Setting the Spiritual Atmosphere in Latvia

During May 2026 we took our 4th trip to **Latvia** and by far it was the most powerful to date. We ministered in four cities/towns in Latvia. We started in **Ventspils** and had tremendous fruit. One of the most powerful healings was of a young girl, Sandra with polio from birth, healed by Jesus. We

also ministered in **Ergli**, a small village, at a Lutheran Church that was very hungry for teaching and training. We saw healings take place at this church as well and people activated for healing ministry. We finished in the capital city of **Riga** conducting an **Open Heavens Conference**. We shared that weekend on what it is to set the spiritual atmosphere for the miraculous

Severe car accident many injuries! completely healed!

Had severe back problems leg was 2 inches shorter prayed and came out.

Skaidrite 84 years old cramps in leg joints & bones many years. Healed! Open vision later that night at home. Jesus told not her time go. Work left to do!! Joints & bones.

Translator healed of the effects of Covid & asthma feeling much better the next day.

and for an open heaven.

Please check out my teaching in this Good News Magazine on **Setting the Spiritual Atmosphere for the Miraculous. (pg 4)** Truly it was an open heaven and the most powerful conference we've held in Latvia to date. On the first

night many people came forward for healing. One after another was instantly healed by the power of God. I don't think anybody that night walked away, not healed after prayer. The next day, Sharmila shared a powerful teaching on the **Resurrected Glorified Christ**. Check out her message: <https://www.markandersonministries.com/videos/glorious-resurrected-christ>. It had great impact on many people. We continued that weekend ministering to those needing healing and saw one testimony after another of undeniable miracles and visitations taking place. These churches have invited us back anytime we can return for additional ministry.

Sharmila sharing a powerful message on the Glorious resurrected Christ. Many people were greatly touched by what she taught.

Ruth- Had back & disk problems 26 years. Her left leg was 3 inches shorter prayed came out and she started dancing. Felt so good.

Childhood encephalitis spine affected constant pain/ varicose veins completely healed

Broke her arm day before meeting. In much pain. Received prayer and pain went away

SETTING THE SPIRITUAL ATMOSPHERE FOR THE MIRACULOUS!

- By Mark Anderson

This is an excerpt from one of my earlier books **You can Tap into Christ Healing Power**. One of our most powerful state side meetings was at a small country church in **Worland, Wyoming**, 25 years ago. I believe Pastor Don's testimony will greatly inspire you to set the spiritual atmosphere for the miraculous, for an open heaven in your personal life, your church, family and city.

I learned a lot from a small church in Worland, Wyoming, in March 2001, on setting the spiritual atmosphere in order to witness signs, wonders, miracles, healings and deliverance. This church had invited me to conduct a three-day healing meeting. I had heard that the church came about through an ugly church split and that there was a lot of offense and bitterness between Christians in this community over this split. A new pastor,

Don Ferron, had come in to pastor the church since then. Later he told me that he had never witnessed a miracle in all his years of ministry. Things were about to change as Pastor Don starting tapping into some things that many Christians have never grabbed a hold of.

This is what Pastor Don did in preparation to see a powerful move of the Holy Spirit (in his words): *"God impressed upon my heart that we were to be the 'Book of Acts.'*" Besides studying the book of Acts verse by verse Pastor Don said *"Sunday evenings have been spent on topics like forgiveness, guilt, intercessory prayer and fasting, deliverance, and judgmental and critical spirits. Without any conscious consideration, the Lord was teaching us how to rid ourselves of the hindrances to healing and restoration."*

Delores Brown

Little did we know that as we prepared to minister in Worland we would experience Heaven kiss the earth. God's manifested presence was so very strong each service. In Pastor Don's words: **"Delores Brown** was diagnosed several years ago

with Parkinson's disease. This affected her eye, causing it to constrict so that she was unable to see from that eye. She came forward for prayer during the ladies meeting (Sharmila Anderson ministering) and now sees normally from that eye.

Gloria has suffered from serious back problems for many years (since being involved in a bad car accident). She had surgery last year, but still suffered with pain and stiffness. As she sat in a chair and was prayed for, I saw her left leg grow past her right, and then the left extended to the exact length of the right. She jumped out of that chair with a testimony of healing.

Joan Scott, Grandma as we will call her, is over 80 years old. I watched as I saw the

dowager's hump shrink on her back. Grandma gave testimony the following Sunday morning that when she went to bed that night she could still hear the bones 'cracking'. There were healings for varicose veins, spiritual bondages, knees were healed, and prophetic words

were given. What an awesome place to be- in the presence of The Almighty God.

People came to these meetings from eight different churches. Keep in mind this is a testimony from a pastor who had never witnessed miracles and had a bad heart condition. The first night he came forward for prayer for his heart. He went flying through the air and fell on the floor as we laid hands on him. He spent a long time on the floor with the Holy Spirit. God touched his heart. He felt great! After the meetings were over demons attacked him again with heart problems to the point that he had to be rushed to the hospital. He stood his ground for what Jesus provided for him 2,000 years ago. The doctor and medical staff ran many tests and to their amazement they

could not find a problem at all with his heart. They released him with a clean bill of health saying, he had a perfect heart and perfect blood pressure. Pastor Don's testimony of setting the spiritual atmosphere has been used since that time to inspire other churches that had seen

very few healings and now are experiencing Jesus performing many miracles. Very few of the many that came for healing walked out from these meetings unhealed. It did not seem to matter the sickness or infirmity; Jesus was manifesting Himself as the healer in our midst.

THE FORMER AND LATTER RAIN

Joel 2:23-24 says, (KJV) ***"Be glad then, you children of Zion, and rejoice in the LORD your God; For He hath given you the former rain moderately. And He will cause to come down for you- the rain, and the latter rain in the first month. (vs. 24 NKJV) The threshing floors shall be full of wheat, And the vats shall overflow with new wine and oil."***

The above verses are a prophecy regarding two distinct and different outpourings of the Holy Spirit. God often uses symbols to communicate a real event that will take place. Here He refers to rain as a form of the outpouring of the Holy Spirit. In order to understand the concept of the former and latter rain we need to understand something about Israel's planting season. Israel plants their crops in the fall. During this time the former rain fall to water the crops. They reap their harvest in the springtime. It is during this time the latter rain comes to water the earth. Spiritually the above verses refer to the former rain, which began at Pentecost. Then we went through the dark ages (winter) when it was spiritually dry. Then in the spring, when God gathered the Jews and formed the nation of Israel again May 15, 1948 (ref. Joel 2), the latter rain began to fall. The further along we go in the end

time harvest, the greater the outpouring. The threshing floor refers to the nations of the world. Jesus talked about the wheat and the tares in Matthew 13:24- 30. The wheat refers to those ripe and ready for salvation. Vats refer to the vessels in which the wine is stored. You and I are vessels of the Holy Spirit. The new wine refers to the Holy Spirit. Jesus talked about the New Wine as being the Baptism of the Holy Spirit in Mathew 9:17. Oil was used to anoint kings in the Old Testament. It is also symbolic of the anointing of the Holy Spirit. Oil and wine also indicates prosperity.

Notice how Joel 2:23 says that the former rain came down **moderately**. The Book of Acts records numerous miracles. That was considered the fall and former rain, just a moderate rainfall. But, the latter rain will come down as a great outpouring. The book of Acts is just a small foretaste of what God will be doing in these end times.

When reading the book of Acts, it appears to end abruptly in Acts 28. Personally, I believe that is because the Book of Acts never ended and we are writing the rest of the Book. There are more miracles happening now on earth than ever before and it is only picking up with intensity each year as we approach the return of Jesus Christ. All over the world the undeniable miracles such as the dead being

raised are taking place. Each year more people are coming into the Kingdom of God than any previous year. God is looking for vessels to carry the anointing of the Holy Spirit in these end times.

ATMOSPHERIC CONDITIONS

For it to rain, certain atmospheric conditions need to be fulfilled. All clouds do not bring rain. We live in Cody, Wyoming in high desert. It is beautiful to witness the thick rain clouds as they roll in over the mountains bringing rain because it is usually so dry in our area. You can feel it when the atmospheric conditions are ripe for rain or snow, and sure enough it does.

It is the same in the spiritual realm. Within the body of Christ there are certain conditions we can meet to prepare for the outpouring of the Holy Spirit or the spiritual rain to fall. If the atmosphere is set we can experience signs, wonders, miracles, healings and deliverance on a regular basis. Not just something that happens on a rare occasion like it is for many so-called spirit-filled Christians. If I had grasped the importance of this concept earlier, I would have conducted myself a lot differently. With hindsight I can see the hit and miss anointing as I ministered in the earlier years. I also started making a note of places where the Holy

Spirit manifested Himself in a tangible way and where He did not, and what the people had done or not done to prepare for a move of God.

Sometimes obstacles may exist that may prevent the atmosphere from being set, yet God moves powerfully. We have been in crusades where drunks have attended, cursed God and us, probably had every hindrance to keep them from being healed, yet God healed them, causing them to turn to Him. This is an exception because He loves showing His mercy to sinners. I do not desire to live my life by the exceptions because God desires more out of mature Christians. I desire to see God move on a consistent basis. God is raising up an army of men and women in these days to be used by Him. How do we prepare for it? By understanding how to affect the spiritual atmosphere!

During the course of this chapter we will touch upon concepts that when acted upon will create an atmosphere conducive for the Holy Spirit to move with miracles, signs and wonders in our midst.

MIRROR IMAGING

We need to be people more in tune to the spiritual realm rather than the physical realm. Jesus said in Matthew 16:19, ***“And I will give you the keys of the kingdom of heaven, and whatever you bind (Greek-***

forbid) *on earth will be bound* (forbidden) *in heaven, and whatever you loose* (Greek-allow) *on earth will be loosed* (allowed) *in heaven.*" Jesus is saying that we can put certain things into practice in the physical realm to affect the spiritual realm, thereby grabbing a hold and benefiting from His victory 2,000 years ago at Calvary. He said this is **the keys of the kingdom of heaven**. If you have the keys of a kingdom, everything in that kingdom is at your disposal. Heaven is the main kingdom of the entire universe. Jesus wants us to use the keys of the kingdom of Heaven.

Matthew 16:19, is based on the Greek concept of **mirror imaging**. This implies affecting the spiritual realm for success in the physical realm. Everything that happens in the physical realm, such as miracles or a move of the Holy Spirit came as a result of affecting the spiritual realm first. We need to affect the spiritual realm to see results in the physical realm. The Israelites understood this concept and were in tune to the spiritual realm. They knew that if they could affect the spiritual realm they would see great success in the physical realm. They thus called upon the living God with fasting and prayer to affect the spiritual and the natural realm as King Jehoshaphat did when the combined armies of Moab,

Ammon and others besieged Judah and there appeared no way out for Judah (Ref. 2 Chronicles 20:1-30). They were greatly outnumbered!

After praying, fasting and affecting the spiritual realm God spoke through a prophet. 2 Chronicles 20:15, *Thus says the Lord to you: Do not be afraid nor dismayed because of this great multitude, for the battle is not yours, but God's.*" King Jehoshaphat understood that God was going to deliver Judah from the vast enemy army and instead of sending soldiers out to face the enemy, he sent the praise and worship teams to worship God before the enemy. As they were praising God, the Lord sent ambushments (angels) against the enemy (vs 23), and the enemy was defeated.

Angels are powerful. Hebrews 1:14 says, *"Are they not all ministering spirits sent forth to minister for those who will inherit salvation?"* Angels move on our behalf when we affect the spiritual realm. Jesus said in Luke 12:8-9 *"Also I say unto you, whoever confesses Me before men, Him the Son of Man will confess before the angels of God. But He who denies Me before men will be denied before the angels of God."* When we are confessing Christ before men we are setting a spiritual force into motion. God's angels are going out to minister to the heirs of Salvation.

The Babylonians understood

and acted upon this principle of mirror imaging as well. The difference lay in the fact that they called upon evil powers for victory. They built a city and buried it underground. Then they built the replica of that city above the ground in order to call upon the powers of the underworld. They affected the spiritual realm and as a result won great battles and conquered many in their time. Keep in mind these are Old Testament examples. Jesus opened up a new way through His death, burial and resurrection! We are under a new covenant, which is even more powerful and effective.

A PURE HEART AND HUNGER

A key requirement in experiencing and witnessing a move of God is a heart that is pure before Him, as opposed to just having theologically correct doctrine. The religious leaders of Jesus' day had great knowledge of the Old Testament, but their heart attitude kept them from receiving Jesus. Correct doctrine is important, but more important to the Lord is a proper heart attitude!

If we desire to successfully affect the spiritual realm, it is imperative that we have a pure heart. More important than doctrine and knowledge is a pure heart before God. Some people may have all the correct doctrines, yet are not visibly

used by God; perhaps it is because of **an impure heart**, critical spirit, pride, and arrogance. Jesus said in Matthew 5:8 *"Blessed are the pure in heart, for they shall see God."* How will we see God? We will see Him move by the power of His Holy Spirit when we maintain a pure heart!

Setting the spiritual atmosphere is not a one-man show. It is a team effort: Churches uniting, Evangelists, Pastors, ministry leaders and church members all working with a hunger and willingness to do what it takes for God's presence to be manifested in our midst.

In Matthew 5:6 Jesus said, *"Blessed are those who hunger and thirst for righteousness, for they shall be filled."* Hunger is a vitally important ingredient in setting the spiritual atmosphere as well. There needs to be a hunger and a desire to see God move, to see miracles, signs and wonders. What we hunger for will fill us! For what are you hungry? If one consistently hungers to see God move, then that is what will fill his heart. If one hungers to learn about the healing ministry, then he is filled with it, and will experience it.

Today, all we have to do is hunger for what He provided 2,000 years ago and we will be filled with Holy Spirit and see His miracle working power in operation. If there is no hunger to see Him move in power, we

will not see His power manifested in the physical realm.

Notice in the Gospel accounts that Jesus did not pursue people to heal them. They pursued Him and were healed. Jesus never once said that His faith made a person whole, but He said time and time again **“your faith has made you whole.”** There needs to be a hunger to see God move in a tangible way here on the earth. There have been many **powerful moves of the Holy Spirit** throughout the world over the last century. Unfortunately in most of these places, those moves have ceased. Many talk about the good old days in those areas when God moved powerfully. They have turned the movement of God into a monument. God is not looking for monuments that are lifeless. He wants to be in places where His Holy Spirit can MOVE. One of the main ways to see this is to have a pure heart and a hunger for Jesus and for miracles, signs, and wonders today.

FAITH

Let's look at the **power of prayer, fasting and faith** in setting the spiritual atmosphere. Notice what Jesus said in Matthew 17:14-21, *“And when He came to the multitude, a man came to Him, kneeling down to Him and saying, Lord have mercy on my*

son, for he is an epileptic and suffers severely; for he often falls into the fire and often into the water. So I brought him to Your disciples, but they could not cure him. Then Jesus answered and said, ‘O faithless and perverse generation, how long shall I be with you? How long shall I bear with you? Bring him here to me.’ And Jesus rebuked the demon, and it came out of him; and the child was cured from that very hour. Then the disciples came to Jesus privately and said, ‘why could we not cast it out?’ So Jesus said to them, ‘Because of your unbelief; for assuredly, I say to you, if you have faith as a mustard seed, you will say to this mountain, move from here to there, and it will move, and nothing will be impossible for you. However this kind does not go out except by prayer and fasting.’”

Matthew 17:14-15 describes the incident of a father approaching Jesus, as his son, who was an epileptic and a deaf mute needed a miracle. (See also Mark 9:17-25). The disciples were unable to help the boy (vs16). It is interesting to note that the boy was not healed instantly. Today many would throw in towel saying, *“I guess healing the boy is not God's will.”* Jesus however puts the blame: not on God's unwillingness to heal, but on the **disciple's faithlessness** (vs17), **unbelief** (vs20). Since this was a problem in Jesus

day, could this possibly be a reason many are not healed today? In verse 21 Jesus says, *“However this kind does not go out except by **prayer and fasting.**”*

The first thing we glean from this incident is that faithlessness and unbelief restrained this boy’s miracle. Jesus’ frustration over His disciple’s unbelief is apparent. Similar obstacles are prevalent in Christian circles today, as people are unwilling to delve deep in the Word, building their faith. Romans 10:17 says *“So then faith comes by hearing, and hearing by the word of God.”* Notice what Jesus said in verse 17 *“O faithless and perverse generation, how long shall I be with you? How long shall I bear with you? Bring him here to Me!”* Notice Jesus’ frustration with the disciple’s unbelief! Do you think unbelief would make Him feel frustrated today with Christians? He wants us to be people of faith. Jesus said in Luke 18:8 *“...Nevertheless, when the Son of Man comes, will He really find faith on the earth?”*

Faith activates the miracle working power of Jesus Christ the same way fear will activate the destructive power of Satan and cause there to be a closed heaven. Job said, *“For the thing I greatly feared has come upon me, And what I dreaded has happened to me”* (Job 3:25). The literal Hebrew says, *“I feared a fear and it came upon me.”*

Many open the door to demons by walking in fear.

Hebrews 11:6 says *“without faith it is impossible to please God...”* Faith in God for what He already provided 2,000 years ago through Jesus Christ affects the spiritual realm, so we can experience His miracle power in the physical realm.

Paul said in 2 Corinthians 5:7 *“For we walk by faith, and not by sight.”* So many are focused on the physical realm and are only affected by their senses, what they see, feel and hear. Faith is spiritual and affects the spiritual realm, thus producing miraculous results in the physical realm. Faith is not determined or moved by what we see, feel or hear. When we learn to walk in faith or by faith, miracles and healings will be a regular occurrence.

Faith in Jesus’ finished work at Calvary, is understanding that Jesus already provided everything we need in this life, spirit, soul, and body. In Mark 11:24 Jesus said, *“Therefore I say to you, whatever things you ask when you pray, believe that you receive them, and you will have them.”* When do we believe we receive what we have prayed for? The instant we pray for it! Therefore we should believe to be healed the instant we pray or are prayed for; whether it is manifested or not.

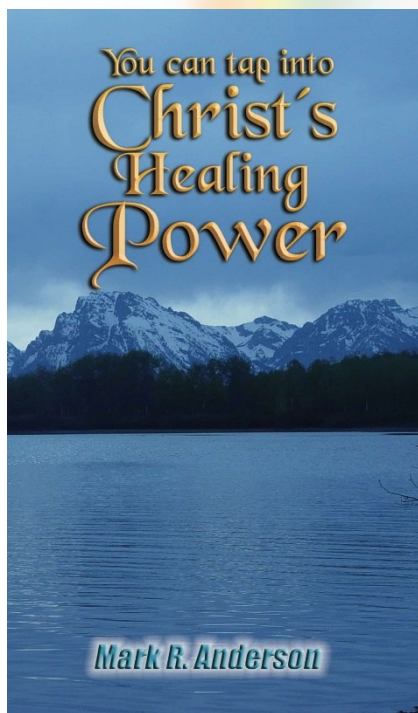

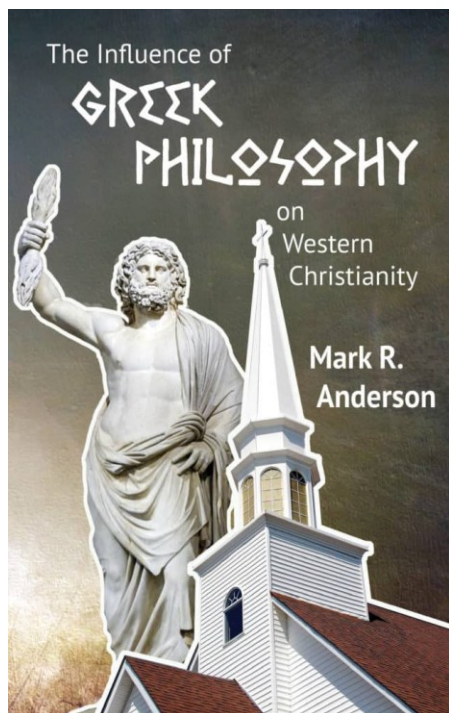

Once again, when do we need faith? If my healing is not manifested immediately, then I need faith to stand for my

healing and that faith (in God) will activate God's miracle working power. God is well pleased (ref. Hebrews 11:6) and touched (ref. Mark 5:30 -34) by people who put faith in Him and choose to walk by faith as a lifestyle. That's all we have room for.

For more on this subject order my book. **"You can tap into Christ Healing Power."** I go in depth on what sets the spiritual atmosphere and produces an open heaven in the last two chapters.

In my book **"The Influence of Greek Philosophy on Western Christianity"** I share about how to connect the visible and the invisible realm as one. I also talk in depth how the Greek influence has been a detriment in positively affecting the spiritual atmosphere.

November 2-15, 2026 Outreaches to Brazil

This last two months we raised \$6,000 to send to Brazil for preparations for our November 6 -7, open air crusade in **Maranguape, Brazil**. In the next 2 months we will be needing to raise the remaining three quarters of the budget to reach Maranguape, cover our flights, hotel and other expenses while in Brazil. Our crusade coordinator is expecting attendance to be

around 10,000 people in the Maranguape crusade. Along with that, we will be conducting school assemblies, a pastors conference and ministry in many churches. We will be in this city for six days of ministry. Then November 10- 15 we will once again minister in the **Fortaleza, Brazil** Churches also with the possibility of doing a pastors seminar, prison ministry as well as a mini Crusade. We greatly appreciate those who pray for us and support us to go to the mission field and present the living Christ.
