Over 200,000 have come to Christ in Mark's outreaches.

September 11, 2001 Todd Beamer 32 years old, told the operator "I know we're not gonna make it out of here." Before reciting the Lord's prayer (Matthew 6:9-13) he said "Please tell my wife I love her." and then he faced death head-on saying to a small group of men "Are you guys ready? Let's roll!" He

and this group of men charged the cockpit of United **Flight 93** (a movie with same title) that had been overtaken by Muslim terrorists. The plane was headed to our nation's capital just after another plane had crashed into the Pentagon! A suicide mission to strike fear in the heart of every American! Todd and this group of brave men thwarted the terrorist's plans and the plane crashed in an empty field outside of Shanksville, Pennsylvania, killing everyone on board but sparing many other lives because of their bravery and selfless courage.

In the Lord's prayer Jesus said pray this "*... deliver us from evil*" (Matthew 6:13). The Passion translation reads it this way. *Rescue us every time we face tribulation and set us free from evil. For you are the King who rules with power and glory forever. Amen* (so be it). Currently in the USA we are facing something much worse than 9/11. You might say how can that be? The effects

of what is happening in the USA right now will have a much greater negative impact than 9/11 had if left unchecked or unchallenged. **Check out the links we share at the end of this article.** Spread this to many others.

Before the revolutionary war broke out Paul Revere rode to warn the colonists the British were coming. In the same way the Paul Reveres are riding again to alert this nation and the Body of Christ of the evils being unleashed on this country. Will we heed the warnings? 2 Corinthians 2:11 says *To keep Satan from getting the advantage over us; for we are not ignorant (agnostic) of his wiles (lies and strategies) and intentions.* Much of the country is asleep not even realizing like the frog in the pot of water that soon will be boiling, the danger we are facing or the path we are headed down. At the same time because of desperation and fear many are flocking into the kingdom of God and we are on the verge of another great awakening in America. This awakening doesn't just happen by chance or by taking a passive attitude of whatever will be will be. That is not how our founders established this country. They had to rise up and fight. There was a price to pay for liberty and

to bring about this great nation founded on **'In God we trust.'**

When we love Him and trust in Him notice deliverance from evil is part of our inheritance. *Because*

*he has set his love upon Me, therefore will I deliver him; I will set him on high, because he knows and understands My name [has a personal knowledge of My mercy, love, and kindness – trusts and relies on Me, knowing I will never forsake him, no, never].* (Psalms 91:14

Amp). Never has there been so much prayer, fasting, calling out to and drawing near to God as what happened in the past one year. A great awakening is around the bend! *...Weeping may endure for the night. But Joy comes in the morning* (Psalms 30:5). The darkest hour is just before the break of dawn! Right before something so big and powerful is unleashed the attack comes. Hell is raging!

**Dietrich Bonhoeffer** a brave Lutheran Pastor who stood up against the evil of Nazi Germany said *"Silence in the face of evil is itself evil: God will not hold us guiltless. Not to speak is to speak. Not to act is to act."* Rising up to speak out against the injustice happening in Germany,

this brave man laid down his life. We have been the silenced Majority for to long. If justice is to prevail in the USA we must rise up and speak out rather than cower to the minority Marxists wanting to take control of the USA.

Talk about being delivered from or facing evil! What about the children

of Israel backed up against the Red Sea with Pharaoh's Army on their heels, Paul and Silas in prison, whipped and beaten at the midnight hour, Jehoshaphat and Judah surrounded by a huge army, greatly outnumbered. What about Jesus crucified and buried, Lazarus dead for four days? All odds were against them!

Hopeless in the natural! But the breakthrough or intervention came in a BIG WAY! Jesus' resurrection was the start and now there has been thousands of recorded resurrections happening all over the world! It's never too late for a resurrection! Great awakening!

George Washington nine bullet holes in his vest and not one penetrated his body instead of dying he lived and the first great awakening hit the shores of America. George Washington and his troops greatly outnumbered, were surrounded on Long Island by the British, facing massacre. What happens? A storm and fog

“Never has there been so much prayer, fasting, calling out to and drawing near to God as what happened in the past one year.”

sets in unexpectedly and every man escapes! Then months later crossed the Delaware, looking like sheep heading to the slaughter, with one last chance to save this fledgling nation. Instead of being massacred a winter storm suddenly erupts and the prideful strong enemy army took cover and was caught off guard, defeated and the tide of the revolutionary war was turned. Do you think heaven will allow Marxists and thieves who have stolen this country through lies, deception, censorship and fraud hold this great country hostage and allow Marxism to take over?

Now is not the time to vacillate and shrink back but to walk by faith and watch our great God who has heard our prayers come through. *Behold, the Lord's hand is not shortened, That it cannot save; Nor His ear heavy, That it cannot hear* (Isaiah 59:1). He will answer us! Stand still and see the salvation of our God! Wait for it in faith believing! Justice is coming! Our God is a mighty warrior!

America is facing evil the likes we have not seen in my lifetime. George Washington while at Valley Forge had a heavenly vision, encounter which is recorded in the library of Congress <https://youtu.be/1JOYU86J9w8>. He saw what we are facing now. The angel told him be the third and last peril would be the worst peril the USA would face **but God would intervene** with a trumpet blast

and our nation would be saved.

I want to encourage you to rise up and stand firm. Most of America knows what happened in the recent election. Marxism is setting itself up! The CCP was heavily involved in stealing the election! See **Absolute Proof (see link at the end of this article)**! Praise is being offered by the Biden Administration and Democrats for the Chinese Communist Party (CCP) and censorship. The media controlling what will be said and who gets justice, sexual perversion, partial birth abortion, the bloodshed of our most innocent and vulnerable, sex slave trade, open borders to let in any kind of evil that wants to come are some of the things that we are facing at this time. What is sad is many are naively welcoming it, accepting it, even partnering with it, including naive Christians! What does God and history say to Christians willing to partner with evil, in order to live a comfortable lifestyle and for some to line their own pockets? Many will not speak up or rise up because we have become too comfortable and do not want our boats rocked. 2 Timothy 3:12 says *yes, and all that will live godly in Christ Jesus will suffer persecution*. Not many want to claim that promise. Are we willing to settle for a temporary fake peace and liberty while at the same time giving up our real liberties,

- continued on page 6

future peace, freedom and joy?

Many do not seem to realize it here in the West our comfortable lifestyle is being challenged at this time. I write about these things in my latest book **THE INFLUENCE OF GREEK PHILOSOPHY ON WESTERN CHRISTIANITY!**

The very things I wrote about (Marxism) setting itself up in the USA is playing out right now. This western mindset causes us to be feckless in the face of evil because we can't believe this is really happening to us. After all aren't we to be humble, show love and acceptance to everyone, so everyone should like us? Right? The Church did not cross the political lines but the political crossed over into our yard, telling us how we are to believe now. Now we have to get involved! Times are changing and we better wake up to the reality of what is happening right before our very eyes.

In September 2020 I had a dream. One of my favorite teachers in the Body of Christ appeared in the dream. We were in an older building! He walked up to me with a smile on his face saying *"we have been feckless."* He was about to say something else when change began to fall out of my pocket, making a loud noise. I stooped down to pick it up and I couldn't hear what he was saying. When I got back up he had left. I

woke up from that dream realizing the church in America has been feckless, where we don't want to rock the boat or make a stand and be uncomfortable but the time is come for radical change from the old or our freedoms will disappear. Benjamin Franklin said *"those who would give up essential liberty, to purchase a little temporary safety, deserve neither liberty nor safety."*

### Time to make a Stand!

USA if we do not stand for something we will fall for anything that comes our way! Message for the body of Christ today we need to learn to *walk by faith and not by sight* (2 Corinthians 5:7). Sometimes faith involves a fight. *Fight the good fight of the faith [in the conflict with evil]...* (1 Timothy 6:12 Amp). Jesus said in Luke 18:8 *...when the Son of Man comes, will he really find faith on the earth?*

We are living in a time when the Body of Christ needs to come back to the foundation of faith and what faith really is. Many in the body of Christ are so quickly shaken. When is Faith needed? If I have the answer to my prayers do I need faith for those prayers to be answered? No! Faith is needed when we don't see the answer to our prayers here in the natural. Faith is what will activate the creative miracle working power of God, bringing answers to our prayers from the invisible realm into the visible realm. We call it heaven invading earth!

Many prophets prophesied that Donald Trump would win a second term. Many began to waver when that didn't come to pass the way they thought it would. Even though Donald Trump did win by a landslide with 79.8 million votes. The most ever in USA history! We have '**Absolute Proof**' (see link)

to prove this, many have become angry with the prophets and have been greatly shaken in their faith because of what they see in the natural. I still believe the words of the prophets! Even the doubting ones! I don't know how this will happen but my eyes are on Jesus and what He's told us is '**wait for it.**' Just like the children of Israel were told by Moses with

their back was against the Red Sea! I love listening to proven prophets like Hank Kunnemann (check out his links at the end of this article) and others who have not thrown in the towel but continue to stand in faith believing on the words they spoke by the Spirit of God. This is not so much about President Donald Trump as it is about the future of the USA. The USA must stand at this time. God has chosen President Donald Trump to lead the USA at this crucial time in history. As the USA goes so goes

most of the world. So how do you stand in faith (for this nation) and not waver in a time like this?

*Finally, my brethren, be strong in the Lord and in the power of His might. Put on the whole armor of God, that you may be able to **stand against the wiles** of the devil. For we do not*

*wrestle against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this age, against spiritual hosts of wickedness in the heavenly places. Therefore take up the whole armor of God, that you may be **able to withstand** in the evil day, and **having done all, to stand.** Stand therefore...* (Ephesians 6:10-14).

This shows us passiveness is not an option in the body of Christ! Our real battle is against demons! You can see this play out in Washington DC. First it says to stand against the wiles (Greek- lies and strategies) of the devil and his demons. How do you do that? You stand against lies with truth! Truth is what sets the captives free! Jesus said *you will know the truth and the truth will set you free* (John 8:32). Cancel culture! The ungodly are trying to erase our godly history with lies.

**The ungodly are trying to erase our godly history with lies. Sometimes we have to be bold to speak out the truth in the midst of lies and deception.**

## Deliver US(A) From Evil!

- continued from page 7

Sometimes we have to be bold to speak out the truth in the midst of lies and deception. We wage war against the demonic realm by standing up and **speaking truth in love** and courage (See Ephesians 4:15). Just like Jesus did!

*The truthful lip shall be established forever, But a lying tongue is but for a moment. Deceit is in the heart of those who devise evil, But counselors of peace have joy* (Proverbs 12:19-20). Truth lasts forever but lying and deceit are but for a moment. How will the USA survive? One way by being restored to truth, honor and integrity. Proverbs 20:7 says *The righteous man walks in his integrity; His children are blessed after him.*

You might say "I don't want to offend anyone." That's the problem we have in this country we've put up with, to the point of partnering with evil and allowing evil to flourish in this country because we didn't want to offend anyone. Do you think Jesus operated that way? Jesus did offend people! His disciples even told Him you offended the religious leaders Jesus. Did Jesus care? No! **He loved sinners** but **confronted sin** and the religious spirit.

If we are afraid of offending people then we give place to a passiveness which will in the long run invite widespread persecution of our

freedoms. Freedom will be slowly stripped away from us. Marxists are in your face, aggressive, well organized and **proactive**. Most Christians because of the influence of Greek philosophy in the West are only **reactive**. We wait for the ship to sink, or when it's too late, then react, not wanting to offend anyone. This western mindset has to change! Marxists are not backing off anytime soon. Our freedoms are being stripped away as I write. I was told when I was growing up, pay now or you will pay much more later if you don't deal with the problem now. Faith and courage live in the present!

One way for Satan and demons to get the upper hand is for people to start running with and believing lies! Lies will blind and bind people if we act on them. Our focus has to be Jesus and the truth. Ephesians 6 also talks about being ready ahead of time and learning how to stand so that in the day of trouble we can stand without wavering. *And let us not lose heart and grow weary and faint in acting nobly and doing right, for in due time and at the appointed season we shall reap, if we do not loosen and relax our courage and faint* (Galatians 6:9 Amp).

*He shall not be afraid of evil tidings: his heart is fixed, trusting in the Lord* (Psalms 112:7). The word evil in the Hebrew means hurt, bad, trouble, adversity, harm, grievous or sad. This verse really came alive when I first got word that my son Jesse was deathly ill with leukemia. Immediately this verse popped

into my spirit when I received the phone call with these evil tidings. Long story short Jesse was miraculously healed of leukemia, after suffering for a while with it's effects, but when he took authority in Jesus name he was instantly healed, never to have it again. Jesus miraculously delivered him from this evil disease. His full testimony of how he overcame leukemia is in my book **Overcoming Roadblocks to Healing**.

James 4:7 says *Therefore submit to God. Resist the devil and he will flee from you.* The word resist is a military word, which means to range in battle against. The word flee means to run in terror. God is telling us to take a stand against what the enemy is bringing about in this country. Many Christians rather than taking a stand, remain passive with an attitude of whatever will be will be and are submitting to the devil's will, even partnering with him, in accepting evil. As a result they are resisting God and His will for this country by not rising up and taking a stand against evil.

There's been much talk about draining the swamp. It seems like the swamp was much deeper than we imagined. It has not been fully drained but the swamp creatures have been exposed to most of this country. The problem we have is the exposure has come, but where is the justice? The ultimate goal with the exposure of evil is that

**justice must prevail or evil will flourish.** Look at what Psalms 64:3-9 says in the passion translation. *Can't you hear their slander, their lies? Their words are like poison-tipped arrows shot from the shadows. They are unafraid and have no fear of consequences. They set their traps against us in secret; they strengthen one another, saying, "No one can see us. Who can stop us?" They're nothing more than unruly mobs joined in their unholy alliance, searching out new opportunities to pervert justice – deceivers scheming together their ill-conceived plot as they plan the "perfect crime." How unsearchable is their endless evil, trying desperately to hide the deep darkness of their hearts. BUT ALL THE WHILE GOD has his own fire-tipped arrows! Suddenly, without warning, they will be pierced and struck down. Staggering backward they will be destroyed by the very ones they spoke against. All who see this will view them with scorn. Then all will stand awestruck over what God has done, seeing how he vindicated the victims of these crimes. It will be the 'shock' heard around the world!*

If you look in Washington DC with those who illegally took power through deception and control, they have become emboldened to unleash every kind of evil upon us. They were not so much after President Trump as much as they were after us. President

- continued on page 10

Trump just happened to be firewall and stand in the way for a while. Now the firewall has gone down, the battle lines are drawn and they are coming after us.

As I write today the House of Representatives just passed the **Equality Act**, which has nothing to do with equality. It's making a strong statement, Christians were coming after you! We will force you to comply with sexual perversion and do things you do not want to do or you will pay the price or go to jail. Rep Jerry Nadler (NY-D) just said "*God's will is no concern of this Congress.*" The battle lines are drawn Christian!

On January 6, 2021 President Trump called for a peaceful protest, during his peaceful rally with hundreds of thousands who attended! Many Black Lives Matter and Antifa group members were prepared days in advance. They were shipped in that day and played a role in helping take this country down with a huge lie! Our Marxist mainstream media ran with these lies to paint President Trump and his supporters (you and I) as criminals. The mob stormed the Halls of Congress. Most of the country could tell this was a play, put on by the Trump haters. These actors did a terrible job, covering their tracks! So fake! Democrats used that as

an excuse to impeach President Trump and falsely accuse us.

It was play right out of Nazi Germany. Adolf Hitler did the same thing when he came to power in 1933. Hitler used the Reichstag Fire Decree (see link) as an excuse to shut down free-speech, shutdown any opposition and falsely imprison many, because of what a couple people did. The Reichstag Fire Decree nullified many of the key civil liberties of German citizens. It enabled Hitler's diabolical reign of terror. It silenced their opposition so Nazi propaganda could spread like wildfire throughout Germany, then throughout parts of Europe. That later led to World II. We're seeing the same thing play out in America today.

They speak lies about us and President Trump and suppress the truth through censorship. *For the wrath of God is revealed from heaven against all ungodliness and unrighteousness of men, who suppress the truth in unrighteousness* (Romans 1:18).

When you pray stand in faith believing that our God will come through according to His word and truth! In the natural there is no hope! **BUT GOD suddenly comes through with His fire-tipped arrows and justice will prevail without warning.** That means we do not even know the timing when He will come through but in the meantime we STAND and RESIST EVIL with all that is within us!

If you don't like what you see happening in this natural realm, change it! Jesus said *I will give you the keys of the kingdom of heaven; and whatever you bind (declare to be improper and unlawful) on earth must be what is already bound in heaven; and whatever you loose (declare lawful) on earth must be what is already loosed in heaven* (Matthew 16:19 Amp). Jesus has given us the keys to affect the invisible realm with our God-given authority, through his name, so we can see the answer in this physical realm. This is the principle of mirror imaging which I write about in-depth my latest books.

How do we stand? First of all prayer in Jesus' name, with authority and faith! Next get in touch with your elected representatives, get involved at the grassroots, on the city, county and state level. One wonderful thing that is happening without President Trump at the helm, is causing many to get a backbone. State's rights are important especially when those at the federal level are passing diabolical laws. Many state's legislative bodies are passing laws regarding their own state rights in order to stand against unconstitutional laws coming from the federal level into their state. You can get involved with this by contacting your local political leaders.

Demonic strongholds come down when we share the Gospel (Eph. 6:18-20). Political leaders tell us big

business, big tech, rioting on the streets, and strip joints are essential, but the church is not essential. Time to open up all the churches, even when they tell you to shut up, sit down and be quiet, just because you are non-essential! The Gospel of Jesus Christ is the most essential! Peter said, *we ought to obey God rather than men* (Acts 5:29).

There is no time like right now to be sharing the good news of Jesus Christ because so many people are in hopelessness and despair. They are wide open to hearing about our loving powerful God. As long as politicians can keep us the silenced majority, the minority will rule over us and control us. It will only get worse! We must rise up with one voice, be counted and stand against injustice. It's time to rise up, stand against diabolical evil and unconstitutional laws meant to destroy America, put you in bondage and control you.

John 14:26, 15:26 and 16:7 refer to the Holy Spirit as our Helper or Comforter (Greek- also meaning Standby). The Holy Spirit keeps us standing strong. All we have to do is acknowledge Him as being our ever-present help in time of trouble. He will always bring us through victoriously. He is in us and standing with us. Todd Beamer said "*Are you ready? Let's roll!*" 🍀

## The Influence of

# GREEK PHILOSOPHY

## on Western Christianity

This book is a study of the negative influence Greek philosophy has had on Western Christianity. We examine the natural/spiritual divide and other negative beliefs that came from the influence of Greek Philosophy, such as vows of poverty and chastity, views on politics, physical suffering and extreme sovereignty. Does God have complete control of this earth? If so, why is this world so messed up? Why do so many Christians think Jesus is like Zeus? Much of what I wrote in the latter part of this book is playing out in the USA today.

*"His newest and important book 'The influence of Greek Philosophy on Western*

*Christianity' is such an eye-opener. I did not realize how much of my own thinking towards God had been negatively influenced by Greek Philosophy. This negative Greek influence can cause us to become uninvolved and quite powerless. This book uncovers the roots of this improper Greek philosophy, wrongly separating of the physical & spiritual realm, an incorrect understanding of the sovereignty of God, and many topics influenced by these major Greek philosophy beliefs. I am so glad for this book! It is so helpful to understand the correct way to see how we are to be properly connected to both the spiritual and physical realm. That not all things that happen good and bad are God's sovereign will. As believers we are called and empowered to bring real change to bad situations."*

**Link to song: <https://www.markandersonministries.com/rock-music/the-mighty-warrior-song>**

*Wounded Warrior don't give up in the fight.  
There will come a time and you will be healed  
But as for now the battle it rages on and on.  
Already it's taken its toll.  
But you were called for such an hour as this one  
to set the captives free, to bring them liberty.  
Now look off into the hills. Here comes your help.  
It is the Lord and He comes as a warrior.*

*Feel His strength rise within you.  
Just look off into the horizon.  
There He stands ready for war.*

*Now comes the final consummation.  
This will be your proclamation.  
The Lord is a great and mighty warrior.  
The leader of this band is Jesus.  
Rise up Mighty Warrior  
Demons stand in fear and tremble as the  
word of the Lord is finally spoken.  
It is time to move out His forces.  
It's harvest time all over the world.  
Rise up mighty Warrior.*

*Rise up mighty warriors (2X).*

## Holy Spirit on the Move Healing!

**D**uring the fall and winter we were unable to travel overseas because of stringent covid regulations in the countries we have invitations to, so we traveled and ministered in **Alaska, Arizona, South Dakota, Minnesota as well as in our home state of Wyoming.** In some places there was a strong anointing for healings and miracles. In Eagan, Minnesota, there was a powerful ministry time of impartation at Charles Karuku's training school when I shared on Humility and the glory.

Sharmila and I have been very active as leaders in our home church, Streams of Life Church, in Cody where we are in charge of Wednesday night intercessory prayer, when we are home. We have seen many, many people instantly healed who have been in need of healing during these prayer meetings, even though the prayer focus has been for our nation. The church has tripled in size during the past year. Many people are fleeing states where government control has been harsh and our city is greatly expanding. Pastor Ron has had me ministering on some Sunday mornings when we are home.

### Robin Bridge Testimony

On December 4-6, 2020, the Lord

did a mighty miracle in my life. On the way to a student workshop in Eagan, MN, I asked the Lord, "Please show me what you say about humility in leadership, show up and move in mighty power Lord!" The meeting begins and Mark Anderson shares a teaching on the importance of humility and how it unlocks spiritual doors in our devotion to God. I was blown away and as I kneeled before the Lord during the prayer portion of Mark's teaching, I heard the Lord say within me, "Daughter, I have more for you!"

The next day we had workshops on deliverance and healing. We all stood up and began to pray over each other, God moved once again as I prayed over someone. Then I heard Charles Karuku say, "Somebody in this room has been dealing with a jaw problem, severe pain in their jaw!" I rushed over and as Mark, Charles Karuku and the students prayed, Jesus touched my jaw, it began burning, I could feel my jaw being aligned and shifting back into place. Prior to this, I would take 10-12, 200mg pills of Ibuprofen per day plus ice packs, and waking up nightly having to pray over my jaw, put icy hot and hot packs on it to get through the night. This went on for 20+ years.

## Holy Spirit on the Move Healing!

The diagnosis was my jaw would need to be broken, dismantled, a 2-centimeter piece cut out of it and reassembled by wiring it closed for 12-weeks. I would have had to carry wire snips with me in case I had breathing or other complications. But Glory to God, He healed me and since then I have not had one Ibuprofen, not one sleepless night, not one need for icy hot or ice packs. My jaw doesn't lock up anymore making it impossible for me to talk or worship.

If that weren't amazing enough, that evening after Mark taught us again, we had more healing prayer time and he and Charles Karuku asked if anyone was experiencing shoulder pain, I raised my hand and they laid hands on me, I felt heat in and through my right shoulder which I had been getting treated for muscle pain for two months with no relief but praise God, He took my pain, the throbbing discomfort and I have not needed medical care or any topical creams or pain relievers ever since. My mobility was restored! I am a living testimony of His power to heal and of His faithfulness!

### Laverle Short Testimony

Laverle came to visit our home Church, Streams of Life in Cody, Wyoming while I was ministering on humility and its connection to healing the bones from Proverbs 3:7-8 Amp *Do not be wise in your own eyes; Fear the Lord [with reverent awe and obedience] and turn [entirely] away from evil. It will be health to your body [your marrow, your nerves, your sinews, your muscles – all your inner parts] And refreshment [physical well-being] to*

*your bones.* Holy Spirit touched him powerfully during the service.

In Laverle's words "I was a passenger in a semi rollover February 2019. Several months after the accident my shoulder started hurting. The doctor said I probably had torn cartilage. It was starting to get bad enough and I was going to get a MRI. When Mark Anderson gave the word of

knowledge on shoulder issues I didn't respond right away. I waited and then thought to myself I am going forward as a step of faith. I walked to the altar and stopped when I felt the presence of the Holy Spirit "heat" on my shoulder. As I stood there it just got hotter. I could feel most of the pain was gone. Mark prayed for me. and I left, to head back to Nebraska. Within 10-20 minutes after that I had full strength and no pain. As of today my shoulder is still as good as new. JESUS is Awesome!"

### Healing Testimonies by June Rich

In June's words! Mark asked if I had something he could pray

for: and I just said, 'I have more things than you can shake a stick at!' I had one leg shorter than the other, he had me sit down and put my feet out. He started praying, suddenly my leg started moving. I just sat and watched my leg growing in Jesus' Name. That was a Sunday morning.

On Friday after that, there was a healing service. I had my back prayed for. My daughter mentioned the scoliosis I had. After that, I could walk standing straight up without discomfort.

My doctor told me that an X-ray showed my neck was full of spurs and arthritis. After the prayer

in Jesus' Name for that, I could tell the spurs were gone by the way I could turn my head.

I woke up early one morning

and decided to trim my rose bush. I headed outside with my pruning shears. I can't remember exactly how I fell. Somehow I cut my arm and it was spouting blood. I grabbed a towel to stop the bleeding. I also grabbed my phone, thinking as I did so, "No one is going to answer the phone at 5 a.m., but Mark did and started praying as I headed into the ER at the hospital 4 miles away. By the time I arrived at the ER, my arm was no longer spouting blood. It wasn't even bleeding!

**A note (from Mark) about this last healing:** June told me that she had cut herself and was in so much pain she felt like climbing the wall. Sharmila and I thought that is pretty good for a 90 year old woman, feeling like she could climb the wall! I keep telling June the Lord will renew your youth like the eagle (see Psalms 103:5). It is working!

### Prayer meeting healing by phone

**Judy Stidham**, June's younger sister lives in Texas. For years she suffered with severe tremors and the doctors could not figure out why she had these. June asked if our prayer group could call Judy by phone and pray for her. We did in Jesus' name and immediately she felt

better. The next day she woke up with no tremors for the first time in several years. The enemy tried to put the tremors back on her a few days later and she had to go to the hospital. We encouraged her to stand against that with her God given authority. She did and was completely healed once again.

### Renuka Frank Testimony

On February 23, 2021 we called India! My mother in law Renuka (in her 80s) has been suffering with a swollen liver and great pain. I told her to have her maid Kamlesh lay hands on her and

pray while we remained on the phone agreeing. Kamlesh has had Jesus appear to her a number times and seen people healed when she prays. She prayed over Renuka and immediately Kamlesh's body went numb, cold and her hair stood up! I told Renuka within 15 to 20 minutes she would be feeling much better. 15 minutes later received a text she is PAIN FREE IN JESUS' NAME! ●
