

Dry Run & The Great Awakening - By Mark Anderson

March 2020, a week before the Coronavirus travel ban was imposed Holy Spirit

impressed clearly to my spirit as I was walking into the gym. **“DRY RUN!”** The impression was so strong, but I was clueless to what it meant. A week later, as events unfolded around the world, I could see clearly this was a **‘dry run’** for the antichrist. Just so you know this ain’t his time yet! A dry run is a practice run. It is not the real thing. The spirit of antichrist (lawlessness) is however more prevalent now than any time in history. Even to this day with an anti-God globalist cabal like the World Economic Forum (WEF) and others wanting a one world government and for us to be their serfs, that word gives me great assurance. They will not prevail. John writes *Little children, you are of God [you belong to Him] and have [already] defeated and overcome them [the agents of the antichrist], because He Who lives in you is greater (mightier) than he who is in the world* (1 John 4:4 Amp).

Heaven is coming down, bringing a great awakening and hell is raging because it feels the pressure to push now for a demonic one world government without Christ. We must stay the course with all eyes on Christ. The great awakening is here. There will be a special grace to accomplish the impossible if we stay focused on His purpose.

Evil is coming for us but greater than that Holy Spirit is coming for us. He desires to partner with us and is asking *“can I count on you?”* Jesus told us about the purpose of Holy Spirit in John 16:13-14 (Amp) *He will tell whatever He hears [from the Father; He will give the message that has been given to Him], and He will announce and declare to you the things that are to come [that will happen in the future]. He will honor and glorify Me, because He will take of (receive, draw upon) what is Mine and will reveal (declare, disclose, transmit) it to you.* Verse 14 in the Greek literally says Holy Spirit

will transmit to your spirit things that pertain to the future. If there ever was a time for the outpouring guide us through these troubled times, strengthen us and make us overcomers to bring about a great awakening. *A prudent man foresees evil and hides himself, But the simple pass on and are punished* (Proverbs 22:3). Being simple minded and not following His leading, checks, promptings can lead to disaster. We must partner with Holy Spirit at this time!

Many believers have a catastrophic view of the end times because their focus is totally out of alignment with what heaven is doing. They think there will be a great falling away. They come to this conclusion by quoting 2 Thessalonians 2:3 out of context. It is talking about the antichrist’s appearance during the tribulation. *Let no one deceive you by any means; for that Day will not come unless the falling away* (Greek - **absent from post, departure**) *comes first, and the man of sin is revealed, the son of perdition. Departure or caught up* could refer to a catching away or rapture! By the way I do not plan to be around for the anti-christ but do plan to be around for the great awakening.

Paul also says in 1 Timothy 4:1 *Now the Spirit expressly* (Greek- explicitly) *says that in latter times some will depart from the faith, giving heed to deceiving spirits and doctrines of demons.* In this day and age **there will not be a great falling away.** In fact it says ‘some’ will depart from the faith. That means a few! Nothing there about a great falling away! Right now the greatest outpouring and awakening is happening. It will lead to the largest harvest of souls coming into the Kingdom just like the Bible talks about for the End Times. My view of the last days is a victorious church arising, overcoming, not woke, but fully awakened. Jesus was not full of doom and gloom about the last days. He did not say run for the hills when the going gets rough or pray to get raptured out of here. He stated *Occupy till I come* (Luke 19:13). We must focus on what heaven is doing, be about kingdom business and reap the end time harvest of souls. Don’t be focused on what the world and hell are planning

Greatest Outpouring of Holy Spirit Reserved for the Last Days

Be glad then, ye children of Zion, and rejoice in the Lord your God: for he hath given you the former rain moderately, and he will cause to come down for you the rain, the former rain, and the latter rain in the first month. And the floors shall be full of wheat, and the vats

shall overflow with wine and oil. And I will restore to you the years that the locust hath eaten, the cankerworm, and the caterpillar, and the palmerworm, my great army which I sent among you. And ye shall eat in plenty, and be satisfied, and praise the name of the Lord your God,

that hath dealt wondrously with you: and my people shall never be ashamed. And ye shall know that I am in the midst of Israel, and that I am the Lord your God, and none else: and my people shall never be ashamed. And it shall come to pass afterward, that I will pour out my spirit upon all flesh; and your sons and your daughters shall prophesy, your old men shall dream dreams, your young men shall see visions: And also upon the servants and upon the handmaids in those days will I pour out my spirit (Joel 2:23-29 KJV).

It is very important to understand this prophetic word from Joel because it refers to the time we live in. Peter quoted from the book of Joel on Pentecost (see Acts 2:14-21). In Acts 2:16 (Amp) he said *But [instead] this is [the beginning of] what was spoken through the prophet Joel...* That was the first outpouring, just the beginning of something becoming so much bigger in the end times. We are aware of what transpired on the Day of Pentecost 2000 years ago. Peter said *this is the beginning!* Did you catch that? What happened after he said this? We read of it in the book of Acts! Things like helpless cripples healed, the dead raised, blind eyes opened, seeing eyes made blind, King Herod eaten by worms, dropping dead brought great fear and awe. Miracles, signs and wonders just like when Jesus walked the earth continued to happen throughout the book of Acts.

The book of Acts is unlike to any other book in the Bible. It never really ends. You read along what Holy Spirit is doing in Acts 28 and it just abruptly ends. Where is the rest of the story? You and I are writing the second half of Acts in this day. Let me explain how this is possible. Verse 23 mentions the former and latter rain. It says the former rain came down **moderately!** What does that mean? I can share from experience when I was in High School I got very 'moderate' grades. That means average, not very good, above failing at least, but nothing great!

Joel 2:23 talks about two distinct outpourings of Holy Spirit. The first was in the upper room on Pentecost, was moderate rainfall that led to a powerful move of Holy Spirit, which transpired throughout the book of Acts, where it was stated *these men who have turned the world upside down have come here (Acts 17:6).* The second outpouring of Holy Spirit (the latter rain) is mentioned in Joel 2:24 *And the floors shall be full of wheat, and the vats shall overflow with wine and oil.* The floors refer to the nations of the world. The wheat refers to the huge harvest of souls! The vats are the vessels or containers that carry the wine and oil. Wine and oil always refers to anointing of Holy Spirit and prosperity. We are the vessels of Holy Spirit.

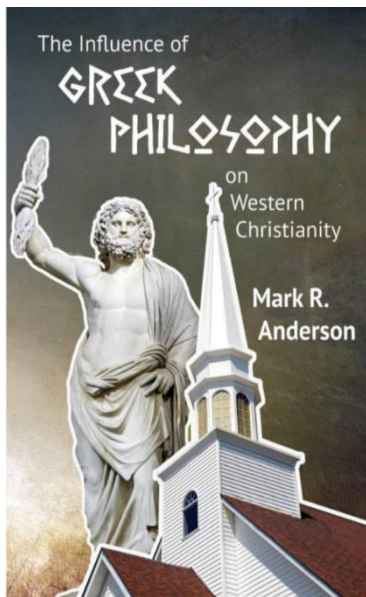

To understand the former and latter rain one needs to

be cognizant with Israel's planting and harvest season. Israel plants their crops in the fall when the former rains come down. They plant in the fall because the summers are too hot. They reap the harvest during spring. The latter rain falls in spring, just before the harvest. The former rain came down 'moderately' but the latter and former rain come down simultaneously and will overflow bringing an enormous harvest. Nations of the world will be ready for the greatest harvest of souls to be reaped yet! The fruit will be so ripe!

You and I have the privilege of living in the last days during the greatest outpouring of Holy Spirit yet. Currently more miracles, healings, signs and wonders are occurring on planet earth than any other time in history. Like the old rock song says '**you ain't seen nothing yet!**' More people being raised from the dead right now than any other time in history. There is an exponential increase in blind eyes and deaf ears opening, cripples instantly healed, cancer disappearing, etc. now more than any other time in history. Jesus and angels are frequently appearing to people and hanging out with them. More than any other time in history! Do not get sidetracked with a western Greek mindset that is only centered on what is happening in the natural, but rise up with authority and be sensitive to how Heaven is invading the earth and what is happening in both the spiritual and the natural realms right here and right now!

We must be people focused on both realms as I share in-depth in my book [**The Influence of Greek Philosophy on Western Christianity**](#) (Click to open) If we continue the same way, as we have in the past, with this kind of western Greek influence, that disconnects from the natural realm, and only focus on the spiritual, what will be the outcome? Evil will continue to prevail in the natural, in places, like government, big tech, big Pharma (medical), education, entertainment, media, and even the church. It's time we go into and claim these spheres of influence in our society and be connected to both realms. This is how we allow heaven (the invisible) to invade the natural realm.

Before Jesus went to Calvary He talked about the purpose of and the outpouring of Holy Spirit. He said *this Most assuredly, I say to you, he who believes in Me, the works that I do he will do also; and greater works than these he will do, because I go to My Father (John 14:12).* Jesus told the disciples the works He did they would also do, only one difference they would **do greater works than He did.** Greater works than Jesus! We are living in that time period when this is picking up with greater intensity.

Why do so many American and European Christians struggle with believing for and operating in the supernatural? The reason is because in the West we have been programmed to walk in and believe in the separation of the natural and spiritual realms. This dogma originated around 400AD when strains of Greek philosophy mingled with Western Christianity. Many are ignorant about this influence but follow religious traditions and are influenced by a Western mindset passed down from that time period. In this book we expose the impact of Greek philosophy on Western Christianity! In our travels worldwide, experiencing many different cultures we can see that many Western Christians are more influenced by Greek philosophy than they are by the Bible. In Part I we look at the history of Greek philosophy during the time of Jesus right up to the present. In this book we compare the influence of Greek philosophy on Western Christianity to what Jesus and the early church taught, so you can easily make a distinction between the two. We also examine beliefs that came from the influence of Greek philosophy. You can order this book directly from us or our website - markandersonministries.com : \$14 includes shipping

Heaven is Coming Down

Just like with the first outpouring of Holy Spirit in the books of Acts, when heaven invaded the earth persecution came with it. There is a battle between heaven and hell. The battle is intensifying but the greater the opposition the greater the outpouring and display of His glory, miracles, signs and wonders. Time for a stiff backbone like Billy Graham talked about. It will strengthen the backbone of others. We have read the end of the book and know who wins.

There has been a push for a one world government from the time of Nimrod and tower of Babel right up to the present. Nothing new! Much of it in the past was secretive and underground but now it is out in the open. Much of it revolves around Satan worship and witchcraft. You can not ignore it now. I would highly recommend checking out Amir Tsarfati: The Illuminati and the One World Government: <https://youtu.be/zcvr-80fQq4>. Better grab a notebook! He takes you from Genesis right up to the present day.

Another tool used to bring about a one world government is what Klaus Schwab, head of the WEF mentioned recently. He likes the form of government the CCP has. He thinks that is the model to follow so they can rule the world. Communist are pro-active and push until they get resistance. The problem with most Christians and conservatives (the majority) is that we are more reactive. We wait for the ship to sink then we start shouting, screaming and getting active. That mindset has to change. James 4:7 says Therefore submit to God. Resist the devil and he will flee from you. Who are we to submit to? Evil? No God and His will. Jesus said in the

Lord's prayer "Your will be done on earth as it is in heaven" (Matthew 6:10). That means we bring heaven to earth and carry out His will on this earth whether it is popular or not and whether it is easy or not. The word resist means to range in battle against. We are not to be passive towards evil and say whatever will be will be. If we all rise up to range in battle against spiritual darkness (a demonic agenda) then evil backs off for a season. But evil is proactive waiting to strike again when we let down our guard. There is no backing off anymore with evil. Notice it says the devil will flee from us. In Greek it means he will run in terror.

Klaus Schwab (WEF) has been quoted as saying "in 2030 you will own nothing and will be happy!" WEF agenda is for you to have nothing, be compliant to their godless agenda, while they have it all and we serve them. They are already putting this agenda into play around the world with help of compliant compromised governments and people like George Soros and Bill Gates. Please check out our **Contending for the Nation** channel on Rumble <https://rumble.com/v295p9o-smoke-screens-and-the-great-awakening.html> to know more about this. Klaus calls this the great reset in his book. Instead of the great reset we will have a great awakening and resistance to evil! The Bible is the final authority! Here is what will really happen in 2030 if we rise up. *The wealth of the sinner [finds its way eventually] into the hands of the righteous, for whom it was laid up* (Proverbs 13:22 Amp).

This is no time to be disconnected from the Body of Christ. Wolves prey on those weak and isolated. *Not forsaking or neglecting to assemble together [as*

believers], as is the habit of some people, but admonishing (warning, urging, and encouraging) one another, and all the more faithfully as you see the day approaching (Hebrews 10:25 Amp). We draw strength off one another especially in the day we live in. Proverbs 27:17 says *As iron sharpens iron, So a man sharpens the countenance of his friend.*

John the Baptist made this statement when Jesus came to be baptized and launch His ministry. *He must increase, but I must decrease* (John 3:30). Think of this. Christ lives in us. If we decrease and Christ who lives inside us increases what does that equal? It equals heaven invading earth. Now think of this if we are connected as the unified Body of Christ to resist evil. darkness has to flee!

We are living in the time Isaiah prophesied about in Isaiah 60:1-3 *Arise, shine; For your light has come! And the glory of the Lord is risen upon you. For behold, the darkness shall cover the earth, And deep darkness the people; But the Lord will arise over you, And His glory will be seen upon you. The Gentiles shall come to your light, And kings to the brightness of your rising.* 1 John 2:8 says *...because the darkness is passing away, and the true light is already shining.*

There comes a time when Holy Spirit puts a divine discontentment in your life. We can all be satisfied with what He has done in our lives but a cry on the inside says there has to be much more. We are in the time of the great awakening now. On February 8th I woke up early and

Holy Spirit was impressing on my spirit so very strong **'waves and waves of glory coming to earth.'** It was such a strong impression that I shared that in my ***Contending for the Nation*** Podcast ***Smoke Screens and Great Awakening*** <https://rumble.com/v295p9o-smoke-screens-and-the-great-awakening.html> that morning in part 3 of this podcast. Then a few days later left for India. I heard while over there the glory of God descended in Asbury University, Kentucky the evening of February 8th and is spreading all over the USA to other universities now. It is no longer something we talk about as a future event. It is here! *For the eyes of the Lord run to and fro throughout the whole earth, to show Himself strong on behalf of those whose heart is loyal to Him* (2 Chronicles 16:9). All Holy Spirit needs is a people willing to walk in Christlike humility and courage (a bi-product of humility) for His glory to descend on this earth. Change is good, especially if Holy Spirit is in it! *He has promised, saying, "Yet once more I shake not only the earth, but also heaven." Now this, "Yet once more," indicates the removal of those things that are being shaken, as of things that are made, that the things which cannot be shaken may remain* (Hebrews 12:26-27). In the days to come, there will be a great shaking! The shaking is bringing about a great awakening! Better buckle up for this one!
