Exposing Evil Men with Diabolical Plans

by Mark Anderson

“Those who would give up essential Liberty to purchase a little temporary safety deserve neither liberty nor safety.”

— Benjamin Franklin —

Please check out the many links I share to verify these truths!

As preachers of the Gospel of Jesus Christ one of our jobs is to be watchmen, to sound the alarm when something is not right. We need bold Paul Reveres to ride again and ministers like the Black Robe Regiment that fought and trained their congregations to fight during the Revolutionary War, to rise up again! The problem with much of Christianity is we’ve become conditioned to be weak. Many in the church are comfortable and want to remain comfortable with Marxism and CCP setting itself up in our nation. I’m not! The church is more interested in making sure not to offend anyone or speak out against sin or evil, in hopes of winning people to Christianity. This is false humility! Jesus offended the religious leaders of his time. His disciples even called him out on this. Do you think Jesus cared? No! He lived for the audience of ONE to please the Father! When evil, godless Marxism is already at our doorstep ready to take over how can I sit back and say nothing? I, as a preacher of the Gospel, will be held accountable if I don’t stand up against evil and expose it, so people can walk in freedom and rise up to defeat evil. If we do not stand for something we fall for anything! Evangelist Billy Graham said *“courage is contagious. When a brave man takes a stand, the spines of others are often stiffened.”* The church needs to rise up at this crucial hour and get a backbone or we lose our country. **The Good news is many Christians and conservatives are starting to rise up and get a stiffened spine! It is what will lead us into a great awakening!**

Exposing Doctor Fauci and Bill Gates’ Intentions

“Silence in the face of evil is itself evil: God will not hold us guiltless. Not to speak is to speak. Not to act is to act.”
Pastor Dietrich Bonhoeffer - Executed by Nazis for his bold stance in World War II

So many Americans were willing to give up their liberty for a temporary safety when they put their trust in Dr. Fauci. Dr. Fauci invested \$3.7 million into the Wuhan lab that released the coronavirus pandemic (plandemic). Bill Gates also dumped millions into this lab. Fauci lied to the American public saying that this virus was released through a bat. It actually was genetically engineered and released through **‘gain of function’** research as a bio-chemical weapon used by the Communist China Party (CCP) to kill millions all over the world and shut down the economy President Trump had established. Covid was also used with the help of the CCP to put their puppets into office, in the last election. The CCP’s goal was to make sure Trump would be removed because he stood in the way of their plans for world domination.

Gain of Function research was forbidden by the Obama Administration but Fauci still funded this research that killed millions and lied about its origin which he knew perfectly well. President Obama, 11 days before he left office and President Trump was to take office, restored gain of function research. Why? Maybe you’ll understand why I don’t call it a pandemic but I called it a ‘plandemic.’

Evil has been well planned and very well funded for decades in the USA, especially by the likes of George Soros! I’ve been saying this for sometime now, evil and Marxists are proactive in this country. The Christians and the conservatives have been reactive! Many times we wait for the ship to start sinking, then get angry, mad and try to do something about it. That mindset has to change if we are to save this nation.

Peter Daszak laundered \$600,000 to the Wuhan lab and was Dr Fauci’s partner in this crime against humanity. He bragged about how easy it was to engineer the coronavirus. Then Daszak

was hired by Facebook to cover up for Dr. Fauci and censor any truthful information coming out on the coronavirus’ origins or treatments that worked to stop the spread of the virus. Compromised, making a fortune from China, Hunter Biden and Peter Daszak were involved together working with the CCP and the Wuhan lab! See links below!

Before I go any further, notice how severe censorship started taking place March 2020 to the present. The elites like YouTube, Facebook Twitter, Google, Mainstream media and especially Big Pharma made sure to shut down any of the cure for the coronavirus such as drugs like hydroxy cloriquin and Ivermectin. These were proven inexpensive drugs, available for decades, then all of a sudden doctors were censored that recommended these cures. Why all the censoring? A demonic agenda was carried out right before our eyes. Mask wearing and social distancing became a way government could oppress its people, especially in Democrat run states. Whatever happened to 15 days or one month to flatten the curve? Many power-hungry governors kept this pandemic (plandemic) going for over a year.

This plandemic was used to help with massive voter fraud in the 2020 election! Especially with illegal mail-in ballots. The wonderful thing is it was all caught in real time just like DNA at a crime scene. Check out the **‘packet captures’** which caught all the voting, fake ballots and voter fraud in real time on **‘ABSOLUTE 9-0’** <https://home.frankspeech.com/tv/video/mike-lindell-presents-absolutely-9-0>. It also caught how many, mainly the CCP and other foreign actors, hacked into our

20 hacks that flipped the November 3, 2020 USA Presidential Election!

This shows how many votes flipped from Trump to Biden in these 5 states! Trump easily won all 5 states!

elections when vote counting was stopped in several swing states. Donald Trump was leading until vote counting stopped. IP addresses, time of hacks and how many votes were switched from President Trump to Joe Biden was caught in real time. There were hundreds of successful hacks but look at what just 20 of those hacks caused. Look where they came from and how just those 20 hacks flipped the results of the election in Arizona, Georgia, Wisconsin, Michigan, and Pennsylvania. The real total of the election count was Donald Trump 79.8 million votes to Joe Biden 68 million votes! President Trump won by a landslide! Court cases with all the evidence are finally coming together. Arizona just finished an audit which will most likely, in the days to come, decertify their elections results. Other states came out to see how the audit was handled and will soon follow suit. The great unraveling as prophesied last December by Tim Sheets is taking place this summer. Certain patriots like Mike Lindell and Patrick Bryne have all the evidence to prove it, with the help of their ex-government and ex-military cyber experts. Just check out Mike Lindell’s website www.frankspeech.com His **ABSOLUTE SERIES** videos have all the evidence <https://home.frankspeech.com/content/mike-lindells-absolute-series>. Especially check out his latest one **‘ABSOLUTE 9-0’** <https://home.frankspeech.com/tv/video/mike-lindell-presents-absolutely-9-0>. Mike Lindell has received many death threats for releasing this evidence. Follow his recent lawsuit against Dominion and Smartmatic voting machines, filed recently in Minnesota court. Also check out Patrick Bryne, a Libertarian’s (who did not vote for President Trump) book or just released video **THE DEEP RIG** <https://thedeepdig.movie> to know exactly what took place November 2020 and those who infiltrated the Trump administration.

While in Minnesota visiting my relatives last Spring, they told me how they all received 3 sets of ballots before the November 3, 2020 election to mail in or put in a drop box. Any honest person would know you can only vote once but any dishonest person could vote multiple times, get away with it and say they received multiple ballots from the Minnesota Democratic run officials. Minnesota Governor Walz (D) allowed massive election fraud on his watch.

What about herd immunity like Sweden, South Dakota or even our state of Wyoming for the most part? It worked! Yes, the coronavirus is real and studies showed the average mask that

was used during this time did very little to stop the spread of this virus. It was a way to make the people their political puppets, subservient to power-hungry politicians, big tech and their diabolical agenda of world domination. Larger grocery chains, strip joints, liquor stores and marijuana dispensaries were considered essential businesses and could remain open. Yet most churches were ordered shut down and Christians forced to distance themselves from one another. If churches opened up, the media made sure to publicly shame them, much like what happened in China under Mao, before he slaughtered millions, during the cultural revolution!

Why did Dr. Fauci, The WHO (World Health Organization) and Speaker of the House Nancy Pelosi speak out against President Trump when President Trump in 2020 wanted to shut down our borders? They pushed to keep it open and millions could have died. Fauci acted like the one who knew how to handle this pandemic and was put in charge making him the highest paid government worker in 2020, even more than the President. We learned during this pandemic that the most trusted news was the news that was censored by the mainstream media, as the mainstream media kept the lying and fear spreading to keep people controlled and under government and big tech's thumb.

During this pandemic the cure was always there! They never needed to search for a cure! They never needed to shut down the world economies so long. They never needed to force a rushed out vaccine that is causing more health problems and death of any previous vaccine. Drugs like hydroxy chloroquin and Ivermectin! What about natural things like, exercise, getting sunshine, zinc and vitamin C to build a healthy strong immune system and to ward off the coronavirus? During the coronavirus pandemic Sharmila and I did not wear a mask nor did we social distance. We took stands against mask mandates and the shutting down of our city's businesses. We were around people that had the coronavirus a number of times. We never even had a symptom of coronavirus in our physical bodies. The only times we did wear a mask was when forced to wear a mask on airlines or in airports, etc. We know there's power in the Word of God. Psalms 91:10 says no sickness or plague will come near our dwelling. Communion is one of the best vaccines anyone could take to ward off this virus. Last year in Agra, India Jesus appeared to my mother-in-law's maid and told her to drink the communion He offered her and she would be safe from the coronavirus. After that all her fears vanished.

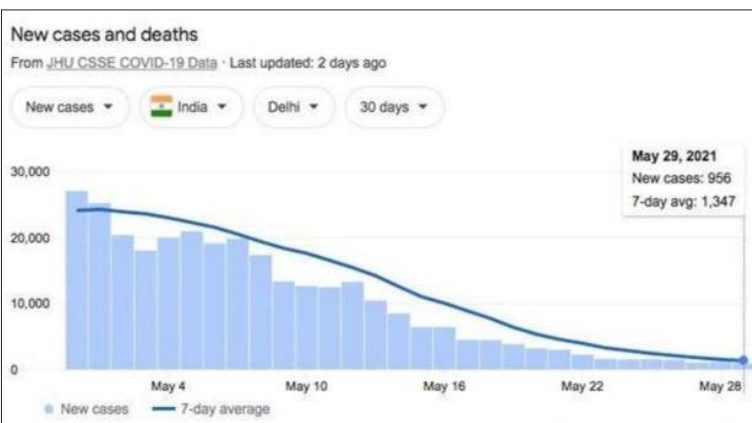

Here is the simple truth about what Dr. Fauci has done and has been uncovered in recent days:

1. He knew the Wuhan lab released the coronavirus and it was 'Gain of Function!'
2. Children were not at risk! Why then the shutting down of our public schools?
3. Most masks were no good!
4. Took no advice from scientists!
5. He had 2,000 emails with advice but chose his pride over the truth.
6. He refused to be accountable when confronted!

7. He had no regrets in giving money to the Wuhan lab.
8. The former CDC Director Redfield said Covid 19 came from the Wuhan lab in a CNN interview and was quickly ostracized.
9. President Trump wanted the borders closed but Fauci fought him on that, to keep the borders open.
10. Doctor and Senator Rand Paul called out Dr. Fauci as a fraud! Links: <https://youtu.be/tas91MvcZvU> and Dr. Fauci caught lying to Senator Rand Paul <https://youtu.be/2MndwrOzDvo>! One month later uncovers the lies and who partnered with Dr. Fauci to release this deadly virus on the world. <https://genzconservative.com/rand-paul-decimates-fauci/>

May 2021 the coronavirus ravaged India and Nepal killing many thousands of people daily. It was the worst outbreak anywhere in the world since the pandemic (plandemic) broke out. We knew a number of the pastors and people who passed away. During the months of May and June 2021 our ministry sent \$12,600 to feed many who were starving or being persecuted at this time. The fruit from this support was phenomenal! Just like in the United States, there were cures but bad actors like Dr. Fauci, Facebook, Youtube, Google, Twitter, Big Pharma, The WHO, etc. in India covered up and censored any of the real cures. Sharmila and I were interceding daily that somehow Holy Spirit would cleanse India and Nepal of the Coronavirus. And He did!!! In 2020 when the lockdowns first took place in India the IMF allocated 127 million dollars to India to feed the poor during the plandemic but the money never reached the poor. Thank God for Christian ministries like our and others who rose up and sent support to save lives at that time.

Doctors who cared for life all over the world were sounding the alarm and quickly censored! Even President Trump praised hydroxy chloroquin as being an answer and immediately news stations like Fox News painted him as foolish and censored him! Why? Because the mainstream media is bought, paid for and totally compromised by Big Pharma. For Big Pharma it's

Against great opposition, headlines coming out of India: Ivermectin obliterates 97 percent of Delhi cases!!! Check out article with the same name by Justus R. Hope, MD Jun 1, 2021 Updated Jun 7, 2021. ...And just like that coronavirus has almost disappeared in India! Life is gradually returning to normal.

all about making money and not caring how many thousands of people die in the process. Check out the book **Plague of Corruption** by Dr. Judy Mikovits and video interviews by her. There are many online. Here is one: <https://youtu.be/mArqlxUYx5s>. She exposes Big Pharma on how corrupt and greedy for money they really are in releasing plaques to kill mankind just to line their pockets. Big Pharma is willing to allow millions to die or become crippled to line their pockets. Dr. Mikovits was jailed, has been censored and harassed by our USA Government and Big Pharma to keep quiet. She is a brave patriot who has endured so much suffering to release the truth of this evil enterprise and our Government's involvement. I know of people who used hydroxy chloroquin and quickly recovered and are healthy today. One is a missionary and close friend of ours.

I recently received this note from a well trusted Colorado physician who has been in practice for many years. Here's what he said and I quote "getting the word out on ivermectin is great! Pharmacists go to a great extent **not to fill my prescriptions for ivermectin and hydroxy chloroquin even though they are extremely safe and a miracle. You are right Dr. Fauci and Bill Gates are true frauds. Keep up the good fight.**"

As we witnessed, Covid took out many of the elderly. What about the nursing home deaths in New York, Pennsylvania and other Democrat run states? Governor Coumo and Governor Wolf, both Democrats, sent infected people into their state's nursing homes and many thousands died. These Governors should be in prison for what they did. Yet they continue ruling with an iron fist.

Starvation and suicide were much more deadly than the coronavirus. Because of what the CCP and those who worked with the CCP did, multitudes starved and many committed suicide because it became too difficult to survive under severe lockdowns and authoritarian leaders. Even President Trump said the cure cannot become worse than the problem.

If you don't see something wrong with the extreme censorship going on by big tech, Big Pharma, the mainstream media and our universities or the weaponization of our nation's top law-enforcement against Christians and conservatives then you have to be extremely bias or ignorant. This is not what our country was founded on. This is not what made our country so great and so free. This is Marxism setting itself up, to take over the USA and the rest of the world!

What has Bill Gates been pushing for! Global vaccination! He made his push in India in the poor out of the way villages, with no accountability. What was the fruit of his vaccinations? At first 24,000 girls in India received the vaccination and many died or became crippled with polio. The Indian parliament kicked out the Bill and Linda Gates Foundation for the crimes he committed in India. His goal is to depopulate the world. Because of the Bill Gates vaccinations from 2000 to 2017, 490,000 people have become paralyzed!! Big Pharma, media, politicians and many others went to bat for Gates, to cover up his crimes so he was able to release similar results in Africa and return to India. Many African countries are rising up and saying we will not be Bill Gates' guinea pigs. India's NIH Government

website did not cover up his crimes. Bill Gates has possibly helped cripple or kill millions around the world. Check out one the most eye-opening videos that reveal what Bill Gates has truly released in this world. It's only 14 minutes long.
