. During the first Sunday after the campaign each church averaged 5 to 6 new families. Now churches began following up those who filled out decision cards.

Reshab - Hears and speaks for the first time in his life after healed by Christ.

Shalu had a miscarriage because her uterus was out of place. She felt an invisible hand move her uterus back into place.

Jyoti had to be carried to the meeting as she had been ill for months and could not walk. Her legs had turned blue. During mass prayer she was instantly energized by Holy Spirit and walked up and testified.

When our worship leader **Samarpan Sean** led us into an extended time of worship as everyone was worshipping, Mark asked if anyone had an encounter with Jesus or angels or was healed as result of that. Hands went up all over the crowd.

Sushma could barely speak and was shaking uncontrollably as she testified of seeing an angel whose head reached the top of the tent. She experienced severe heat and coolness after the angel touched her. She was instantly set free of the demons that were throwing her to the ground and making her cut herself the night before.

Sundernagar, India outreach - 2013

Ritika, a young girl had been praying for her mother who had stones in the kidneys and was scheduled for an operation. Ritika experienced extreme heat and began to speak in tongues and her mother felt the stones dissolve.

Mala Devi, a widow, was dying of breast cancer. She had come to Sundernagar to visit the temples, to try to appease the Hindu gods before she died. She wandered from one Hindu temple to another finding no peace. Someone invited her to the meeting. During worship she fell down. Then she felt an unseen hand lift her up. It was Jesus. She felt the oozing in her breasts stop. She said that now she has no fear of death as she knew she would be with Jesus.

We watched **Ranvir** shaking during worship. He testified that he saw a very handsome man in a white robe with longish hair on the stage smiling and waving to him. It was Jesus. Seeing Jesus waving at him, we asked Ranvir what did that make you feel like. He said he wanted to go hang out with Jesus.

Bimla - Saw Jesus in front of her wearing a crown. He placed His hand on her head and her body felt like boiling hot water & she was instantly healed of knee pain - **Sundarnagar, Himachal Pradesh, India June 7, 2013.**
