Introduction to Humility the Hidden Key to Walking in Signs and Wonders

By Mark R. Anderson

The following are a series of excerpts from Mark's book *Humility the Hidden Key to Walking in Signs and Wonders (2nd edition)*.

EXCERPT #1

Introduction

Little did I know when this book was first released in 2010 that it would greatly impact so many thousands of lives and would spread all over the world. In this revised updated edition I have added many new things that I have learned and experienced since the release of this book in 2010. The affects of this teaching has greatly transformed many lives and Christian leaders. On a regular basis in our outreaches both in India and Nepal Jesus and/or angels have appeared too many people. There is an undeniable connection between humility and the manifested presence or glory of God coming to earth.

One of the most important ingredients to keep the atmosphere conducive for miracles, healings, signs, wonders and a lasting move of God is Christlike humility! Before writing this book in 2010 I spent 11 years, a great deal of time studying humility. Exactly

11 years later we are

releasing this 2nd Edition. I have realized that much of what we call humility in the Body of Christ has been influenced by the religious traditions of people passed down from generation to generation. As we know, some traditions are good, and some are "not so good" because they do not line up with the Word of God. Jesus tells us in Mark 7:1-15 that some traditions make the Word of God of no effect. That is one reason I have focused on the humility Christ talked about and walked in. *He who says he abides in Him ought himself also to walk just as He walked* (1 John 2:6). We should be walking in the same kind of humility Christ walked in if we claim to be in Christ.

As one who has paid much attention for many years to the different waves or moves of God throughout Church history (especially in the twentieth century), I have noticed several things. Most of those moves of God fizzled out within a short time, followed by another wave or move of God. But many from the earlier moves would persecute the ones in the new move of God. I wondered why so many of these various moves of God were short-lived. I noticed that in most of these movements an elitist attitude formed that

suggested they were the only ones on the cutting edge of what God was doing. It very well may have been true, but I believe that arrogant attitude was the primary reason those movements fizzled out. Proverbs 16:18 spells it out. *Pride goes before destruction, and a haughty spirit before a fall.*

Let's talk about Glory? There are two explanations to the word glory. **The glory of God and the glory to God!** One is the manifestation of the **Glory of God**, which means an exhibition of, the excellence, or greatness of His manifested presence in the physical realm. It is heaven or the living Christ being manifested and seen within our midst. Something glorious commands our attention. **Glory to God** is the honor, the fame and the praise due His name. When we take credit for the good things He does, somehow thinking we made it happen, we are robbing God of the glory due Him. *Not that we are sufficient of ourselves to think of anything as being from ourselves, but our sufficiency is from God* (2 Corinthians 3:5). When glory goes to God from a heart full of thankfulness His glory descends on this earth. When the glory of man comes on the scene,

When we take credit for the good things He does, somehow thinking we made it happen, we are robbing God of the glory due Him.

eventually His glory will depart. The **main thing that terminates great moves of God** and prevents the manifestation of His glory is arrogance, **the glory of man**. *My glory I will not give to another* (Isaiah 42:8). We need to learn to steward the anointing for His glory only. This takes Christlike humility!

Randy Clark said in the foreword humility was so very important to the great outpouring that spread worldwide out of Toronto. Holy Spirit spoke this to him just before going to Toronto. Randy's words "I will never forget the message's meaning: "This is the most dangerous moment of your life. If you touch the glory, become proud, fail to stay humble, this anointing will destroy you." I have watched in my lifetime one minister after

another fall because they did not understand or comprehend these words spoken to Randy before Holy Spirit began to use Him so powerfully throughout the world. I have watched the very anointing that came on them, using them so powerfully at one time, eventually destroy them. One can not combine the glory of God with the glory of man. It spells disaster!

"This book helps you navigate your life between blatant pride and false humility helping you recognize what true humility looks like...The book is like a diamond in that humility is the diamond, and Mark helps us see all the various facets of the diamond, and there were many, all of which I found very helpful..."

Humility the Hidden Key to Walking in Signs and Wonders, is the best book I have ever read on humility, and reveals the importance of humility's relationship to spiritual breakthrough, and revival."

—Randy Clark

Since the release of this book in 2010 it has had considerable impact and transformed thousands of lives worldwide. In this revised updated edition I have added new thoughts that I have learned and experienced since its first release, that have produced great fruit. In our outreaches both in India and Nepal Jesus and angels appear regularly. There is an undeniable link between humility and the manifested presence or glory of God invading the earth.

In this book you will learn what humility is in its purest

form and how to get ahold of it. You will identify the difference between religious or false humility and Christlike humility. You will apprehend between great faith and humility. It's one thing to hear and talk about Jesus quite another to experience Jesus! The way we experience Jesus is by assuming His nature of humility.

From Humility in Its Purest Form

Learning Humility from Christ

Come unto Me, all you who labor and are heavy laden, and I will give you rest. Take My yoke upon you and learn from Me, for I am gentle and lowly in heart, and you will find rest for your souls. For My yoke is easy and My burden is light (Matthew 11:28-30).

In these verses, Jesus very clearly explains His character and nature, inviting us to learn accordingly from Him. In verse 28, He invites the heavy laden to come to Him and find rest. The word for heavy laden in the Greek means to load up, to overburden with ceremony or spiritual anxiety. Many Christians are just going through religious motions, feeling overburdened, and producing little or no fruit. When we come unto Him, He says He will give us rest from that. The Greek brings it out this way: He will give "recreation, intermission, pause, and a letting down of chords drawn tight."

In verse 29 Jesus tells us to take His yoke (Greek: obligation) upon us and learn from Him. What does He want us to learn? Think about this, if you learn something directly from the heart of Jesus, it will be more than just head knowledge.

You experience something that will radically change your life. What will we learn from Him? *"I am gentle and lowly in heart or I am humble."* Nowhere else does Jesus make a statement quite like this. He is letting us know that humility is what He is all about. *"I am Humble!"* He is humility in its purest form! This "yoke" is the ability to learn from Him about humility in its purest form. This is our yoke-lesson: He is gentle, lowly in heart, and humble! Only then will we find rest for our souls.

In verse 30 Jesus says that His yoke (obligation) is easy and His burden (task) is light. If we are truly taking on His obligations and tasks they will be easy and light. If what we are doing is not easy and light, we must ask whose obligation or task we are carrying. If we are not willing to learn about and tap into Jesus' pure humility, we will often strive to make things happen on our own. That is when our tasks stop being easy and light.

True humility brings with it a grace that enables us to do more than we could ever imagine for the Kingdom. That includes serving others, miracles, signs, and wonders! But if it is all about our ministry, our church, or us and we are walking in pride and arrogance, then we put ourselves in a place where there is little grace, and God could literally be resisting us. ●

EXCERPT #3

Your Success Can Become Your Downfall!

The pride of your heart has deceived you... (Obadiah 1:3).

Humility will open our eyes and help us see from a whole new perspective in life and ministry. I made many incorrect decisions because of my pride. When I learned and began to walk in humility, it helped me make right decisions that produced good fruit that is impacting eternity.

Your success can actually make you more susceptible to the fall, unless you know how to steward it all for His glory and His glory alone. I have noticed many leaders who became success stories only to fall. Why? Because they did not address the pride and a byproduct of pride: deception that was in their heart, that led to their fall. They started out humble and being exalted but they did not remain in that place of humility and steward it for the Christ's glory. **Their success became their downfall.** Instead they became casualties

Your success can actually make you more susceptible to the fall, unless you know how to steward it all for His glory and His glory alone.

along the way. Proverbs 16:18 says *Pride goes before destruction, And a haughty spirit before a fall.* When will the Body of Christ catch hold of this? How many more casualties will we have along the way?

In most Charismatic and Pentecostal circles there is a strong emphasis on the gifting of an individual, with a very low emphasis on Christlike character. Romans 11:29 says *For the gifts and the calling of God are irrevocable.* That is true. Today we see gifted people with great character flaws operating in the power of God and many Christians running after and hanging on every word they speak just because of the gifting of that individual. This is dangerous to the move of God. We put pressure on leaders to perform for their own glory, set them up for the fall, then we stand back and point the finger, wondering how they could fall.

What is more important to Jesus? Character (see Galatians 5:22-23) or gifting (see I Corinthians 12:7-10)? I would say if we looked at Jesus and the way He modeled this, character is more important. Character speaks of humility, intimacy, and relationship with the Father. Jesus had a strong emphasis on both, but more on character. We should put a strong emphasis on character, things like

humility, integrity, honesty, love, patience, etc. At the same time put a strong emphasis on gifting also **but never let the gifting surpass the character.** This is the true test to see if we are ready for a lasting move of God where 'His glory' (not ours) will be manifested on the earth, through **continual** signs, wonders, miracles and healings.

Every way of a man is right in his own eyes, but the Lord weighs the hearts (Proverbs 21:2). That is the problem when we are bound by pride. Nobody can tell us anything because we always think we are right in our own eyes. Humility is a key ingredient to a godly life; it helps us see when we are walking in deception about ourselves. It helps us face reality and make important changes that will impact eternity.

Advice for the End Times!

The apostle Paul shows us a picture of the Church in the last days. *But know this, that in the last days perilous times will come: For men will be lovers of themselves, lovers of money, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, unloving, unforgiving, slanderers, without self-control, brutal, despisers of good, traitors, headstrong, haughty, lovers of pleasure rather than lovers of God, having a form of godliness but denying its power. And from such people turn away* (2 Timothy 3:1-5).

Despite negative things happening all over the world, my focus is Jesus

Christ, the Gospel (good news) and the approaching Great Awakening. Does that mean we should just turn a blind eye to sin, arrogance, and self-sufficiency and just expect everything to be fine? No! Look at God's judgment and the bad things that happened to Israel and Judah when they turned their backs on God. Some might say, "That was Old Testament, brother." But read First Corinthians 10:11-12 to see what Paul says will happen if we follow the same path they followed. *Now all these things happened to them as examples, and they were written for our admonition, upon whom the ends of the ages have come. Therefore let him who thinks he stands take heed lest he fall.*

Let's look at what humility and reverence for God can do for us when trouble surrounds us. Zephaniah prophesied to the nation of Judah during the reign of a godly king, King Josiah, to turn their hearts back to God. Even though they had a godly king, they were just going through the motions of acting godly, but in reality their hearts were far from God. Similarly today when godly leaders are in political office we get lazy and expect political leaders to do the work for us. Christians tend to look for a 'pastor in chief' forgetting our country needs a godly and strong 'commander in chief.' We must get a backbone and do our part to keep

our country going on the right course, and not just depending on politicians to do that work for us.

Zephaniah prophesied of the impending judgment that would fall on them if they did not humble themselves and repent. He warns them *Seek the Lord, all you meek of the earth, who have upheld His justice. Seek righteousness, seek humility. It may be that you will be hidden in the day of the Lord's anger* (Zephaniah 2:3).

False humility can make us people pleasers and fearful of rocking the boat, in order not to offend anyone. This false humility, intimidation and cowardice can lead to the destruction of a nation! Notice it says the humble who *upheld his justice*. Sometimes to uphold justice we must rise up and speak up. Sometimes your humility and courage will offend evil, passiveness or the religious spirit. But we must continue to speak the truth in love (see Ephesians 4:15).

Jesus is humility in its purest form! His disciples called him out on offending the religious

leaders! Did humility make Jesus weak or a coward in the face of evil or the religious spirit? No!

The German word for humility is **demut**. Part of that word means to serve with courage. A great example of humility and serving with courage was Lutheran Pastor Dietrich Bonhoeffer who stood up

against the injustice occurring in Nazi Germany, against the Jews. He said *"Silence in the face of evil is itself evil: God will not hold us guiltless. Not to speak is to speak. Not to act is to act."* Bonhoeffer's stand greatly offended the Nazis! They murdered him for his stand!

He who shuts his eyes to devise perverse things and who compresses his lips [as if in concealment] brings evil to pass

(Proverbs 16:30 Amp). According to this verse if we compress or conceal our lips and

remain silent we help bring evil to pass. This is exactly what is taking place in our country and around the world. Many Christian leaders do not want to hear this because they are feckless and walk in a false humility. Humility the likes that Jesus walked in will at times offend.

Jesus said *Woe to you when all the people speak well of you and praise*

Sometimes to uphold justice we must rise up and speak up. Sometimes your humility and courage will offend evil, passiveness or the religious spirit. But we must continue to speak the truth in love.

you, for their fathers used to treat the false prophets in the same way (Luke 6:26 Amp). Don't be moved by the praises or the criticisms of man. It's all about the glory of man. Jesus was not moved by the praises or the criticisms of man. **Jesus lived for the audience of One!** Jesus, humility in its purest form was warned not to go to Jerusalem because the religious leaders wanted to kill him. Yet humility, love and courage took him all the way to Jerusalem, where he was tortured and put to death at Calvary, to obtain our salvation.

Jesus said *And from the days of John the Baptist until now the kingdom of heaven suffers violence, and the violent take it by force* (Matthew 11:12). You might say that doesn't sound humble! We do not want things like that because we like things comfortable. Not speaking up or rising up because of comfort conditions the church to be weak, feckless, and walk in a false humility.

September 2020, while in Homer, Alaska ministering and moose hunting I had a very vivid dream. A great teacher in the body of Christ who has impacted many around the world came up to me in this dream and said these words *"we have been feckless."* We need to get back to the way this country was founded, on humility and courage.

Zephaniah shows us that if we seek humility, we will be hidden when bad things come, and we also will be ready for the most

powerful move of the Holy Spirit ever witnessed on this earth. Many Old Testament prophets prophesied about this great outpouring in the end times (see Joel 2:20-32, Isaiah 2:2- 4, Micah 4:1-2, Ezekiel 38:23, Daniel 2:35, Psalms 22:26-27). Humility will cause us to stay in a place of safety. It can keep us protected from calamity and trouble that could be looming on the horizon when a nation that God has given much to departs from its roots. Humility brings safety and draws others to Christ, inviting them to get in the circle of His divine protection. You will see God's blessing and divine protection when you seek humility and justice.

Our founding fathers were unlike the way described by cancel culture today, who call them oppressors. They had the heart and desire to humble themselves, pursue freedom, justice, fight for the oppressed and sought God in the early days of establishing our country. As a result, God protected them and showered them with favor, despite the odds being against them. This is what has made the United States such a prosperous and wonderful country to live in. We need to return to our early foundation of dependence on God, humility and get rid of our self-sufficient arrogant attitudes of leaving God out. Part of humility is recognizing our dependence on God. ●

2021 STATESIDE MINISTRY TRAVEL TESTIMONIES

During the last six months Sharmila and I have been fairly busy traveling and ministering stateside in **Arizona**,

Lloyd was severely injured, had chronic pain for 25 years, ever since a dump truck, with 23 tons of rock backed over him at work, pinning him down and unloading some rocks on his head. During our outreach in **Cody, Wyoming** at Freedom U we prayed over his legs. His short leg came out 1 1/2"! He stood up and has had very little pain ever since.

Montana, Minnesota and Wyoming. The Lord has done so many miracles and healings this year. We just want to share a few of those with you, to encourage you that He is working in midst of troubled times.

Besides ministering in many churches the Lord has been opening doors for us in 2021 to minister at alcohol and drug recovery outreaches such as Teen Challenge and other church-based recovery programs.

I never expected this to be our ministry focus in recent months. It has been very fulfilling and fruitful. In Minnesota we witnessed many miraculous healings and such a hunger in these ex-drug addicts and ex-alcoholics, in their pursuit of Jesus. As a result of these fruitful outreaches we will continue to minister in these types of outreaches. We minister a lot

to these recovery groups on our God-given authority. It is awesome to watch them put it into practice, Jesus shows up and performs miracles as they step out and pray over each other. From April to June we ministered 3 times at both Teen Challenge Minneapolis, Minnesota and 3 times at the Bridge Outreach Church, Cambridge,

Minnesota. We also spoke at Power for Abundant Recovery (PAR Billings, Montana) annual summit in Lavina, Montana.

In March we had a powerful testimony from our time in **Williams, Arizona!** While there I shared on **Humility and the Glory of God** at the Canyon Chapel Church. I shared on how humility has a connection, according to the word of God, to healing of the bones (see Proverbs 3:7-8 Amp). After the teaching I gave a word of knowledge about a line going across the top of the chest of somebody needing healing. **Punky Brown** a couple weeks earlier had fallen and injured

herself in that exact spot. She was finding it difficult to breath, and if she coughed or laughed had severe pain. She was asking the Lord for a sign of how much He cared for her. When I gave the word of knowledge I said a word of knowledge is the Lord's

expression of love saying "I know your condition and I care for you." She came forward for prayer. We started praying over other people. We had some young children help lay hands on the adults that need healing. A number of people received healing in their physical body while these children prayed. The look on these young children's face was priceless! Punky was standing in line for healing and she received the overflow, was instantly healed of the chest injury, without anyone laying hands on her. Praise Jesus! Pain free!

In April we were ministering at **The Bridge Outreach in Cambridge, Minnesota**, a drug and alcohol recovery center. **Ashley Wright** received prayer for deliverance from bipolar and

our associates sent photos from his state, **Uttar Pradesh** where hundreds of dead bodies were floating in the Ganges River.

It was the worst outbreak anywhere in the world since the pandemic broke out. We knew a number of the pastors and people who passed away. Just like in the United States there were bad actors like Dr. Fauci, Facebook, Youtube, Google, Twitter, Big Pharma, The World Health Organization (WHO), etc in India as well trying to cover up and censor any of the cures. We were interceding for

India and Nepal during this time that Holy Spirit would cleanse India and Nepal of the coronavirus. And He did!!! **See graph above!** Within one month, against great opposition, headlines came out of India: **Ivermectin obliterates 97 percent of Delhi cases!!!** And just like that coronavirus has almost disappeared in India! Life quickly returned to normal.

I have written a blog that exposes the evil Dr. Fauci, Bill Gates and Dr. Fauci's close associate Peter Daszak (who laundered money to the Wuhan lab) and what they have released in USA, India and around the world. Daszak was put in charge of censoring any cures mentioned on facebook or censoring those who speak the truth. You can read or download this blog from our website: <https://www.markandersonministries.com/blog/exposing-evil-men-with-diabolical-plans>.

Since June 2020 Mark Anderson Ministries has sent \$41,690 to feed many thousands who were locked down, starving or in desperate need in India and Nepal. The Gospel of Jesus Christ has gone

forth through these feedings. Sharmila's mother, Renuka, and our team in Agra have been feeding many poor and starving almost on a daily basis this year. On a number of occasions as they

distributed the food comments like this were made. **"Are you Christians?"** Our team would answer "yes." They said **"you are the only ones who care and do things like this."** Renuka and her team are continually giving hope by distributing food and also buying ice cream for the Dalit kids living on the streets. No one is turned away!

As we continued sending support to **India and Nepal** to help take care of the poor during the lockdowns, one of our close associates, who pastors several churches in the Delhi area used some of that support to purchase Ivermectin strips. This drug when released has drastically reduced the death rate in Delhi. Yet many people who have evil planned censor this significant cure.

Besides coronavirus lockdowns monsoons have caused massive flooding in Nepal so we've sent support to Pastor Binod to help with feeding and disaster relief. So far this year his ministry has seen 413 come

OUR PARTNERS SUPPORT AT WORK IN INDIA AND NEPAL

Sharmila and I were planning to go to India in May but the trip was canceled. There were no flights in or out of India. Life was returning somewhat to normal in India and Nepal. Both countries were opening up and people were going back to work. But in May all of a sudden the coronavirus re-emerged reeking havoc and many hundreds of thousands of people in India and parts of Nepal died. Hospitals were overwhelmed, had no room and there was a severe shortage of oxygen. Dead bodies are being burned all over in both countries. Hanok one of

of the on-going social work of Pastor Binod many of those who opposed him for years now have respect and show friendship. Our partners ongoing support for Nepal and India have been very helpful during this past year.

The nation of India is reopening but things are very uncertain in the USA now, with flights, etc. Also if we get to India we are not sure we would be able to conduct outreaches. We are standing by and prepared to go this fall otherwise we plan on going in February 2022 if the doors open.

One of the missionaries

we worked with this past year, to help with feedings in remote villages, said they received great favor when they arrived to feed the poor. Many were starving some had tried to commit suicide because of the hopelessness. They fed these desperate people, lead many to Christ, witnessed many miracles and deliverances from demonic spirits. One testimony they received was from an elderly woman who had tried to commit suicide, but was not successful. Her friend then told her the Christians have come to feed us. She went to the feeding, found Christ and was delivered from the demon of suicide. The village chief was so impressed by the team, showing such compassion that he offered them land free of charge to build and plant a church in this unreached village.

I just heard from one of our close associates today from Uttar Pradesh State in India. This Pastor said the persecution in India towards Christians has picked up with considerable intensity on a daily basis in his state and also the neighboring State of Madhya

Pradesh where he works at times. There is increasing persecution, beatings of pastors and Christians, they are dragged into the police stations and lied about. Some have been jailed! Meetings and church services are consistently disrupted. Militants have burned down churches and Christian's

homes. In some places in Madhya Pradesh State the Christians aren't even allowed to fetch water from the wells. Please pray for these persecuted Christians in Northern India. Persecution is at an all-time high and the present BJP Government in power, in India is promoting it. ●

EXCERPT #4

Great Faith and Humility

God is supernatural and wants to make His power available to us. One way we tap into His power is through walking by faith. Faith affects the spiritual realm, which has preeminence over the natural realm. It is for this reason that Paul says *"For we walk by faith, not by sight [the five physical senses]"* (2 Corinthians 5:7). If we do not adhere to or walk by faith, we will be focused on the natural realm (the five physical senses) and negative things around us. That will in turn give place to fear, which activates demonic powers.

In these last days, we will never grasp and tap into the enormity of faith and miracles on a consistent basis if we are governed by our five physical senses, rather than faith in God's promises. Jesus, speaking of the last days, said

Men's hearts failing them from fear and the expectation of those things which are coming on the earth, for the powers of the heavens will be shaken (Luke 21:26).

Don't pray the problem rather use your God given authority and pray the answers. When we pray the problem our focus is misdirected and many times it leads to fear and heaviness. *For God has not given us a spirit of fear, but of power and of love and of a sound mind* (2 Timothy 1:7). Walking in fear is the opposite of power, love and a sound mind. We cannot operate in power, love or a sound mind if we are consumed with fear and worry.

There is no fear in love; but perfect love casts out fear, because fear involves torment. But he who fears has not been made perfect in love (1 John 4:18). You can see from this verse you cannot operate in love if you're walking in fear. Love will drive out fear and put boldness in your heart. ●
