OUR FIRST MISSION TRIP TO BRAZIL

By Sharmila Anderson

At the beginning of each year Mark and I ask the Lord to give us opportunities to preach the Gospel in nations we have not been to. Within a few weeks we were presented with the possibility of ministering in Brazil. August 9-17th we made the first of many mission trips to Brazil. 3 members of our church,

teachable, hungry and desperate for Jesus.

Majority of the ministry was in **Fortaleza, the capital city of Ceara State**. Violent gangs roam the streets of Fortaleza, making it one of the more dangerous cities in the world. It is also a Communist stronghold. We had to shift an outdoor outreach site because of a gang war breaking out between two warring cartels. Ceara is the poorest state in

Adrian, Monique and Marie joined us. Our ministry in Brazil was marked by an open heaven with hundreds of healings, miracles and encounters. Holy Spirit anointed all five of us equally as we prayed for the sick and infirm. We are honored as well to be under the covering of Global Awakening. Randy Clark and Global Awakening have been used in an unprecedented way in Brazil. We truly walked into an open heaven partly for what they have invested into Brazil. The hunger of the Brazilian people was insatiable. So open,

Brazil.

About 160 people came to Christ on this trip. We ministered in many local churches all over Fortaleza. We conducted 4 mini open air outreaches in the city plazas and our team spoke and ministered in music twice in a Fortaleza High School, to two groups of High Schoolers. Approximately 35 teens gave their lives to Christ when we gave an altar call. One group did not want us to leave, asking us to stay longer. Unfortunately we had to leave for an evening outreach in another city.

Walking in Signs and Wonders” into Portuguese.

There is a tremendous hunger to walk in Christ like

humility, and to see the glory of God descend in Brazil.

Our schedule was very demanding. A few times Sharmila and I ministered at one church while the other three ministered in a different church. We received excellent feedback of their ministry also, of anointed teaching, miracles, healings, and encounters. We were blessed to see the Lord use these available

vessels so effectively.

We witnessed

spectacular miracles. One of the first miracles was a lady healed of breast cancer. The Pastor has a word of knowledge of a tumor on the breast. The lady came for prayer. I could feel the tumor under my hand. She received

prayer and walked away. Within a few minutes she testified that the tumor had dissolved.

At the High School we prayed and

Maria 23 years ago almost died in car accident. Husband and 2 children died. Broken neck and long metal rod in leg. Able to bend leg with metal still inside. Also short leg came out. Two days later healed of cancer in her foot.
Fortaleza, Brazil

We commenced our trip, with a

pastors conference from 9:30am to 5pm. The pastors were eager to learn about ***Humility the Hidden key to Walking and Signs and Wonders.*** We prayed over the pastors and leaders for impartation. The feedback was very positive. During this conference Mark shared about our daughter's trip to Brazil with Randy Clark's Youth Power Invasion in 2014. As a teen she experienced the Lord using her and was marked by this trip. Later that day a young lady told me that she had been in the meetings in 2014 when the youth team had come through. She was 15 years old and the Lord spoke to her to learn English, as He

ministered Jesus to a suicidal teen. She was weeping as Jesus overwhelmed her with his love. In the outreach in the plaza in outskirts of Fortaleza a young couple accepted Christ. As we conversed they told us that they had no intention of attending the meeting. However they could hear the preaching in their home and were compelled to come. The lady had just tried committing suicide and her husband was backslidden. He rededicated his life to Christ and she accepted Christ as Lord and Savior. I another outreach in the town plaza Jesus healed a man who had metal in his knee from a soccer injury. After being healed he accepted Christ as Lord.

Some healing testimonies in Monique's words, "in the crusade in Horizonte, prayed for a lady and felt the presence of God so strong that I could feel heat in my body, not just hands. My hands were shaking like crazy. She had an encounter with Jesus and was slain in the spirit. In the outreach in Pacajus, prayed for Lucas who was born with a cyst on his elbow. He had a pretty big scar from the surgery. For the past two years he was in excruciating pain and had limited mobility in his arm. After prayer

he could raise his arm over his head and place his arm behind his neck. Completely healed."

Adrian prayed for Marielli who was 16-17 years old, born blind in her right eye. Growing up she did not know that you see from both eyes, until her friends told her that they see out of both eyes.

The first time Adrian prayed nothing seemed to change. He continued the plead the blood of Jesus and prayed again, after which she could see partially from the blind

Jehovah Lucas accepted Christ- healed of the effects of covid shots lungs, nasal and heart after word of knowledge that this was brought on by Covid shots **Quixada, Brazil**

eye. He prayed a third and Jesus restored complete vision in her eye.

The fruit of this trip has resulted in several invitations to return for further ministry to conduct leadership conferences, minister in churches and conduct open air outreaches all over the state. A number of ministers opened up and shared with us, what the Communist

Government is like in their country. We had many interesting talks. Brazil will be holding Federal elections in November 2026.

Pastors and leaders would like Mark to teach them on biblical citizenship and activating the church to get involved, to bring heaven into government and to vote for righteous candidates.

Much of what's going on in Brazil mirrors what the United States went through in recent years. There was an assassination

attempt and tremendous ongoing lawfare against the former conservative Christian President Bolsonaro. He is still suffering from the effects of the knife wound

and is in and out of hospital. His health has deteriorated significantly. He was just sentenced to 23 years in prison in an attempt prevent him from running in the 2026 election. His conviction is illegal under the Brazilian Constitution. Please pray for Brazilian elections!!!

We ministered at a very large Assembly of God Church in Fortaleza. The pastor oversees 148 Assembly of God Churches in his state, with 30,000 members. This pastor's daughter is one of the leading candidates in

President Bolsonaro's Party. A number of Christian leaders in Fortaleza are strategizing on how we can conduct evangelistic outreaches, and also prop up righteous candidates who are running. They would like us to help. Please pray as they have some very creative ideas in mind. At present we are planning to return to Brazil mid January and beginning of August for more ministry in Ceara State.

HOW TO STAND AND KEEP STANDING by Mark R Anderson

*"Finally my brethren, be strong in the Lord and in the power of His might. Put on the whole armor of God, that you may be able to (1) **stand against the wiles of the devil.** For we do not wrestle against flesh and blood, but against powers, against the rulers of the darkness of this age, against spiritual hosts of wickedness in the heavenly places. Therefore take up the whole armor of God, that you may be (2) **able to withstand in the evil day,** and (3) **having done all to stand.** (4) **Stand therefore...**" (Ephesians 6:10-14).*

Many people believe for miracles in their bodies without grasping the concept that faith is a stand and that sometimes a fight is involved to get what rightfully belongs to us. 1 Timothy 6:12 says to *"fight the good fight of Faith..."*. I have spoken to many Christians who were healed miraculously, only to lose it later. I have talked to others who were not healed miraculously and gave up because it did not occur instantly. For a successful Christian walk, it is of fundamental importance to understand how to stand for what rightfully belongs to us, whether healing, deliverance, or any other benefit of salvation.

(1) STANDING AGAINST

Ephesians 6:11 first says to *stand against the wiles (Greek:*

lies, strategies) of the devil and his demons. How and what are we to stand against? We are standing against demons, their lies and schemes. How do we stand against demonic lies? By applying the truth of God's word! Jesus said in Matthew 24:35, *"Heaven and earth will pass away, but My Words will by no means pass away."* Jesus said He is the truth (John 14:6) and that His word is truth (see John 17:17). We need an unwavering trust in the word of God. Luke 1:37 (Amp) says *"No word from God is without power or impossible of fulfillment."* The only way Satan and his demons can cause us to stumble and miss out on what God has promised us is by lying to us and we in turn believe those lies and act on what Satan speaks to us. We should adhere to what Evangelist Smith Wigglesworth said, *"If God said it, I believe it, that settles it."*

It is very clear in scripture that it is God's irrevocable will to heal and deliver. God is not the author of sickness, infirmities, poverty, torment, etc. Acts 10:38 records, *"How God anointed Jesus with the Holy Spirit and power, who went about doing good healing ALL who were oppressed by the devil, for God was with Him."*

Truth sets captives free! The enemy's lies bind and blind us when we believe them and build our lives upon them. Jesus said in John 8:31-32, *"If you abide in my word (truth) you are My disciples indeed. And you shall know the truth and the truth shall*

make you free."

When a disease or infirmity comes upon us, the truth or the fact is that we are suffering with a negative condition, but God's truth is higher than that negative circumstance or fact. As we abide in and continue in His word, then truth will set us free of that problem! In order to do this, the word will need to go from our head to being imbedded in our hearts and spoken out of our mouths. God's word is Spiritual truth. It supersedes physical facts. It can change physical facts by simply applying spiritual truth: God's word to your circumstances.

We learn to stand against the enemy by walking in the truth of God's word. Isaiah 55:11 says that God's word *"shall not return to me* (God) **void** (Hebrew: empty, useless), *but it shall accomplish what I please and it shall prosper in the thing for which I sent it."* We cannot go wrong waging war on the enemy by standing on the truth of God's word.

(2) WITHSTAND

Ephesians 6:13 exhorts us to withstand in the **evil day (Greek: evil things, hardship, perils, annoyances, causing pain, trouble and physically bad conditions)**. To **withstand** in Greek means to **resist, set oneself against and to oppose**. When the enemy comes knocking on our door with trouble, physical ailments, etc, we should resist and oppose him rather than being passive and giving in by accepting the hardship as a

part of life.

Augustine taught *"nothing happens unless the Omnipotent wills it to happen."* *"we ought not to attribute (his sufferings) to the will of men or of angels or any created spirit rather to God's will."* If we are passive and our attitude is such that everything is the will of God we will not have a backbone to rise up, resist or withstand in the evil day. Augustine influenced many Western church leaders. Thus most Western Christians believe in an extreme view of the sovereignty of God, not understanding the authority Jesus restored to us when he rose from the dead. The Bible talks much about resisting the devil or demons. If everything that happens is the will of God, why would God tell us to resist or withstand?

1 Peter 5:8-9 says, *"Be sober, be vigilant, because your adversary, the devil walks about like a roaring lion, seeking whom he may devour, resist* (Greek- to set one's self against, to withstand, oppose and set against) *him, steadfast in the faith..."* Notice the word resist here. How are we to resist the enemy's attacks? By Faith! Ephesians 6:16 says that the shield of faith will quench all the fiery darts of the wicked one.

Notice the masquerade of the enemy here! He walks about like a roaring lion! All he can offer is a cheap imitation or a perversion of the real truth. The devil is not a roaring lion. He is an imposter! Jesus is the real lion of the tribe

of Judah. Proverbs 28:1 says, ***"The righteous are as bold as a lion."*** The only way Satan can get us is when we doubt God's word and truth. Remember his lies bind and blind us when we act on them. If the devil says, *"you will die of this sickness"*, how do we combat him? By resisting him and standing on God's Word! Understand, when he attacks and lies to us, saying we will not make it, it is only because our answer is on the way.

Theresa Stoner understood what it was to resist the enemy when she was afflicted with lymphatic cancer. I was asked to conduct a healing service in

Grand Junction, Colorado.

Theresa came to the healing service that night. In

Theresa's words: *That night Mark*

called for those who needed healing in specific areas to come up and I was one of the first. He had said the Holy Spirit had told him someone with my problem, lymphatic cancer, was there. He and Sharmila laid hands on me and the Holy Spirit moved mightily to heal me. The pressure left my neck and throat. I felt energy I had not had in a long time. For the rest of the service I felt as though I had gravel draining down my throat and that pressure was being lifted from all over my head, neck, and shoulders. I was filled with joy and freedom. I wanted to dance.

After being healed supernaturally by God, the enemy tried to attack her with the cancer again. Theresa, in her own words: *The devil, several times starting the next day, put symptoms of pressure on my throat, stabs of pain, etc, but I was quick to rebuke him and the symptoms left. I never expected Mark and Sharmila to be in my church that Sunday. He moved miraculously through their anointed ministry to preserve my life for His glory, my family's needs and my joy.*

Theresa understood that sometimes faith is a fight and fought the fight of faith for her life and healing. She came out victorious in Jesus' name. God will do the same for you if you do not passively give into the attacks of the enemy, but withstand or resist him. James 4:7 says, ***"Submit to God. Resist the devil and he will flee from you."*** The word flee in the original Greek means to run in terror.

Many give up on healing if the problems return because they have not learned to stand when the enemy tries a counter-attack. Speak God's Word and stand for what rightfully belongs to you through Christ and watch God's Word work.

(3) HAVING DONE ALL TO STAND

Ephesians 6:13 goes on to say, ***"Having done all to stand..."*** this is where many lose the battle, especially in the realm of healing. It refers to preparing oneself to stand during negative times.

Many are ignorant of God's will concerning healing and health. When difficult times come, they cannot appropriate God's word for their situation and remain ill and continue to struggle. Many Christians do not esteem God's word concerning healing highly, and when sickness or infirmities attack they run for answers and try to stand strong. However, without any prior preparation, they ultimately are unable to endure and give up. For example, if a farmer does not plant seed, he will not reap a harvest. The word of God is referred to as seed (Mark 4 and 1 Peter 1:23). If we do not plant the seed of health and healing, how can we expect to reap a harvest of health and healing? This is why I tell Christians not to wait till they are sick and doctors give up hope to find out about divine healing. We need to study and plant the seed now, so we can enjoy a continuous harvest of health and healing in our lives.

The Word of God has life in it, just as a seed has a plant in it. (Hebrews 4:12) The promises in God's word are like seeds. They may seem powerless when they are in the beginning or seed stage, but once you get them inside and keep God's word before you, God's word will rise up and eventually produce powerful results. The word of God: *For they are life to those who find them, And health* (Hebrew - medicine) *to all their flesh* (Proverbs 4:22).

When do we need faith? Let's

say I have a physical need in my body. I pray and am healed instantly. Now do I need faith for healing? Absolutely not, as I have already received it. However, if my healing is not manifested immediately, then I need faith to stand for my healing.

Faith in God works when we have not yet received the answer in the physical realm. Faith affects the spiritual realm, bringing to pass the answer to our prayers. Jesus said in Mark 11:24, *"Therefore I say to you, whatever things you ask when you pray, believe that you receive them, and you will have them."* According to this scripture we receive the thing for which we have prayed the instant we pray for it! Therefore, we should believe we received our answer the instant we pray or are prayed for, whether it is manifested or not. The foundation of faith plays a vital role in standing when it is not immediately manifested.

A good faith test, one the Lord gave me, is to pay attention to how much time we spend thanking and praising Him for His provision, especially during trials. Prayer, thanksgiving and confession of God's word literally stills the attack of the enemy. Jesus said in Matthew 21:6, *"Out of the mouth of babes and nursing infants you have perfected praise."* He was quoting King David in Psalm 8:2, which says, *"Out of the mouth of babes and nursing infants you have ordained strength, because of your enemies, that you may silence the enemy and avenger."*

Jesus refers to praise as strength against the enemy.

It is also essential to confess His word after receiving prayer. Proverbs 18:21 says, *"Death and Life are in the power of the tongue, and those who love it will eat its fruit."* Your tongue sets on fire the course of nature (see James 3:6). Hebrews 11:1 reads, *"Now faith is the substance (Greek-realization) of things hoped for, the evidence (Greek – confidence) of things not seen."* Praise to God and confession of His word is an expression of Faith in God. Faith is the title deed to our prayers being answered. Start praising God for the answer to your prayer.

Galatians 6:9 says, *"Let us not grow weary in while doing good, for in due season we shall reap if we do not lose heart."* In other words, we should not lose heart because our breakthrough is on the way. Jesus broke through for us. He is 'Lord of the Breakthroughs' (2 Samuel 5:20). Keep standing and trusting God's word! Psalm 30:5 says, *"...weeping may endure for a night, But joy comes in the morning."* Paul and Silas in the midnight hour expressed their faith and trust in God by praying and praising God, and thereafter experienced a tremendous breakthrough (Acts 16:16-34). You might currently be in a midnight hour. Through it all, praise and thank the Lord for victory. Praise is a weapon that stills the enemy and drives out depression (see Isaiah 61:3). It also reveals faith in our God and

that we believe that we will receive what we have prayed for and requested.

Satan and his demons do not want to see God's word succeed. In Mark 4:17, Jesus explains the parable where the sower sows the seed – the word of God. One type of soil, or heart condition, where the Word did not produce fruit was when tribulations and persecution arose for the Word's sake and immediately they stumbled or became offended. Why? They had no grounding in the Word, no prior preparation, thus when hard times came, they were overcome by their circumstances.

(4) STAND THEREFORE

Ephesians 6:14 says, after we have learned and prepared to stand, to keep standing. ***Therefore stand!*** Do not give in! Ephesians 6:14-18 tells us the best way to stand is to put on the whole Armor of God. Notice, the sword is the only offensive weapon. The sword, God's Word, is an offensive and defensive weapon. Interestingly, there is no weapon that provides protection to the back. We are never meant to retreat, regress or give-up! Those who pray in the spirit (tongues- Romans 8:25-28) build their faith. (Jude 20, 1 Corinthians 14:4 & 18). Once we put on the armor, we battle in prayer. When we put on the shield of faith (understand and walk by faith), we will quench all the fiery darts the enemy aims our way.

He who dwells in the secret place of the most high shall

remain stable and fixed under the shadow of the Almighty, whose power no foe can withstand (Psalms 91:1 amp). When we learn to dwell in his presence, regardless the circumstance we have divine protection, receive strength to stand. Nothing can withstand his presence in our midst.

John 14:26, 15:26 and 16:7 refer to the Holy Spirit as our helper or comforter (Greek- also meaning 'standby'). The Holy Spirit keeps us standing strong. All we have to do is acknowledge Him as being our ever-present help in time of trouble. He will always bring us through victoriously. He is in us and standing with us.

GERMANY 2025 REPORT –

We had a very powerful and fruitful trip, ministering in five cities in Germany. We saw many healings and miracles in our meetings in Ludwigsburg and Chemnitz, Germany. Five of my books are published in German. Book sales were tremendous as the people were hungry for more teaching on the subjects we taught regarding healing ministry and Christlike humility. In Chemnitz we ministered in two Lutheran (State) Churches. Eight people received Christ. The foremost highlight of our ministry in Germany was ministering at one of these Lutheran Churches at a

youth meeting, where many adults also attended. I shared on the subject of authority given to mankind. We then prayed and ministered to those who needed healing. I invited the youth to come up and see how Jesus heals. They watched Jesus heal a number of people and were very engaged, so I told them to pray over people, as I watched on, and many more miracles and healings broke out. It was a beautiful night

as so many people who needed prayer were instantly healed by Holy Spirit. One man drove a great distance to attend this night as he had a vision of this church filled with people. Sara organized our ministry in Chemnitz. Many testimonies came from the service that night. Here's a few of the testimonies she shared with

us: “One woman had pain in the back. When one of our team started to pray, the pain began wander all over her back. So the one who was praying thought about a demon and cast it out. The woman started to choke, then convulse and cry. After a time everything was gone, also the pain! One young man had back pain for a while. His leg grew out. The pain is gone and the legs are equal. One girl had strong pain in the lower back for years. When she was younger she did competitive gymnastics. Every doctor said it came from that and there was no help. Some days she couldn’t even go to school because of the pain. During prayer, her leg grew out and since that there was no pain anymore, even after a very long bus trip (usually it’d be terrible after that).” Our last stop was ministering at a Bible school in Berlin. I was asked to teach on Humility, the Hidden Key to Walking in Signs and Wonders. After teaching, we took time to minister and impart to the students. Holy Spirit showed up in a powerful way. There were strong manifestations of His presence in the room on many of the students, as they encountered His presence.

REMEMBERING CHARLIE KIRK! The Shot Heard around the World! By Mark R. Anderson

So I sought for a man among them who would make a wall, and stand in the gap before Me on behalf of the land, that I should not destroy it; but I found no one. (Ezekiel 22:30).

Charlie Kirk 31 years old, was the man who responded to standing in the gap before the Lord on behalf of the land, during a very dark demonic time in our nation. He loved our nation, he was not cowardly but more than that he loved his Lord and Savior Jesus Christ and his family. He was a voice like no other. He had such a positive impact in our nation, on the young people, turning them to God and becoming patriots, who rose up and voted in the recent election. Since Charlie's death churches all over our country are being flooded with young people, who were greatly impacted by Charlie's life.

Charlie boldly spoke the truth in humility and kindness. The life he lived still speaks after his death. Many of the God haters on left actually rejoiced when he was assassinated. This is the sad state of the affairs in the USA. They hoped to silence his voice by taking him out, but instead, it has started a movement like no other. **His memorial/funeral had the greatest attendance of the past century.** The entire Trump Administration attended and spoke boldly about Charlie's

passion for his Lord and Savior Jesus Christ. Charlie's death had a great impact on Vice President JD Vance. He said ***"I have talked more about Jesus Christ in the past two weeks than I have my entire time in public life."*** People like Tucker Carlson boldly proclaimed the Gospel of Jesus Christ at Charlie's memorial, attended by more than 100,000 people with possibly hundred million or more watching it live all from all over the world. There has never been a memorial anything close to what occurred in Phoenix, Arizona September 22nd. If you watched Charlie's memorial you could sense a huge shift in our nation taking us back as a nation to a strong relationship with Christ and family. The awakening we longed for has become a reality. The blood of this martyr speaks volumes. It's the seed of the church. Donald Trump Jr spoke about the death of Stephen in the early church. After Stephen's death, the Gospel of Jesus Christ greatly multiplied! Charlie also died as a Christian martyr.

Dr. Ben Carson mentioned that Charlie was shot at 12:24pm on September 10th, then quoted the words of Jesus when he referred to his death, burial and resurrection in John 12:24 ***Most assuredly, I say to you, unless a grain of wheat falls into the ground and dies, it remains alone; but if it dies, it produces much grain.***

Many Christians believe we should remain silent when it

comes to government and politics. Charlie's life was a complete contradiction of that thought. If we remain uninvolved, silent regarding politics and government who takes over government? Those with a demonic agenda, to take our nation down. We witnessed that for four years under the Biden Administration. I would say in my lifetime his administration was the most diabolical and corrupt. It's so wonderful that under the Trump administration, righteousness and putting Jesus first place has been restored so quickly. Worship services are being held in the White House once again. ***Blessed (happy, fortunate, to be envied) is the nation whose God is the Lord...*** (Psalms 33:12 Amp). No wonder our economy is flourishing once again as we put Jesus Christ first place in our nation.

If you have not witnessed what happened at Charlie, Kirk's memorial check out the links below. One of the greatest highlights of the memorial is Charlie's wife Erika speaking and forgiving the man who assassinated her beloved Charlie. The power of forgiveness will go so far in the spreading of the Gospel. Look at what it did in Stephen's death! Right before he died he said ***"Lord, do not charge them with this sin"*** (Acts 7:60). Right after that, an awakening came about. Saul who was one of those in charge of the stoning later became the great Apostle Paul. He had an encounter with Jesus Christ on the road to

Damascus and ended up writing most of the New Testament. The power of forgiveness!

Keep in mind, God is not the author of tragedy and calamity! Many because of tragedies in their lives blame God or end up with unforgiveness and bitterness towards God, for their problems. He's not your problem. He's the answer to our problems. He's a good God who cares for us. Do not shut the door on the answer to your problem with unforgiveness in your heart towards God because of tragedy.
