# March 2019 India-Nepal Report

We returned from a 3 week trip to India and Nepal March 19th. Thank you so much for the prayers and support. Every need was covered on time and in full.

We ministered in 3 different locations. First was in **Majitha, Punjab** for a two

From there we traveled back to **New Delhi** to minister for 3 days at a fast growing church, The Family of Lord Jesus Church, pastored by a close friend of ours, **Ankit Sajwan**. We were there for 3 days while Pastor Ankit was attending a conference with

Heidi Baker in Malaysia and spending time with her. All day Saturday I taught at the ministry training school. We finished on Sunday morning with Holy Spirit doing many undeniable healings and miracles.

Pastor Samarpan Theodore joined me in **Jogipur, Nepal** where we conducted an outreach and training conference for leaders. The leadership conference was powerful! Pastor Sam and I took turns ministering and Holy Spirit fell strongly on the leaders. We saw many undeniable miracles and healings during this outreach. On the closing night

## November 2018 Healing:

*“Very strong back pain gone ! My leg grew out - I regrew! Fibromyalgia - I hardly feel it anymore (almost completely healed)! On Friday, November 2nd and on Sunday November 4th Mark Anderson was in Berlin. On Friday he preached on the Authority we have in Jesus. The room was filled with the Holy Spirit, the entire time. After the sermon we asked the Holy*

**S**harmila and I are now preparing for our next trip to **Germany**, for two weeks in May (**see schedule back cover**). At the start of the year, during a time of fasting and prayer I had strong impression in middle of the night and into the morning of **WELL OILED HARVEST MACHINES IN BERLIN**. We are really looking forward to spending quality time in Berlin to see this come about. We have 7 churches booked for our May trip the Germany. Five of these meetings will be in the Berlin area. We believe something is getting ready to bust loose in this city, which is known as the **Atheist Capital of the world**.

On May 11th we will bring in about 80 to 90 refugees, who have a passion for Christ, to **Ludwigslust, Germany** for all day training and equipping. We will give them the tools to reach their peers (mostly Muslim). This training and feeding will cost us about \$1,000. As I was writing about this in our monthly partner update last month, at that very moment \$2,000 came in to cover this event and some of the other expenses for making this trip.

## Ute’s Testimony - 2 months after our last outreach to Berlin, Germany

**Ute Wiedbusch, Berlin, Germany November 2018** - Leg grew out, became taller, pain in the lower back that was torturing her for years and robbed her of sleep completely gone. Felt a joy so incredible! Suffered from fibromyalgia! The entire tissue of back was hardened. Now the tissue is soft, flexible, and my therapists are very surprised.

lower back that was torturing me for years and robbed me of my sleep was completely gone. I felt a joy so incredible, I can't describe it and this joy still remains. On Sunday we went again and at the end of the service we called again for the Holy Spirit to come on strong. One of my legs was 2cm shorter than the other. I was sitting on a chair stretching my legs out and everyone could see the difference. Mark took my feet, prayed and within

seconds my leg grew out to the exact same length as the other!!! In addition, the pain in the upper back was gone! Until then I suffered from fibromyalgia and the entire tissue of my back was hardened. All my physiotherapists had to work very hard on me. Now the tissue is soft and flexible and my therapists are very surprised. All this happened 7 weeks ago and the healing remains. I'm a new person now, free of pain and thankful that I got to experience what kind of miracles are possible through the Holy Spirit. Thank you very much Mark! Thank you very much Holy Spirit!" 🌟

## Great Faith and Humility

Excerpts from Humility the Hidden Keys to Walking in Signs and Wonders

Let's examine what the Bible calls "great faith." We will endeavor to do this by looking at the lives of two individuals whom Jesus commended for their faith. Through their lives and responses to Jesus, we will see what is necessary to have and walk in "great faith." We will also see the role humility has in our ability to have great faith. I believe if we add humility and faith together, God can use us in powerful ways that we would have never thought possible. That is why I believe it is so important in this coming move of God to know and understand humility and faith. We need to have strong emphasis on the power of Holy Spirit but even a stronger emphasis on Christ-like character.

### What Is Faith?

First, let's look at what real faith is. According to the dictionary, faith means to belief without proof or to have trust in someone or in a promise. The Bible explains faith in this way: *Now faith is the substance of things hoped for the evidence [realization] of things not seen* (Hebrews 11:1). Faith in God's promises is like having the title deed to that promise. Faith is not hope. Hope is expecting something in the future. Faith believes it is yours right now, even though you do not see it. All you know is God said it in His Word, and you take Him at His Word. **But without faith it is impossible to please Him, for he who comes to God must believe that He**

**is, and that He is a rewarder of those who diligently seek Him** (Hebrews 11:6).

Faith in God literally activates God's miracle-working power. Jesus shows us what faith is in Mark 11:12-14, 20-26. *...seeing from afar a fig tree having leaves, He went to see if perhaps He would find something on it. When He came to it, He found nothing but leaves, for it was not the season for figs. In response Jesus said to it, "Let no one eat fruit from you ever again." And His disciples heard it.... Now in the morning, as they passed by, they saw the fig tree dried to the roots. And Peter remembering, said to Him, "Rabbi look! The fig tree which You cursed has withered away." So Jesus answered and said to them, "Have faith in God. For assuredly, I say to you, whoever says to this mountain, 'Be removed and be cast into the sea,' and does not doubt in his heart, but believes that those things he says will be done, he will have whatever he says. Therefore I say to you, whatever things you ask when you pray, believe that you receive them, and you will have them. And whenever you stand praying, if you have anything against anyone, forgive him, that your Father in heaven may also*

**God is supernatural and wants to make His power available to us. One way we tap into His power is through walking by faith.**

*forgive you your trespasses. But if you do not forgive, neither will your Father in heaven forgive your trespasses."*

Jesus cursed the fig tree from the roots (see Matt. 11:20), but nothing happened immediately in the natural realm. Those who heard and saw Jesus curse the fig tree may have wondered what He was doing. Many try to deal with the surface issues or symptoms of the problem, rather than getting to the root of the problem. Doing this will never produce lasting freedom. All they will be able to do is learn to cope with their problems. Jesus dealt with the root in teaching us the principles of real faith.

In verse 21 Peter was astonished that the tree had withered away from the roots. Jesus cursed the fig tree to show His disciples how faith works. We can gather that faith does not operate by the five physical senses. Too much dependence in the Body of Christ has been on the five physical senses and on what we can do naturally. God is supernatural and wants to make His power available to us. One way we tap into His power is through walking by faith. Faith affects the spiritual realm, which has preeminence over the natural realm. It is for this reason that Paul says **"For we walk by faith, not by sight** [the five physical senses]" (2 Cor. 5:7).

In Verse 23, Jesus tells us to speak to the mountain (problem) before us and

## Great Faith and Humility

it will be removed. *He does not tell us to ignore the mountain or problem.* It is essential that we *acknowledge it* and *confront it* with faith in Him. In this verse Jesus repeatedly says that we will have what we say. If we desire to walk in faith, then we need to understand the power of our words.

*Death and life are in the power of the tongue, and those who love it will eat its fruit* (Proverbs 18:21). Many people speak words of death and end up with what they speak because they do not heed Jesus' words. They have what they say, but do not want what they have. Speaking God's Word over ourselves has helped our family to avoid sickness and medical bills for most of our lives.

According to Mark 11:24, we should believe that we have received what we pray for the minute that we pray! It is immaterial whether we see it or feel it immediately! *Faith says that it is as good as answered because God said it.* For instance, let's say I have a problem before me, like a sickness or a financial need. If I pray and the material answer to my prayer manifests instantly, do I need faith for those needs to be met. Faith is needed when we do not see the answer in the natural realm! Faith in God and His promises releases His miracle-working power, affecting the spiritual realm, and then manifest in the natural realm.

Many stop at verse 24, not

realizing that verse 25 and 26 are key to walking and living by faith as well. If we walk in unforgiveness and offense or if we have a prideful and critical attitude, we can literally short-circuit our faith and our miracle. Unforgiveness and offense are also breeding grounds for unbelief. Fear and unbelief are contrary to faith. Unfortunately, in Mark 6:1-6, Jesus was unable to heal people in His hometown because of unbelief

**Many people speak words of death and end up with what they speak because they do not heed Jesus' words. They have what they say, but do not want what they have.**

and offense, even though everywhere else He healed everybody who trusted in Him. If we are easily offended, have a critical attitude, or have unforgiveness, our faith may never get out of the chute. These negatives will hinder the blessings of God in our lives.

Unforgiveness, anger, and bitterness can also be breeding grounds for disease like cancer or arthritis. These negative emotions release toxins into our body that make us more susceptible to illness. That is why Jesus deals with the root problems; He gets them out of the way so that our faith can work freely. It takes humility to recognize that there are root problems in our lives that can hinder faith from working.

Humility will help us see our need to repent if needed and deal with the root problem.

## The Centurion's Faith

*A certain centurion's servant, who was dear to him, was sick and ready to die. So when he heard about Jesus, he sent elders of the Jews to Him, pleading with Him to come and heal his servant. And when they came to Jesus, they begged Him earnestly, saying that the one for whom He should do this was deserving, "for he loves our nation, and has built us a synagogue." Then Jesus went with them. And when he was already not far from the house, the centurion sent friends to Him, saying to Him, "Lord do not trouble yourself, for I am not worthy that You should enter my roof. Therefore I did not even think myself worthy to come to You. But say the word, and my servant will be healed. For I also am a man placed under authority, having soldiers under me. And I say to one, 'Go,' and he goes; and to another, 'Come,' and he comes; and to my servant, 'Do this,' and he does it." When Jesus heard these things, He marveled at him, and turned around and said to the crowd that followed Him, "I say to you, I have not found such great faith, not even in Israel." And those who were sent, returning to the house, found the servant well who had been sick* (Luke 7:2-10).

In verse 9 Jesus says, *"I have not found such great faith, not even in Israel."* What was so great about the centurion's faith? This man understood the importance of adding humility

to his faith (see Luke 7:6-7). Here is a commander in the Roman army humbling himself to receive from Jesus. Many in a high position would never think of humbling themselves to receive something. He understood that, in and of himself, he was not worthy that Jesus should do anything for him. Some have ignored this key ingredient of humility and have come across with an arrogant attitude like God you owe me.

Namaan was also a commander of the Syrian Army. However, he was struck with leprosy. Namaan travelled to Israel to meet the Prophet Elisha, who he hoped could cure him. Elisha did not come out and meet him. Instead he sent word though his servant Gehazi that Namaan should immerse himself seven times in the Jordan River to be delivered from leprosy.

The solution greatly infuriated Namaan because he expected better treatment because of his military position and his ego. As a result of *offense and pride, he was ready to walk away from his miracle.* His servant encouraged him to humble himself, not get offended, and obey the prophet. Namaan heeded his servant's advice and humbled himself. As a result, Namaan came away with his miracle (see 2 Kings 5:1-19). How many others have missed out on a miracle because of pride and offense?

The centurion said he was unworthy

## Great Faith and Humility

because he realized that His beliefs were not in line with God's way of doing things, and thus, he was not worthy that Jesus should come to his house. Because of his humility and faith, Jesus said that he had the greatest faith He had seen. Jesus has made us worthy of nothing less than His ultimate best. But in and of ourselves, we are not worthy. We need to keep in mind that it is only because of what He did at Calvary.

*God resists* [Greek: ranges in battle against] *the proud but gives grace to the humble* (James 4:6; 1 Peter 5:5). If there is anything I have learned from all my years in ministry, it is that every blessing or gift from God comes only by His grace. Who gets the grace? The humble of heart! This centurion was very humble, especially for someone who was a high ranking officer.

Many think that to receive a healing or miracle they have to do certain things; then somehow they might receive a miracle or healing from Jesus. Jesus healed many different ways. The focus needs to be Jesus and on the fact that everything good only comes by His grace alone. We cannot work up grace.

### Humility helps us be a candidate for His grace.

Other concepts the centurion implemented had are found in verse 7. He knew Jesus had the authority to speak the word and heal his servant, and he asked Him to do so. If

we want to see success in a healing ministry, people need to know that we have the authority in Jesus' name to minister to them, and then they need to allow us to do so. We cannot force healing on people. Generally people need to pursue Jesus' healing power and want prayer.

Notice once again the power of words. This man believed in the power of Jesus' spoken word. The majority of people receive healing in our campaigns when we take authority, using the name of Jesus over sickness or infirmities without even laying hands on them. As Christians, our words have authority and produce life if they are used right.

The centurion also understood that another important fact regarding faith and humility was to be under authority (see Luke 7:8). Some never operate in healing and miracles because they are too proud to submit or to learn from somebody who is proven in that area of ministry. To walk in true authority and faith, we should be accountable and in submission to others. We believe there is a place of great blessing and a place of protection when we are under authority and accountable to others to be held to a certain standard.

Lack of submission, being critical, prideful, and unteachable can keep us from tapping into Christ's healing power. Healings and miracles become very inconsistent in an environment like that. The centurion also understood that we have been given authority. If we

are to perform the miracles of Jesus, we need to look at how He used authority to command sickness, infirmities, and demons to go. Every person born on planet earth was given authority just like Jesus, but we need the Holy Spirit to help us carry out that authority. *How God anointed Jesus of Nazareth with the Holy Spirit and with power, who went about doing good and healing all who were oppressed by the devil, for God was with Him* (Acts 10:38).

## The Canaanite Woman's Faith

*Then Jesus went out from there and departed to the region of Tyre and Sidon. And behold a woman of Canaan came from that region and cried out to Him saying, "have mercy on me O Lord, Son of David. My daughter is severely demon possessed." But He answered her not a word. And His disciples came and urged Him, saying, "Send her away, for she cries out after us." But He answered and said, "I was not sent except to the lost sheep of the house of Israel." Then she came and worshipped Him, saying, "Lord, help me!" But He answered and said, "It is not good to take the children's bread and throw it to the little dogs." And she said, "Yes, Lord, yet even the little dogs eat the crumbs which fall from their master's table." Then Jesus answered and said to her, "O woman, Great is your faith! Let it be to you as you desire." And her daughter was healed from that very hour* (Matthew 15:21-28).

Jesus said to this woman, in verse 28, "O woman, great is your faith! Let it be

*to you as you desire.*" What was so great about this woman's faith? She was a Canaanite. Canaanites were idolaters who indulged in extreme perversion, even sacrificing their children to demon gods, and the Jews referred to them as dogs. In verse 22, she cried out to Jesus for a miracle for her daughter who had a demon. In verse 23, Jesus did not answer. His disciples wanted her to be sent away. It seemed as though

**Every person born on planet earth was given authority just like Jesus, but we need the Holy Spirit to help us carry out that authority.**

Jesus and His disciples did not care. If we were given such treatment, would we be offended and walk away, or would we persevere like this woman did? This woman stayed in faith, coupled with humility. In verse 24, Jesus

told her that He came only for the lost sheep of Israel. It did not look very promising for this woman or her daughter. This is where real faith kicks in!

The Canaanite woman walked in extreme humility, as revealed in verse 25. She started to worship the very One who first ignored her and later informed

## Great Faith and Humility

her that He had only come for the lost sheep of Israel. She continued to plead for help. In verse 26, Jesus referred to her as a dog. Why would Jesus say something like that? It was exactly how the Jews perceived the Canaanites due to their perverted lifestyle! Jesus was doing all this to use this woman as an example of great faith and humility for others to witness.

This woman could have been easily offended and left because of the insolent treatment meted out to her by Jesus and those who walked with Him. Instead she chose to worship Him and press in for her miracle, and she left having received one.

So many Christians today are easily offended. They are unwilling to humble themselves and, thus, are unable to see the very things that have brought on their problems.

**The truth is that all along God has been ready to answer their prayers, but pride (manifested in their unwillingness to deal with their own problems and offense) has short-circuited the power of God.**

The truth is that all along God has been ready to answer their prayers, but pride (manifested in their unwillingness to deal with their own problems and offense) has short-circuited the power of God. Looking at the story of the Canaanite woman, we must consider why her daughter had a demon in the first place. Most likely the demons were invited into her through some part of the perverted aspects of the Canaanite lifestyle, worship, and culture. Jesus was dealing with the root issue of this woman's life to help get rid of the demon. The mother's faith, humility, and worship of Jesus, which was contrary to her belief system, opened the door to the daughter's freedom.

Jesus often offended the religious leaders of His day, and they did not receive healing from Him because of their arrogance and offense. These religious leaders were very learned men, but their arrogance and offense kept them from receiving from Jesus. I believe the same problem exists today in the Church. The religious spirit in the Church is a great hindrance to the move of God. This woman (outside of the covenant) should be an example to all of us of great faith and humility.

*Do not be wise in your own eyes* [be humble]; *fear the Lord* [reverence] *and depart from evil. It will be health to your flesh and strength* [Hebrew: refreshment and marrow] *to your bones* (Proverbs 3:7-8). ●
